PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Delaware General Corporation Law authorizes corporations to limit or eliminate, subject to certain conditions, the personal liability of directors to corporations and their stockholders for monetary damages for breach of their fiduciary duties. Our certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law.

We have obtained director and officer liability insurance to cover liabilities of our directors and officers that may occur in connection with their services to us, including matters arising under the Securities Act of 1933. Our certificate of incorporation and bylaws also provide that we will indemnify and advance expenses to, to the fullest extent permitted by the Delaware General Corporation Law, any of our directors and officers, against any and all costs, expenses or liabilities incurred by them by reason of having been a director or officer.

Such limitation of liability and indemnification does not affect the availability of equitable remedies. In addition, we have been advised that in the opinion of the SEC, indemnification for liabilities arising under the Securities Act is against public policy as expressed in the Securities Act and is therefore unenforceable.

ITEM 22. UNDERTAKINGS.

The undersigned Registrants hereby undertake:

- to file, during any period in which offers or sales are being made, a post-effective amendment or prospectus supplement to this registration statement:

(1) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(2) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(3) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

- that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

- to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

- that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

- to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request;

- to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective;

- that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form; and

- that every prospectus (i) that is filed pursuant to the immediately preceding paragraph, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any

liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrants pursuant to the foregoing provisions, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Navios Maritime Holdings, Inc.
c/o International Shipping Enterprises Inc.
1225 Franklin Ave., Suite 325
Garden City, New York 11530

Dear Sirs

NAVIOS MARITIME HOLDINGS, INC. (THE "COMPANY")

We have acted as legal counsel in the Marshall Islands to the Company, and this opinion is addressed to you in connection with the filing by International Shipping Enterprises Inc., the parent of the Company, with the Securities and Exchange Commission under the Securities Act of 1933, as amended, of a Registration Statement on Form S-4, Registration Statement No. 333-124170, in relation to the registration of 39,900,000 Common Shares of par value US\$0.0001 each (the "Shares") of the share capital of the Company (the "Registration Statement").

For the purposes of this opinion, we have examined and relied upon the documents listed, and in some cases defined, in the Schedule to this opinion (the "Documents").

Assumptions

In stating our opinion we have assumed:-

- (a) the authenticity, accuracy and completeness of all Documents submitted to us as originals and the conformity to authentic original Documents of all Documents submitted to us as certified, conformed, notarized, faxed or photostatic copies;
- (b) that each of the Documents and other such documentation which was received by electronic means is complete, intact and in conformity with the transmission as sent;
- (c) the genuineness of all signatures on the Documents;
- (d) the authority, capacity and power of each of the persons signing the Documents (other than the Company);
- (e) that any representation, warranty or statement of fact or law, other than as to the laws of the Marshall Islands, made in any of the Documents is true, accurate and complete;

- (f) that there are no provisions of the laws or regulations of any jurisdiction (other than the Republic of the Marshall Islands) which would be contravened by the execution and delivery of the Merger Agreement or which would have any implication in relation to the opinion expressed herein and that, in so far as any obligation under, or action to be taken under, the Merger Agreement is required to be performed or taken in any jurisdiction outside the Republic of the Marshall Islands such action or obligation will not be illegal by virtue of the laws of that jurisdiction;
- (g) that the Resolutions are in full force and effect, have not been rescinded, either in whole or in part, and there is no matter affecting the authority of the Directors to enter into the Merger Agreement, or to perform their obligations hereunder not disclosed by the Constitutional Documents or the Resolutions, which would have any adverse implication in relation to the opinions expressed herein;
- (h) that the Company has entered into its obligations under the Merger Agreement in good faith for the purpose of carrying on its business and that, at the time it did so, there were reasonable grounds for believing that the transactions contemplated by the Merger Agreement would benefit the Company; and
- (i) that as a consequence of the Merger Agreement, the Company will receive money or monies worth at least equal to the value of the Shares being issued and none of such Shares will be issued for less than the par value thereof.

Opinion

Based upon and subject to the foregoing and subject to the reservations set out below and to any matters not disclosed to us, we are of the opinion that:-

- (1) Under the laws of the Republic of the Marshall Islands, the Shares have been duly authorized, and when issued in connection with the Merger Agreement, the Shares will be duly and validly issued, fully paid, non-assessable shares of the Company.
- (2) The statements in the Registration Statement contained in the sections “ Marshall Islands Tax Considerations” and “Comparison of Stockholder Rights” in so far as they purport to describe the provisions of the laws of the Republic of the Marshall Islands referred to therein, are accurate and correct in all material respects.

Reservations

We have the following reservations:-

- (a) Enforcement of the obligations of the Company may be limited or affected by applicable laws from time to time in effect relating to bankruptcy, insolvency or liquidation or any other laws or other legal procedures affecting generally the enforcement of creditors’ rights.
- (b) We express no opinion as to any law other than Marshall Islands law and none of the opinions expressed herein relates to compliance with or matters governed by

the laws of any jurisdiction except Marshall Islands. This opinion is limited to Marshall Islands law.

Disclosure

We consent to the filing of this opinion as an exhibit to the Registration Statement and to each reference to us.

This opinion speaks as of its date and is strictly limited to the matters stated herein and we assume no obligation to review or update this opinion if applicable law or the existing facts or circumstances should change.

Yours faithfully

REEDER & SIMPSON P.C.
