On October 1, 2020, Navios Maritime Holdings Inc. (the “Company”) entered into (1) a supplemental indenture (the “Sixth Supplemental Indenture”) to amend the terms of the indenture and related pledge agreements governing its 11.25% senior secured notes due 2022 (“Senior Secured Notes”) following its receipt of consents from bondholders representing a majority in aggregate principal amount (the “Consenting Noteholders”) of the Senior Secured Notes and (2) a consent agreement with the Consenting Noteholders (“Consent Agreement”) whereby the Consenting Noteholders agreed, subject to the satisfaction of certain conditions in the Consent Agreement, to provide their consents, as part of a consent solicitation (the “Consent Solicitation”) to be made by the Company on or before the earlier of (i) 60 days following the consummation of a Qualified IPO (as defined in the Sixth Supplemental Indenture) of Navios South American Logistics Inc. (“NSAL”) or (ii) September 5, 2021 (the “Consent Expiration Date”), to the amendments contained in the form of supplemental indenture (“Form of Supermajority Supplemental Indenture”) attached thereto (which amendments require consent from 66 2/3% of the outstanding Senior Secured Notes affected). No consent fee was paid by the Company to the Consenting Noteholders in connection with the consents obtained to the Sixth Supplemental Indenture or the entry into the Consent Agreement and the Company will not provide a consent fee or other consideration in connection with the Consent Solicitation other than as provided in the Consent Agreement.

The Sixth Supplemental Indenture, among other things, (i) clarifies that all past dividends paid in respect of equity pledged as collateral for the Senior Secured Notes and any future dividends paid in respect of equity pledged as collateral (other than equity of NSAL) can be used by the Company for general corporate purposes, absent a Default or Event of Default, (ii) provides that future dividends paid in respect of equity of NSAL pledged as collateral for the Senior Secured Notes may be used only to redeem or repurchase Senior Secured Notes (including, absent a Default or an Event of Default, at a discount to par), (iii) eliminates the Company’s obligation to make a springing maturity offer for the Senior Secured Notes and (iv) states, for the avoidance of doubt, that the Company may agree to the cancellation of amounts it owes to NSAL under that certain loan agreement dated as of April 25, 2019 (as amended) in lieu of the receipt of pro rata cash dividends from NSAL. The Sixth Supplemental Indenture became effective upon its execution by the Company and the Trustee, but the amendments and waivers contained therein will become operative only upon the occurrence of a Qualified IPO of NSAL.

The Form of Supermajority Supplemental Indenture would further amend the Indenture to permit the Company to use the net proceeds it receives from any sale of NSAL equity in connection with or following a Qualified IPO of NSAL to repurchase Senior Secured Notes at a discount to par in certain circumstances. If (i) the requisite consents to the Form of Supermajority Supplemental Indenture are received in the Consent Solicitation prior to the Consent Expiration Date and (ii) NSAL consummates a Qualified IPO (which requires the Company to generate not less than \$100.0 million in net proceeds from a secondary offering of NSAL equity it owns), the Company would launch and close, within 60 days of the closing of the Qualified IPO, a “reverse Dutch Auction” tender offer to repurchase Senior Secured Notes using such net proceeds at a discounted price to be determined by the Company. Any net proceeds not used to repurchase Senior Secured Notes in the tender offer would be permitted to be retained as trust monies to be used by the Company from time to time to redeem or repurchase (including at a discount to par) Senior Secured Notes. To the extent the Company were to engage in any additional sales of NSAL common shares following the IPO, the net proceeds thereof would be required to be held as trust monies to be used to redeem or repurchase Senior Secured Notes (including at a discount to par), subject to certain conditions, including that if the Company’s 7.375% first priority ship mortgage notes due 2022 have not been repaid or refinanced prior to December 31, 2021 (the “Mandatory Redemption Date”), the Company shall use such trust monies on the Mandatory Redemption Date, together with all other trust monies (other than trust monies representing any remaining net proceeds from the sale of NSAL equity in the IPO) to redeem the Senior Secured Notes at par. The Supermajority Supplemental Indenture would also allow the Company to temporarily release certain equity of NSAL pledged as collateral for purposes of stabilization in NSAL’s Qualified IPO.

There can be no assurance that the Company will receive the additional consents necessary to cause the amendments contemplated by the Form of Supermajority Supplemental Indenture to become effective. The foregoing summary of the terms of the Consent Agreement, Sixth Supplemental Indenture and Form of Supermajority Supplemental Indenture does not purport to be complete, and is subject to the complete terms of each, attached hereto as Exhibits 99.1, 99.2 and 99.3, respectively.

The Consenting Noteholders and Navios are each, a “**Party**”, and collectively, the “**Parties**”).

RECITALS

WHEREAS, Navios issued certain 11.25% Senior Secured Notes due 2022 (the “**Notes**”) pursuant to that certain Indenture dated as of November 21, 2017 (as amended and supplemented through the date hereof, the “**Notes Indenture**”), by and among Navios, the Guarantors (as defined in the Indenture) party thereto, and Wells Fargo Bank, National Association, as Trustee and Collateral Trustee. Capitalized terms used herein and not otherwise defined have the meaning ascribed to such terms in the Notes Indenture;

WHEREAS, the Initial Consenting Noteholders and Navios have negotiated the terms and conditions of certain amendments and waivers to the Notes Indenture as reflected in the Sixth Supplemental Indenture executed contemporaneously with the execution of this Agreement (the “**Sixth Supplemental Indenture**”); and

WHEREAS, the Initial Consenting Noteholders and Navios have negotiated the terms and conditions of certain amendments to the Notes Indenture as reflected in the form of supplemental indenture attached as Exhibit A hereto (the “**Supermajority Supplemental Indenture**”).

NOW, THEREFORE, in consideration of the foregoing, the Parties agree as follows:

AGREEMENT

Section 1. Means For Effectuating the Supermajority Supplemental Indenture. On the terms and subject to the conditions set forth in this Agreement, Navios shall undertake a consent solicitation (the “**Consent Solicitation**”) seeking consents from holders of the Notes to the Supermajority Supplemental Indenture.

Section 2. Consideration. The Parties hereby acknowledge and agree that in connection with the Consent Solicitation, Navios shall not pay and no holder of the Notes will be entitled to receive, for its consent to the amendment to the Notes Indenture and for the other treatment and transactions being solicited in the Consent Solicitation, consideration (whether in cash, securities or otherwise) other than any consideration provided in this Agreement; provided, however, that Navios may conduct a tender offer to repurchase Notes at a discount to par (the “**Tender Offer**”) simultaneously with the Consent Solicitation, which may require holders of Notes accepting such Tender Offer to deliver consents to the Supermajority Supplemental Indenture as a condition thereto.

Section 3. Commitments of the Consenting Noteholders.

(a) *Agreement to Vote.* Subject to the conditions contained in paragraph (b) of this Section 3, each Consenting Noteholder agrees severally (and not jointly) that from and after the Agreement Effective Date until the termination of this agreement in accordance with Section 6 hereof (such period the “**Agreement Effective Period**”), it shall, prior to the deadline to deliver consents set forth in the Consent Solicitation, vote, or cause to be voted, in favor of the consents sought in the Consent Solicitation all of the Notes of which such Consenting Holder is the holder of record or the beneficial owner, and will not withdraw such consent. For the avoidance of doubt, no Consenting Noteholder shall be required to participate in or tender their Notes pursuant to the Tender Offer, or any other tender or exchange offer, in connection the delivery of the consents sought in the Consent Solicitation.

(b) *Certain Conditions.* The obligations of each Consenting Noteholder set forth in paragraph (a) of this Section 3 are subject to the conditions that (i) the terms of any applicable agreements or documents implementing the Consent Solicitation (the “**Transaction Documents**”), including, the Supermajority Supplemental Indenture, embody and are consistent in all material respects with this Agreement and (ii) there shall have been no amendment to any Transaction Document inconsistent in any material respect with this Agreement without the prior written consent of Consenting Noteholders holding a majority of the aggregate outstanding principal amount of the Notes (the “**Required Consenting Noteholders**”).

(c) *Transfer of Notes.* Each Consenting Noteholder agrees severally (and not jointly) that, during the Agreement Effective Period, such Consenting Lender shall not, directly or indirectly sell, transfer, use, loan, issue, pledge, hypothecate, assign or otherwise dispose of (“**Transfer**”), in whole or in part, any of the Notes held by it or any option thereon or any right or interest therein (including granting any proxies with respect to any Notes, depositing any Notes into a voting trust or entering into a voting agreement with respect to any Notes), unless the transferee of such Notes (the “**Transferee**”) either (i) is a Consenting Noteholder or (ii) prior to the effectiveness of such Transfer executes and delivers a joinder to this agreement, substantially in the form of Exhibit B hereto (a “**Joinder**”), to (x) Fried, Frank, Harris, Shriver & Jacobson LLP (“**Fried Frank**”) as counsel to Navios, and (y) Stroock & Stroock & Lavan LLP (“**Stroock**”) as counsel to the Initial Consenting Noteholders, in which case the Transferee shall be deemed to be a Consenting Noteholder for purposes of this Agreement. Notwithstanding the foregoing, the restrictions on Transfer set forth in this Section 3(c) shall not apply to the grant of any encumbrances on any Notes in favor of a bank or broker-dealer holding custody of such Notes in the ordinary course of business and which encumbrance is released upon the Transfer of such Notes. Any transfer of Notes by a Consenting Noteholder that does not comply with the procedures set forth in this Agreement shall be void *ab initio* and Navios and each other Consenting Noteholder shall have the right to enforce the voiding of such Transfer.

(d) *Qualified Marketmaker*. Notwithstanding anything herein to the contrary: (i) any Consenting Noteholder may Transfer any of its Notes to an entity that is acting in its capacity as a Qualified Marketmaker without the requirement that the Qualified Marketmaker be or become a Consenting Noteholder; provided, however, that the Qualified Marketmaker subsequently Transfers all rights, title and interest in such Notes to a Transferee that is or becomes a Consenting Noteholder as provided above, and the Transfer documentation between the transferor Consenting Noteholder and such Qualified Marketmaker shall contain a requirement that provides as such; and (ii) to the extent any Consenting Noteholder is acting in its capacity as a Qualified Marketmaker, it may Transfer any Notes that it acquires from a holder of such Notes that is not a Consenting Noteholder without the requirement that the Transferee be or become a Consenting Noteholder. Notwithstanding the foregoing, if, at the time of the proposed Transfer of any Notes to a Qualified Marketmaker, such Notes (x) may be voted in the Consent Solicitation, the proposed transferor Consenting Noteholder must first vote such Notes in accordance with the requirements of Section 3(a) hereof, or (y) have not yet been and may not yet be voted in the Consent Solicitation and such Qualified Marketmaker does not Transfer such Claims and Interests to a subsequent Transferee prior to the fifth (5th) Business Day prior to the expiration of the deadline to vote in the Consent Solicitation (such date, the “**Qualified Marketmaker Joinder Date**”), such Qualified Marketmaker shall be required to (and the Transfer documentation between the transferor Consenting Lender and such Qualified Marketmaker shall have provided that the Qualified Marketmaker shall), on the first (1st) Business Day immediately following the Qualified Marketmaker Joinder Date, become a Consenting Noteholder with respect to such Notes in accordance with the terms hereof and vote such Notes in accordance with the requirements of Section 3(a) hereof (provided, that the Qualified Marketmaker shall automatically, and without further notice or action, no longer be a Consenting Noteholder with respect to such Notes at such time that a subsequent Transferee of such Notes becomes a Consenting Noteholder with respect to such Notes). For purpose of this Agreement, a “**Qualified Marketmaker**” means an entity that: (i) holds itself out to the market as standing ready in the ordinary course of business to purchase from and sell to customers Notes, or enter with customers into long and/or short positions in Notes, in its capacity as a dealer or market maker in such Notes, and (ii) is in fact regularly in the business of making a market in claims, interests and/or securities of issuers or borrowers.

(e) *Additional Notes*. This Agreement shall in no way be construed to preclude Consenting Noteholders from acquiring additional Notes; provided, however, that (a) such additional Notes shall automatically and immediately upon acquisition by a Consenting Noteholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to Fried Frank or Stroock) and (b) such Consenting Noteholder must provide notice of such acquisition to Fried Frank and Stroock, within five (5) Business Days of such acquisition.

(f) *Commitments, Representations and Warranties of an Investment Advisor*. It is understood and agreed that the covenants, representations and warranties in this Agreement made by a Consenting Noteholder that is an investment advisor, subadvisor or manager of a beneficial owner of Notes are made with respect to, and on behalf of, such beneficial owner and not such investment manager, advisor, or subadvisor or any other affiliate thereof, and, if applicable, are made severally (and not jointly) with respect to the investment funds, accounts, and other investment vehicles managed by such investment manager, advisor, or subadvisor.

Section 4. Commitments of Navios.

(a) *Consummation of the Consent Solicitation.* Navios will consummate the Consent Solicitation prior to or simultaneously with the Tender Offer and in no event later than the earlier of (i) 60 days following the consummation of a Qualified IPO (as defined in the Sixth Supplemental Indenture) and (ii) September 5, 2021 (the “*Outside Date*”).

(b) *Transaction Expenses.* Navios agrees that it shall pay the reasonable and documented fees, costs and expenses (together with expenses paid at the time of the execution of the Sixth Supplemental Indenture) of up to \$400,000 of Stroock as counsel to the Initial Consenting Noteholders, in connection with the negotiation, formulation, preparation, execution, delivery, implementation, consummation and/or enforcement of this Agreement, the Consent Solicitation and any of the other Transaction Documents, and the transactions contemplated thereby, or any amendments, waivers, consents, supplements or other modifications to any of the foregoing, promptly upon receipt of invoices therefor.

Section 5. Representations and Warranties.

(a) *Representation of Consenting Noteholders’ Holdings.* Each Consenting Noteholder, severally and not jointly, represents on its own behalf that, as of the date such Consenting Noteholder executes and delivers this Agreement (or a Joinder, as applicable), it is the beneficial owner and/or the investment adviser or manager of discretionary accounts for the holders or beneficial owners of the aggregate principal amount of the Notes set forth on the signature page under its name, with the power to vote and dispose of such Notes on behalf of such holders or beneficial owners.

(b) *Mutual Representations, Warranties, and Covenants.* Each of the Parties (severally and not jointly as to the Consenting Noteholders and jointly and severally as to Navios) represents, warrants, and covenants to the others, as of the date of this Agreement, as follows (each of which is a continuing representation, warranty, and covenant):

(i) *Power and Authority.* It is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Except as expressly provided in this Agreement, it has all requisite power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement.

(ii) *Due Authorization.* The execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary action on its part.

(iii) *Enforceability.* This Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable laws relating to or limiting creditor’s rights generally or by equitable principles relating to enforceability.

(iv) *No Conflicts*. None of the execution and delivery of this Agreement by it, the consummation of the transactions contemplated hereby and compliance with the terms hereof by such Party will conflict with, result in any breach or violation of, or default under (x) its charter or bylaws (or other similar governing documents) or those of any of its subsidiaries, (y) any material contractual obligations to which it is a party, or (z) any provision of law, rule or regulation applicable to it or any of its subsidiaries.

(v) *No Consent or Approval*. Except as expressly provided in this Agreement, no consent or approval is required by any other person or entity in order for it to carry out the transactions contemplated by this Agreement.

Section 6. Termination Events.

(a) *Consenting Noteholder Termination Events*. The Required Consenting Noteholders may terminate this Agreement as to all Parties, and such termination shall become effective immediately upon written notice being delivered to Navios by the Required Consenting Noteholders, at any time upon the occurrence and during the continuation of any of the following events:

(i) the breach in any material respect by Navios of any of the representations, warranties or covenants set forth in this Agreement;

(ii) the occurrence of any event, change, effect, occurrence, development, circumstance, condition, result, state of fact or change of fact (each an “*Event*”) than, following the Agreement Effective Date, individually or together with all other Events, has had, or would reasonably be expected to have, a material adverse effect on either (i) the business, operations, finances, properties, conditions (financial or otherwise), assets or liabilities of (x) Navios and its Restricted Subsidiaries taken as a whole, or (y) NSAL and its subsidiaries, taken as a whole, or (ii) the ability of (x) Navios and its Restricted Subsidiaries, taken as a whole, to perform their respective obligations under, or to consummate the transactions contemplated by, this Agreement or (y) NSAL to consummate a “Qualified IPO” (as defined in the Sixth Supplemental Indenture).

(iii) the occurrence of (x) any “Default”, “Event of Default” or acceleration event under the Notes Indenture (it being agreed that a Default or Event of Default resulting from the “Waived Defaults” (as defined in the Sixth Supplemental Indenture) will not be alleged by the Consenting Noteholders during the Agreement Effective Period) or (y) any event that would constitute a “Default” or “Event of Default” under the Indenture as if the Sixth Supplemental Indenture were operative as of the date of this Agreement; or

(iv) if (x) the Consent Solicitation has not been consummated in accordance with the terms set forth herein or (y) the conditions thereto have not been satisfied or waived, in each case on or before the Outside Date (in each case other than as a result of any action or inaction by the Consenting Noteholders); or

(v) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling or order enjoining the consummation of the Consent Solicitation or any of the transactions contemplated thereunder.

(b) *Company Termination Events.* Navios may terminate this Agreement as to all Parties, and such termination shall become effective upon delivering written notice to the Consenting Noteholders upon the occurrence of any of the following events:

(i) the breach in any material respect by any Consenting Noteholder of any of the representations, warranties or covenants of such Consenting Noteholder set forth in this Agreement such that the Consenting Noteholders not then in breach of the Agreement hold less than a majority of the aggregate outstanding principal amount of the Notes;

(ii) if (x) the Consent Solicitation has not been consummated in accordance with the terms set forth herein or (y) the conditions thereto have not been satisfied or waived, in each case on or before the Outside Date (in each case other than as a result of any action or inaction by Navios);

(iii) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling or order enjoining the consummation of the Consent Solicitation or any of the transactions contemplated thereunder.

(c) *Mutual Termination.* This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among Navios and the Required Consenting Noteholders.

(d) *Automatic Termination.* The obligations of all Parties hereunder, shall automatically terminate without any further notice or action on the earliest to occur of (i) the consummation of the Consent Solicitation, and (ii) the Outside Date.

(e) *Effect of Termination.* Upon termination of this Agreement, each Party hereto shall be released from its commitments, undertakings and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, and shall be entitled to take all actions that it would have been entitled to take, had it not entered into this Agreement. Upon any such termination and except as expressly set forth in this Agreement, there shall be no liability or obligation on the part of any such applicable Party under or related to this Agreement. Notwithstanding the foregoing, in no event shall any such termination relieve any such applicable Party from: (i) liability for its breach or non-performance of its obligations under this Agreement before the date of such termination; or (ii) any obligations under this Agreement which expressly survive any such termination under this Agreement, including, without limitation, pursuant to Section 8(m) of this Agreement. Upon the occurrence of any termination of this Agreement, any and all consents tendered by the Consenting Noteholders prior to such termination shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by Navios in connection with the Consent Solicitation.

Section 7. Effectiveness; Amendments. This Agreement shall become effective and binding upon each of the Parties on the date that counterpart signature pages have been executed and delivered by (x) Navios and (y) Initial Consenting Noteholders holding at least a majority of the aggregate outstanding principal amount of the Notes (such the “**Agreement Effective Date**”). Once effective, this Agreement may not be modified, amended, supplemented or otherwise altered (except as expressly provided herein), and no term or condition may be waived, except in a writing signed by Navios and the Required Consenting Noteholders. With respect to a Consenting Noteholder that becomes a party to this Agreement by executing and delivering a Joinder after the Agreement Effective Date, this Agreement shall become effective as to such Consenting Noteholder at the time such Joinder is executed and delivered as provided herein.

Section 8. Miscellaneous.

(a) *Further Assurances.* The Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be appropriate or necessary, from time to time, to effectuate the Consent Solicitation, whether the same occurs before or after the date of this Agreement and further agree not to take any actions inconsistent herewith.

(b) *Complete Agreement.* This Agreement is the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, between the Parties with respect thereto. No claim of waiver, modification, consent or acquiescence with respect to any provision of this Agreement shall be made against any Party, except on the basis of a written instrument executed by or on behalf of such Party.

(c) *Parties.* This Agreement shall be binding upon, and inure to the benefit of, the Parties. Nothing in this Agreement, express or implied, shall give to any person or entity, other than the Parties, any benefit or any legal or equitable right, remedy or claim under this Agreement.

(d) *Relationship Among Consenting Noteholders.* The agreements, representations and obligations of the Consenting Noteholders under this Agreement are, in all respects, several and not joint. It is understood and agreed that no Consenting Noteholder owes any duty of trust or confidence of any kind or form to any other Party, and, except as expressly provided in this Agreement, there are no commitments among or between them. In this regard, it is understood and agreed that any Consenting Noteholder may trade in the Notes without the consent of any other Party, subject to applicable securities laws and the terms of this Agreement; provided, however, that no Consenting Noteholder shall have any responsibility for any such trading to any other entity by virtue of this Agreement. No prior history, pattern or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. No Consenting Noteholder shall, as a result of its entering into and performing its obligations under this Agreement, be deemed to be part of a “group” (as that term is used in Section 13(d) of the Exchange Act) with any other Party. For the avoidance of doubt, no action taken by a Consenting Noteholder pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Parties that the Consenting Noteholders are in any way acting in concert or as such a “group.”

(e) *No Waiver.* Nothing herein is intended to, or does, in any manner, waive, limit, impair, or restrict the ability of any of the Consenting Noteholders to protect, prosecute, enforce or preserve any of their respective rights, remedies, claims and/or interests whether under the Notes Indenture or otherwise under applicable law or, subject to Section 3, to enter into any transactions concerning the Notes. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

(f) *Injunctive Relief.* The Parties agree that damages at law would be an inadequate remedy for the breach of any of the promises and agreements contained in this Agreement, and, accordingly, each non-breaching Party hereto shall be entitled to injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) with respect to any such breach, including, without limitation, specific performance of such promises or agreements (including without limitation, consent by the Consenting Noteholders to the execution of the Supermajority Supplemental Indenture) or an order enjoining a party from any threatened, or from the continuation of any actual, breach of the promises or agreements contained in this Agreement. The rights set forth in this Section 8(f) shall be in addition to any other rights which a Party may have at law or in equity pursuant to this Agreement.

(g) *GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM; WAIVER OF TRIAL BY JURY.* THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CHOICE OF LAWS PRINCIPLES THEREOF. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement exclusively in the United States District Court for the Southern District of New York or any New York State court sitting in New York City (the “**Chosen Courts**”), and solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts and (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

(h) *Execution of Agreement.* This Agreement may be executed and delivered (by facsimile, electronic mail or otherwise) in any number of counterparts, each of which, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Counterpart signatures of this Agreement executed by the Consenting Noteholders shall be delivered to (x) other Consenting Noteholder in a redacted form that removes the individual holdings information of the Consenting Noteholders and (y) to Navios, Fried Frank or Stroock shall in unredacted form.

(i) *Representation by Counsel.* Each Party acknowledges that it has been represented by, or has been provided a reasonable period of time to obtain access to and advice by, counsel with respect to this Agreement. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(j) *Headings*. The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit or aid in the construction or interpretation of any term or provision hereof.

(k) *Interpretation*. This Agreement is the product of negotiations between Navios and the Consenting Noteholders, and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. The words “hereof,” “herein” and “hereunder” and words of like import used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation”, whether or not they are in fact followed by those words or words of like import. References to any agreement or contract are to that agreement or contract as amended, modified or supplemented from time to time in accordance with the terms hereof and thereof. References to any person or entity include the successors and permitted assigns of that person or entity. References from or through any date mean, unless otherwise specified, from and including or through and including, respectively. Except to the extent expressly provided herein, all references to a Consenting Noteholder shall be deemed to refer solely to such person or entity in its capacity as holder of Notes and not in any other capacity.

(l) *Successors and Assigns*. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, heirs, executors, administrators and representatives, other than a trustee or similar representative appointed in a bankruptcy case. No rights or obligations under this Agreement of (x) Navios may be assigned or transferred without written consent of the Required Consenting Noteholders or (y) any Consenting Noteholder may be assigned or transferred to any other person or entity except as provided in Section 3 hereof.

(m) *Survival*. SIXTH SUPPLEMENTAL INDENTURE (this “**Supplemental Indenture**”), dated as of October 1, 2020, is entered into by and among Navios Maritime Holdings Inc., a corporation organized under the laws of the Republic of the Marshall Islands (the “**Company**”), Navios Maritime Finance II (US) Inc., a corporation organized under the laws of the State of Delaware (“**Navios Finance**” and, together with the Company, the “**Co-Issuers**”), the Guarantors (as defined in the Indenture referred to herein) and Wells Fargo Bank, National Association (or its permitted successor) as trustee (the “**Trustee**”) and as collateral trustee (the “**Collateral Trustee**”), in each case under the Indenture referred to below.

W I T N E S S E T H

WHEREAS, the Co-Issuers and the Guarantors have heretofore executed and delivered to the Trustee and the Collateral Trustee an indenture (as amended and supplemented through the date hereof, the “**Existing Indenture**” and as amended by this Supplemental Indenture, the “**Indenture**”), dated as of November 21, 2017, providing for the issuance of 11.25% Senior Secured Notes due 2022 (the “**Notes**”);

WHEREAS, Section 9.01(1) of the Existing Indenture provides that the Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee, as applicable, may amend, waive, supplement or otherwise modify the Existing Indenture, the Notes, the Note Guarantees, any Security Document or any other agreement or instrument entered into in connection with the Existing Indenture without notice to or consent of any Holder to cure any ambiguity, omission, mistake, defect or inconsistency;

WHEREAS, Section 9.02(a) of the Existing Indenture provides that the Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee may amend or supplement certain of the provisions of the Existing Indenture, the Notes and the Note Guarantees and any Security Document with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding and any existing Default or Event of Default or compliance with any provision of the Existing Indenture, the Notes, the Note Guarantees or the Security Documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes;

WHEREAS, the Co-Issuers have requested that Holders of the Notes deliver their consents to add, modify and waive certain covenants and events of default contained in the Existing Indenture and supplement and clarify certain provisions relating to the scope of Collateral (including the ability of the Co-Issuers and the Restricted Subsidiaries to use the “proceeds” of Pledged Shares absent a Default or Event of Default) under the Existing Indenture;

WHEREAS, Holders of a majority in aggregate principal amount of the Notes outstanding (determined as provided for by the Existing Indenture) have duly consented in writing to the proposed amendments, waivers, supplements and clarifications as set forth in this Supplemental Indenture in accordance with Section 9.02(a) of the Existing Indenture;

WHEREAS, all other conditions precedent provided under the Existing Indenture to permit the Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee to enter into this

Supplemental Indenture have been satisfied, in each case, as certified by an Officer's Certificate and Opinion of Counsel delivered to the Trustee and the Collateral Trustee on the date hereof;

WHEREAS, this Supplemental Indenture shall be effective upon its execution by the Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee;

WHEREAS, the Co-Issuers have requested the Trustee and the Collateral Trustee to join with them in entering into this Supplemental Indenture for the purpose of amending the Existing Indenture to add, modify and waive certain covenants and events of default contained in the Existing Indenture and to supplement and clarify certain provisions relating to the scope of Collateral under the Existing Indenture, in each case as permitted by Sections 9.01(1) or 9.02(a) of the Existing Indenture; and

WHEREAS, pursuant to Sections 9.01 and 9.02 of the Existing Indenture, the Trustee and the Collateral Trustee are authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

1. **CAPITALIZED TERMS.** Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. **AMENDMENTS TO EXISTING INDENTURE.** At, and subject to the occurrence of, the Operative Time, the Existing Indenture is restated in the form of the Indenture attached hereto as Exhibit A.
3. **AMENDMENT OF NOTES.** At, and subject to the occurrence of, the Operative Time, any of the terms or provisions present in the Notes that relate to any of the provisions of the Existing Indenture as amended by this Supplemental Indenture shall also be amended, *mutatis mutandis*, so as to be consistent with the amendments made by this Supplemental Indenture.
4. **AMENDMENTS TO PLEDGE AGREEMENTS.** At, and subject to the occurrence of, the Operative Time, each of the (i) Pledge Agreement, dated as of November 21, 2017 (as amended or supplemented through the date hereof, the "**Navios Corporation Pledge Agreement**"), by and between Navios Corporation and the Collateral Trustee and (ii) Pledge Agreement, dated as of November 21, 2017 (as amended or supplemented through the date hereof, the "Alpha Merit Pledge Agreement" and, together with the Navios Corporation Pledge Agreement, the "**Pledge Agreements**"), by and between Alpha Merit Corporation and the Collateral Trustee are hereby amended by (a) replacing the phrase "**The Pledged Share Collateral Guarantor shall not**" at the beginning of Section 5(b) with "Except as expressly set forth herein, including pursuant to Section 6, the Pledged Share Collateral Guarantor shall not" and (b) deleting Section 6 thereof and replacing it with the following:

Prior to the occurrence and continuance of an Event of Default, the Pledged Share Collateral Guarantor shall be permitted to receive, retain and utilize all dividends, interest,

distributions, cash, instruments or other payments or other distributions paid by each Pledged Company solely in the manner, and to the extent, set out in the Indenture in respect of the Pledged Share Collateral, and to exercise all voting, corporate rights and other consensual rights and powers with respect to the Pledged Shares or any part thereof, provided, however, that the Pledged Share Collateral Guarantor agrees that it shall not vote in any way which would result in any violation of any provision of the Indenture, the Notes or any other Security Document or which would materially impair the Collateral. The Collateral Trustee shall, at the sole cost and expense of the Pledged Share Collateral Guarantor, execute and deliver (or cause to be executed and delivered) to the Pledged Share Collateral Guarantor all proxies and other instruments as the Pledged Share Collateral Guarantor may reasonably request for the purpose of enabling the Pledged Share Collateral Guarantor to (i) exercise the voting and other rights that it is entitled to exercise pursuant to this Section 6 and (ii) to receive, retain and utilize the dividends, interest, distributions, cash, instruments or other payments or distributions which it is authorized to receive, retain and utilize pursuant to the Indenture and this Section 6.

5. **WAIVER OF DEFAULTS.** At, and subject to the occurrence of, the Operative Time, any Defaults, Events of Default or other defaults (in each case, whether actual or alleged) relating to any dividend or distribution paid in respect of Pledged Shares or any use of Pledged Share Collateral prior to the date of this Supplemental Indenture (collectively, “**Waived Defaults**”) are hereby irrevocably waived in all respects. At, and subject to the occurrence of, the Operative Time, each Holder hereby agrees to waive its right to request the acceleration of the Indenture pursuant to Section 6.02 thereof with respect to (i) any of the Waived Defaults and (ii) non-compliance with any term of the Existing Indenture that is or that purports to be amended by this Supplemental Indenture (including without limitation, relating to the Co-Issuer and their Restricted Subsidiaries’ receipt, retention and utilization of the Specified Proceeds) in the event such amendment were to be found invalid or unenforceable. At, and subject to the occurrence of, the Operative Time, each Holder and every subsequent Holder of each series of Notes shall be bound by the foregoing waivers, even if notation of the waiver is not made on the Notes.

6. **EFFECT AND OPERATION OF SUPPLEMENTAL INDENTURE.**

(a) This Supplemental Indenture shall become effective and binding immediately upon its execution by the Co-Issuers, the Guarantors and the Trustee, and thereupon this Supplemental Indenture shall form a part of the Indenture for all purposes, and every Note and Note Guarantee heretofore or hereafter authenticated and delivered under the Indenture shall be bound hereby, provided however, notwithstanding anything in the Existing Indenture or this Supplemental Indenture to the contrary, the amendments and waivers set forth in this Supplemental Indenture shall become operative only upon, and shall (other than as specified in Section 6(b) of this Supplemental Indenture) have no force and effect prior to the occurrence of, a Qualified IPO (the “**Operative Time**”) closing on or prior to September 5, 2021 (the “**Outside Date**”); provided, however, that if Navios Logistics has provided notice to the Company that it has determined not to proceed with a Qualified IPO prior to the Outside Date, the Outside Date shall mean the date of such determination. The Co-Issuers shall give the Trustee and the Collateral Trustee prompt written notice of either (x) such amendments and waivers becoming operative or (y) the failure of the Operative Time to occur prior to the Outside Date. For the avoidance of doubt, in the event that the Operative Time shall fail to occur prior to the Outside Date (including

as a result of Navios Logistics' determination not to proceed with a Qualified IPO closing on or prior to September 5, 2021), from and after the Outside Date, the amendments and waivers set forth in this Supplemental Indenture shall have no force or effect and all rights are reserved with respect to the Waived Defaults and any other Default or Event of Default contemplated by Section 5 of this Supplemental Indenture.

(b) From the date of this Supplemental Indenture to the later of the (x) Operative Time and (y) the Outside Date, any failure by the Company or any of its Restricted Subsidiaries to comply with any covenants that are not yet effective, but will become effective following the Operative Time, other than the amendments reflected in Section 4.13(II)(a) of Exhibit A, shall be deemed a Default or an Event of Default, as applicable, as if the Operative Time had occurred (it being understood that (i) following the Operative Time, the existence of such Default or Event of Default that has occurred and is continuing shall continue and (ii) if the Operative Time does not occur on or prior to the Outside Date, such Default or Event of Default shall (other than any Waived Defaults) no longer be deemed continuing).

7. INDENTURE AND SUPPLEMENTAL INDENTURE CONSTRUED TOGETHER. This Supplemental Indenture is an indenture supplemental to, and in implementation of, the Existing Indenture, and the Existing Indenture and this Supplemental Indenture shall henceforth be read and construed together.

8. NO PERSONAL LIABILITY OF DIRECTORS, OFFICERS, EMPLOYEES AND STOCKHOLDERS. No past, present or future director, officer, employee, incorporator or stockholder of the Co-Issuers or any Guarantor, as such, shall have any liability for any obligations of the Co-Issuers or such Guarantor under the Notes, the Note Guarantees, the Existing Indenture, as amended by this Supplemental Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

9. NEW YORK LAW TO GOVERN. THIS SUPPLEMENTAL INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO CONFLICTS OF LAW PRINCIPLES TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

10. SEVERABILITY. In case any provision in this Supplemental Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

11. COUNTERPARTS. The parties may sign any number of copies of this Supplemental Indenture, including via PDF. Each signed copy shall be an original, but all of them together represent the same agreement.

12. EFFECT OF HEADINGS. The Section headings herein are for convenience only and shall not affect the construction hereof.

13. THE TRUSTEE AND THE COLLATERAL TRUSTEE. The Trustee and the Collateral Trustee shall not be responsible in any manner whatsoever for or in respect of the

validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Co-Issuers. The rights, protections and indemnities provided to the Trustee and the Collateral Trustee under the Indenture shall apply to any action (or inaction) of the Trustee and Collateral Trustee in connection herewith, including in connection with the execution and delivery of this Supplemental Indenture.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. The Co-Issuers shall approve the form of the Notes and any notation, legend or endorsement on them. Each Note shall be dated the date of its issuance and show the date of its authentication. Each Note shall have an executed Notation of Guarantee from each of the Guarantors existing on the Issue Date endorsed thereon substantially in the form of Exhibit E.

The terms and provisions contained in the Notes and the Note Guarantees shall constitute, and are hereby expressly made, a part of this Indenture and, to the extent applicable, the Co-Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Notes offered and sold in reliance on Rule 144A shall be issued initially in the form of a single permanent global Note in registered form, substantially in the form set forth in Exhibit A (the “**144A Global Note**”), deposited with the Trustee, as custodian for the Depository, duly executed by the Co-Issuers (and having an executed Notation of Guarantee from each of the Guarantors existing on the Issue Date endorsed thereon) and authenticated by the Trustee as hereinafter provided and shall bear the legends set forth in Exhibit B.

One Officer of a Guarantor (who shall have been duly authorized by all requisite corporate actions) shall sign the Notation of Guarantee for such Guarantor by manual or facsimile signature.

An authenticating agent has the same rights as an Agent to deal with the Co-Issuers and Affiliates of the Co-Issuers. The Trustee shall have the right to decline to authenticate and deliver any Notes under this Indenture if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith shall determine that such action would expose the Trustee to personal liability.

If Global Notes shall at any time be authenticated and delivered in any new name of a Surviving Entity pursuant to this Section 2.02 in exchange or substitution for or upon registration of transfer of any Notes, such Surviving Entity, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

The Co-Issuers shall require each Paying Agent other than the Trustee or the Company or any Subsidiary of the Company to agree in writing that each Paying Agent shall hold in trust for the benefit of Holders or the Trustee all assets held by the Paying Agent for the payment of principal of, premium, if any, or interest on, the Notes (whether such assets have been distributed to it by the Co-Issuers or any other obligor on the Notes), and shall notify the Trustee of any Default by the Co-Issuers (or any other obligor on the Notes) in making any such payment. The Co-Issuers at any time may require a Paying Agent to distribute all assets held by it to the Trustee and account for any assets disbursed and the Trustee may at any time during the continuance of any Payment Default, upon written request to a Paying Agent, require such Paying Agent to distribute all assets held by it to the Trustee and to account for any assets distributed. Upon distribution to the Trustee of all assets that shall have been delivered by the Co-Issuers to the Paying Agent, the Paying Agent (if other than the Company or a Subsidiary of the Company) shall have no further liability for such assets. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Co-Issuers, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with Trust Indenture Act Section 312(a) as if the Trust Indenture Act applied to this Indenture. If the Trustee is not the Registrar, the Co-Issuers shall furnish to the Trustee at least seven (7) Business Days prior to each Interest Payment Date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Holders, which list may be conclusively relied upon by the Trustee.

SECTION 2.06. Transfer and Exchange.

Subject to Sections 2.15 and 2.16, when Notes are presented to the Registrar with a request to register the transfer of such Notes or to exchange such Notes for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if its requirements for such transaction are met; *provided, however*, that the Notes surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Co-Issuers and the Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Co-Issuers shall execute and the Trustee shall authenticate Notes at the Registrar's request. No service charge shall be made for any registration of transfer or exchange, but the Co-Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith.

The Co-Issuers shall not be required and, without the prior written consent of the Co-Issuers, the Registrar shall not be required to register the transfer of or exchange of any Note (i) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing, (ii) selected for redemption in whole or in part pursuant to Article Three, except the unredeemed portion of any Note being redeemed in part, (iii) that has been tendered (and not validly withdrawn) in a Change of Control Offer, and (iv) beginning at the opening of business on any Record Date and ending on the close of business on the related Interest Payment Date.

Any Holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Notes may be effected only through a book-entry system maintained by the Holder of such Global Note (or its agent) in accordance with the applicable legends thereon, and that ownership of a beneficial interest in the Note shall be required to be reflected in a book-entry system.

SECTION 2.07. Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Co-Issuers shall issue and the Trustee shall authenticate a replacement Note if the Trustee's requirements are met. Such Holder must provide evidence satisfactory to the Trustee of such loss, destruction or wrongful taking, and an indemnity bond, surety or other indemnity, sufficient in the judgment of both the Co-Issuers and the Trustee, to protect the Co-Issuers, the Trustee or any Agent from any loss which any of them may suffer if a Note is replaced. The Co-Issuers and the Trustee may charge such Holder for their respective reasonable out-of-pocket expenses in replacing a Note pursuant to this Section 2.07, including reasonable fees and expenses of counsel.

Every replacement Note is an additional obligation of the Co-Issuers and every replacement Notation of Guarantee shall constitute an additional obligation of the Guarantor thereof.

SECTION 2.08. Outstanding Notes.

Notes outstanding at any time are all the Notes that have been authenticated by the Trustee except those cancelled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Note does not cease to be outstanding because a Co-Issuer, a Guarantor or any of their respective Affiliates holds the Note (subject to the provisions of Section 2.09).

If a Note is replaced pursuant to Section 2.07 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Co-Issuers and a Responsible Officer of the Trustee receive written proof satisfactory to them that the replaced Note is held by a bona fide purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.07.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest ceases to accrue thereon. If on a Redemption Date or the Maturity Date the Trustee or Paying Agent (other than the Company or an Affiliate thereof) holds U.S. Legal Tender or non-callable U.S. Government Securities sufficient to pay all of the principal and interest due on the Notes payable on that date, then on and after that date such Notes cease to be outstanding and interest ceases to accrue thereon.

SECTION 2.09. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Co-Issuers or any of their Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in conclusively relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be disregarded.

SECTION 2.10. Temporary Notes.

Until definitive Notes are ready for delivery, the Co-Issuers may prepare and the Trustee shall, upon receipt of an authentication order, authenticate and deliver temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Co-Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Co-Issuers shall prepare and the Trustee shall authenticate and deliver definitive Notes in exchange for temporary Notes in equal principal amounts. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes. Notwithstanding the foregoing, so long as the Notes are represented by a Global Note, such Global Note may be in typewritten form.

SECTION 2.11. Cancellation.

A Co-Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for transfer, exchange or payment. The Trustee, or at the direction of the Trustee, the Registrar or the Paying Agent (other than the Company or a Subsidiary), and no one else, shall cancel and, at the written direction of the Co-Issuers, shall dispose of all Notes surrendered for transfer, exchange, payment or cancellation in accordance with its customary procedures. Subject to Section 2.07, the Co-Issuers may not issue new Notes to replace Notes that it has paid or delivered to the Trustee for cancellation. If a Co-Issuer or any Guarantor shall

acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.11.

SECTION 2.12. Defaulted Interest.

If the Co-Issuers default in a payment of interest, if any, on the Notes, they shall pay the defaulted interest, plus (to the extent lawful) any interest payable on the defaulted interest, in any lawful manner, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Co-Issuers may pay the defaulted interest to the persons who are Holders on a subsequent special record date, which date shall be the 15th day next preceding the date fixed by the Co-Issuers for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. At least 15 days before any such subsequent special record date, the Co-Issuers or, at the Co-Issuers' request, the Trustee, shall deliver electronically or mail to each Holder, with a copy to the Trustee, a notice that states the subsequent special record date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid.

SECTION 2.13. CUSIP and ISIN Numbers.

The Co-Issuers in issuing the Notes may use "CUSIP" or "ISIN" numbers, and if so, the Trustee shall use the "CUSIP" or "ISIN" numbers in notices of redemption or exchange as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness or accuracy of the "CUSIP" or "ISIN" numbers printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Co-Issuers shall promptly notify the Trustee in writing of any change in the "CUSIP" or "ISIN" numbers.

SECTION 2.14. Deposit of Moneys.

Subject to Section 2 of the Notes, prior to 12:00 p.m. New York City time on each Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date, Asset Sale Payment Date, Springing Maturity Payment Date, Collateral Sale Payment Date and Event of Loss Payment Date, the Co-Issuers shall have deposited with the Paying Agent (or the Collateral Trustee, as applicable) in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date, Asset Sale Payment Date, Springing Maturity Payment Date, Collateral Sale Payment Date and Event of Loss Payment Date, as the case may be, in a timely manner which permits the Paying Agent to remit payment to the Holders on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date, Asset Sale Payment Date, Springing Maturity Payment Date, Collateral Sale Payment Date and Event of Loss Payment Date, as the case may be.

SECTION 2.15. Book-Entry Provisions for Global Notes.

(a) The Global Notes initially shall (i) be registered in the name of the Depository or the nominee of the Depository, (ii) be delivered to the Trustee as custodian for the Depository and (iii) bear legends as set forth in Exhibit B, as applicable.

Members of, or participants in, the Depository ("**Participants**") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Note, and the Depository may be treated by the Co-Issuers, the Trustee and any agent of the Co-Issuers or the Trustee as the absolute owner of the Global Note for all

purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Co-Issuers, the Trustee or any agent of the Co-Issuers or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and Participants, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(b) Transfers of Global Notes shall be limited to transfers in whole, but not in part, to the Depository, its successors and their respective nominees. Interests of Beneficial Owners in the Global Notes may be transferred or exchanged for Physical Notes in accordance with the rules and procedures of the Depository and the provisions of Section 2.16. In addition, Physical Notes shall be transferred to all Beneficial Owners in exchange for their beneficial interests in Global Notes if (i) (a) the Depository notifies the Co-Issuers that it is unwilling or unable to act as Depository for any Global Note or (b) has ceased to be a clearing agency registered under the Exchange Act, and the Co-Issuers so notify the Trustee in writing and a successor Depository is not appointed by the Co-Issuers within 90 days of such notice or (ii) an Event of Default has occurred and is continuing and the Registrar has received a request from any owner of a beneficial interest in a Global Note to issue Physical Notes. Upon any issuance of a Physical Note in accordance with this Section 2.15(b), the Trustee shall register such Physical Note in the name of, and shall cause the same to be delivered to, such person or persons (or the nominee of any thereof). All such Physical Notes shall bear the applicable legends, if any.

(c) In connection with any transfer or exchange of a portion of the beneficial interest in a Global Note to Beneficial Owners pursuant to Section 2.15(b), the Registrar shall (if one or more Physical Notes are to be issued) reflect on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Co-Issuers shall execute, and the Trustee shall authenticate and deliver, one or more Physical Notes of authorized denominations in an aggregate principal amount equal to the principal amount of the beneficial interest in the Global Note so transferred.

(d) In connection with the transfer of a Global Note as an entirety to Beneficial Owners pursuant to Section 2.15(b), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and (i) the Co-Issuers shall execute, (ii) the Guarantors shall execute notations of Note Guarantees on and (iii) the Trustee shall upon written instructions from the Co-Issuers authenticate and deliver, to each Beneficial Owner identified by the Depository in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Physical Notes of authorized denominations.

(e) Any Physical Note constituting a Restricted Security delivered in exchange for an interest in a Global Note pursuant to paragraph (b) or (c) of this Section 2.15 shall, except as otherwise provided by Section 2.16, bear the Private Placement Legend.

(f) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Participants and Persons that may hold interests through Participants, to take any action which a Holder is entitled to take under this Indenture or the Notes.

SECTION 2.16. Special Transfer and Exchange Provisions.

(a) Transfers to QIBs. The following provisions shall apply with respect to the registration of any proposed transfer of a Restricted Security to a QIB:

(i) the Registrar shall register the transfer of any Restricted Security, whether or not such Note bears the Private Placement Legend, if (x) the requested transfer is after the second anniversary of the Issue Date; *provided, however*, that neither the Company nor any Affiliate of the Company has held any beneficial interest in such Note, or portion thereof, at any time on or

prior to the second anniversary of the Issue Date or (y) such transfer is being made by a proposed transferor who has checked the box provided for on the applicable Global Note stating, or has otherwise advised the Co-Issuers and the Registrar in writing, that the sale has been made in compliance with the provisions of Rule 144A to a transferee who has signed the certification provided for on the applicable Global Note stating, or has otherwise advised the Co-Issuers and the Registrar in writing, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Co-Issuers as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(ii) if the proposed transferee is a Participant and the Notes to be transferred consist of Physical Notes which after transfer are to be evidenced by an interest in the 144A Global Note, upon receipt by the Registrar of the Physical Note and written instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall register the transfer and reflect on its book and records the date and an increase in the principal amount of the 144A Global Note in an amount equal to the principal amount of Physical Notes to be transferred, and the Registrar shall cancel the Physical Notes so transferred; and

(iii) if the proposed transferor is a Participant seeking to transfer an interest in the Regulation S Global Note, upon receipt by the Registrar of written instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall register the transfer and reflect on its books and records the date and (A) a decrease in the principal amount of the Regulation S Global Note in an amount equal to the principal amount of the Notes to be transferred and (B) an increase in the principal amount of the 144A Global Note in an amount equal to the principal amount of the Notes to be transferred.

(b) [Reserved].

(c) Transfers to Non-U.S. Persons. The following provisions shall apply with respect to any transfer of a Restricted Security to a Non-U.S. Person under Regulation S:

(i) the Registrar shall register any proposed transfer of a Restricted Security to a Non-U.S. Person upon receipt of a certificate substantially in the form of Exhibit C from the proposed transferor and such certifications, legal opinions and other information as the Trustee or the Co-Issuers may reasonably request; and

(ii) (a) if the proposed transferor is a Participant holding a beneficial interest in the Rule 144A Global Note or the Note to be transferred consists of Physical Notes, upon receipt by the Registrar of (x) the documents required by paragraph (i) and (y) instructions in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and a decrease in the principal amount of the Rule 144A Global Note, in an amount equal to the principal amount of the 144A Global Note to be transferred or cancel the Physical Notes to be transferred, as the case may be, and (b) if the proposed transferee is a Participant, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Regulation S Global Note in an amount equal to the principal amount of the Rule 144A Global Note or the Physical Notes, as the case may be, to be transferred.

(d) Note Delegating. Subject to the requirements of Section 2.16(f), at such time as the Co-Issuers have arranged for the removal of the Private Placement Legend from the Notes in accordance with the Depository's applicable procedures, the Co-Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Global Notes and/or Physical Notes not bearing the Private Placement Legend in an aggregate principal amount equal to the principal amount of the beneficial interests in the Global Notes or Physical Notes, as the case may be, delegated pursuant to the Depository's applicable procedures.

(e) Restrictions on Transfer and Exchange of Global Notes. Notwithstanding any other provisions of this Indenture, a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(f) Private Placement Legend. Upon the transfer, exchange or replacement of Notes not bearing the Private Placement Legend unless otherwise required by applicable law, the Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) there is delivered to the Trustee an Opinion of Counsel reasonably satisfactory to the Co-Issuers and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (ii) such Note has been offered and sold pursuant to an effective registration statement under the Securities Act.

(g) General. By its acceptance of any Note bearing the Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it shall transfer such Note only as provided in this Indenture.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.15 or Section 2.16. The Co-Issuers shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

The Co-Issuers and the Registrar are not required to transfer or exchange any Note selected for redemption, except the unredeemed portion of any Note being redeemed in part.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository, Participants or Beneficial Owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

In connection with any proposed exchange of a Global Note for a Physical Note, the Company or the Depository shall provide or cause to be provided to the Trustee all information reasonably requested by the Trustee that is necessary to allow the Trustee to comply with any applicable tax reporting obligations. The Trustee may rely on information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Trustee shall have no responsibility for the actions or omissions of the Depository, or the accuracy of the books and records of the Depository.

(h) Cancellation and/or Adjustment of Global Note. At such time as all beneficial interests in a particular Global Note have been exchanged for Physical Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Physical Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

SECTION 2.17. Persons Deemed Owners.

Prior to due presentment of a Note for registration of transfer, the Co-Issuers, the Trustee, any Paying Agent, any co-registrar and any Registrar may deem and treat the person in whose name any Note shall be registered upon the register of Notes kept by the Registrar as the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of the ownership or other writing thereon made by anyone other than the Co-Issuers, any co-registrar or any Registrar) for the purpose of receiving all payments with respect to such Note and for all other purposes, and none of the Co-Issuers, the Trustee, any Paying Agent, any co-registrar or any Registrar shall be affected by any notice to the contrary.

SECTION 2.18. Joint and Several Liability.

Except as otherwise expressly provided herein, the Co-Issuers shall be jointly and severally liable for the performance of all obligations and covenants under this Indenture, the Notes and the Security Documents.

ARTICLE THREE

REDEMPTION

SECTION 3.01. Notices to Trustee.

If the Co-Issuers elect to redeem Notes pursuant to Section 5 or Section 7 of the Notes, it shall notify the Trustee in writing of the Redemption Date, the Redemption Price and the principal amount of Notes to be redeemed. The Co-Issuers shall give notice of redemption to the Trustee at least 30 days but not more than 60 days before the Redemption Date (except that a notice issued in connection with a redemption referred to in Article Eight may be more than 60 days before such Redemption Date), together with such documentation and records as shall enable the Trustee to select the Notes to be redeemed.

SECTION 3.02. Selection of Notes To Be Redeemed.

If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption as follows:

(x) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or

(y) if the Notes are not listed on any national securities exchange, on a pro rata basis, by lot or by such method in accordance with the Trustee's customary procedures (or, in the case of Notes issued in global form based on the method required by the Depository, if it is not so required, a method that most nearly approximates a pro rata selection in accordance with the Trustee's customary procedures).

No Notes of \$2,000 or less shall be redeemed in part. The Trustee shall promptly notify the Co-Issuers in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount at maturity thereof to be redeemed or purchased.

SECTION 3.03. Notice of Redemption.

(a) At least 30 days but not more than 60 days before a Redemption Date (except that a notice issued in connection with a redemption referred to in Article Eight may be more than 60 days before such Redemption Date), the Co-Issuers shall deliver electronically or mail or cause to be delivered electronically or mailed a notice of redemption by first class mail, postage prepaid, to each Holder whose Notes are to be redeemed at its registered address. Each notice for redemption shall identify the Notes (including the CUSIP or ISIN number) to be redeemed and shall state:

(1) the Redemption Date;

(2) the Redemption Price and the amount of accrued interest, if any, to be paid;

(3) the name and address of the Paying Agent;

(4) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price plus accrued interest, if any;

(5) that, unless the Co-Issuers default in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Notes is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Notes redeemed;

(6) if any Note is being redeemed in part, the portion of the principal amount at maturity of such Note to be redeemed and that, after the Redemption Date, and upon surrender and cancellation of such Note, a new Note or Notes in aggregate principal amount equal to the unredeemed portion thereof shall be issued in the name of the Holder thereof; *provided* that each new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof;

(7) if fewer than all the Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to

be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption; and

(8) the Section of the Notes or this Indenture, as applicable, pursuant to which the Notes are to be redeemed.

The notice, if given in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. In connection with any redemption of the Notes, any such redemption may, at the Company's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice of redemption is subject to one or more conditions precedent, such notice shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all of such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed. If any such condition precedent has not been satisfied, the Company shall provide written notice to the Trustee prior to the close of business two Business Days prior to the Redemption Date (or such shorter period as may be acceptable to the Trustee). Upon receipt of such notice, the notice of redemption shall be rescinded or delayed, and the redemption of the Notes shall be rescinded or delayed as provided in such notice. Upon receipt, the Trustee shall provide such notice to each Holder in the same manner in which the notice of redemption was given.

(b) At the Co-Issuers' request (which may be given prior to the time at which the Trustee shall have given such notice to Holders), the Trustee shall give the notice of redemption to each Holder in the Co-Issuers' names and at their expense; *provided, however*, that the Co-Issuers shall have delivered to the Trustee, at least 45 days prior to the Redemption Date (unless a shorter time period is agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(a). The notice, if given in the manner provided herein, shall be presumed to have been given, whether or not the Holder receives such notice.

SECTION 3.04. Effect of Notice of Redemption.

Once notice of redemption is given in accordance with Section 3.03, Notes called for redemption become due and payable on the Redemption Date and at the Redemption Price plus accrued interest, if any, subject to the satisfaction of any conditions precedent. Upon surrender to the Trustee or Paying Agent, such Notes called for redemption shall be paid at the Redemption Price (which shall include accrued interest, if any, thereon to, but not including, the Redemption Date), but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record at the close of business on the relevant Record Dates. On and after the Redemption Date, interest, if any, shall cease to accrue on Notes or portions thereof called for redemption unless the Co-Issuers shall have not complied with their respective obligations pursuant to Section 3.05 or any conditions precedent are not satisfied. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price.

On or before 12:00 p.m. New York time on the Redemption Date, the Co-Issuers shall deposit with the Paying Agent U.S. Legal Tender sufficient to pay the Redemption Price plus accrued and unpaid interest, if any, of all Notes (or portions thereof) to be redeemed on that date. The Trustee or the

Paying Agent shall promptly return to the Co-Issuers any money deposited with the Trustee or the Paying Agent by the Co-Issuers in excess of the amounts necessary to pay the Redemption Price (including accrued and unpaid interest, if any) for all Notes to be redeemed. In addition, so long as no payment Default or Event of Default has occurred and is continuing, all money, if any, earned on funds held by the Paying Agent shall be remitted to the Co-Issuers to the extent not applied to payments on the Notes.

SECTION 3.06. Notes Redeemed in Part.

If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note or Notes in principal amount equal to the unredeemed portion of the original Note or Notes shall be issued in the name of the Holder thereof upon surrender and cancellation of the original Note or Notes; *provided* that each new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

SECTION 3.07. Optional Redemption.

The Notes shall be optionally redeemable as set forth in Section 5 and Section 7 of the Notes. Any such redemption shall be made in accordance with the provisions of this Article Three.

ARTICLE FOUR

COVENANTS

SECTION 4.01. Payment of Notes.

The Co-Issuers shall pay the principal of (and premium, if any) and interest on the Notes in the manner provided in the Notes and this Indenture. An installment of principal of, or interest, if any, on, the Notes shall be considered paid on the date it is due if the Trustee or Paying Agent, other than the Company or a Subsidiary of the Company, (or if the Company or any of its Subsidiaries is the Paying Agent, the segregated account or separate trust fund maintained by the Company or such Subsidiary pursuant to Section 2.04) holds on that date as of 12:00 p.m. New York City time U.S. Legal Tender designated for and sufficient to pay the installment. Interest on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

The Co-Issuers shall pay interest on overdue principal (including, without limitation, post-petition interest in a proceeding under any Bankruptcy Law), and overdue interest, if any, to the extent lawful, at the same rate *per annum* borne by the Notes.

SECTION 4.02. Maintenance of Office or Agency.

The Co-Issuers shall maintain the office required under Section 2.03 (which may be an office of the Trustee or an affiliate of the Trustee or Registrar). The Co-Issuers shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Co-Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 13.02.

The Co-Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented for payment or surrendered for any or all such purposes and may from time to time rescind such designations. The Co-Issuers shall give prompt written notice to the

Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Co-Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Co-Issuers in accordance with Section 2.03 of this Indenture.

SECTION 4.03. Corporate Existence.

Except as otherwise permitted by Section 4.13 and Article Five, each Co-Issuer shall do or cause to be done all things reasonably necessary to preserve and keep in full force and effect its corporate existence and the corporate, partnership or other existence of each Restricted Subsidiary in accordance with the respective organizational documents of each such Restricted Subsidiary and the material rights (charter and statutory) and material franchises of each Co-Issuer and each Restricted Subsidiary; *provided, however*, that subject to Article Eleven hereof and the terms of the Security Documents, the Co-Issuers shall not be required to preserve any such right, franchise or corporate existence with respect to itself or any Restricted Subsidiary, if the loss thereof would not, individually or in the aggregate, have a material adverse effect on the Company and the Restricted Subsidiaries, taken as a whole.

SECTION 4.04. Payment of Taxes.

The Co-Issuers and the Guarantors shall, and shall cause each of the Restricted Subsidiaries to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all material taxes, assessments and governmental charges levied or imposed upon them or any of the Restricted Subsidiaries or upon the income, profits or property of them or any of the Restricted Subsidiaries; *provided, however*, that subject to the terms of the applicable Security Documents, the Co-Issuers and the Guarantors shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount the applicability or validity is being contested in good faith by appropriate actions and for which appropriate provision has been made, or any such tax, assessment, charge or claim that would not reasonably be expected to have a material adverse effect on the Co-Issuers and the Guarantors taken as a whole.

SECTION 4.05. Further Assurances.

The Co-Issuers and each Guarantor shall execute any and all further documents, financing statements, agreements and instruments, and take all further action that may be required under applicable law, or that the Collateral Trustee may reasonably request, in order to grant, preserve, protect and perfect the validity and priority of the security interests and Liens created or intended to be created by this Indenture or the Security Documents on the Collateral. The Company shall deliver or cause to be delivered to the Collateral Trustee all such instruments and documents (including Officer's Certificates, Opinions of Counsel and lien searches) as the Collateral Trustee shall reasonably request to evidence compliance with this Section 4.05.

SECTION 4.06. Compliance Certificate; Notice of Default.

(a) The Company shall deliver to the Trustee, within 165 days after the close of each fiscal year, an Officer's Certificate signed by its chief executive officer, chief financial officer or chief accounting officer, stating that a review of the activities of the Co-Issuers and the Guarantors, has been made under the supervision of the signing Officer with a view to determining whether the Co-Issuers and the Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture and the Security Documents to which they are a party and further stating, as to each such Officer signing such

certificate, that to the best of such Officer's actual knowledge, the Co-Issuers and the Guarantors during such preceding fiscal year have kept, observed, performed and fulfilled their respective obligations under this Indenture and the Security Documents to which they are a party in all material respects and as of the date of such certificate, there is no Default or Event of Default that has occurred and is (including, without limitation, a Default or Event of Default triggered by the failure of the Co-Issuers and/or a Future Mortgaged Vessel Guarantor to maintain the Security Interests of each of the Security Documents required to be maintained on such date) or, if such signing Officers do know of such Default or Event of Default, the certificate shall specify such Default or Event of Default and what action, if any, the Co-Issuers are taking or proposes to take with respect thereto. The Officer's Certificate shall also notify the Trustee should the Company elect to change the manner in which it fixes its fiscal year end.

(b) The Company shall deliver to the Trustee as promptly as practicable and in any event within 30 days after the Company (or any of its Officers) becomes aware of the occurrence of any Default an Officer's Certificate specifying the Default or Event of Default and what action, if any, the Company is taking or proposes to take with respect thereto.

SECTION 4.07. [Reserved].

SECTION 4.08. Waiver of Stay, Extension or Usury Laws.

Each Co-Issuer and each Guarantor covenants (to the extent permitted by applicable law) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law which may affect the covenants or the performance of this Indenture and the Security Documents, and (to the extent permitted by applicable law) each hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.09. Change of Control.

If a Change of Control occurs, the Co-Issuers shall be required to make an offer to repurchase all of the Notes as described below (the "**Change of Control Offer**"). In the Change of Control Offer, the Co-Issuers shall offer a payment in cash ("**Change of Control Payment**") equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control or at the Co-Issuers' option, prior to such Change of Control but after it is publicly announced and subject to the consummation of a Change of Control, the Co-Issuers shall deliver electronically or mail or cause to be delivered electronically or mailed a notice to each Holder, with a copy to the Trustee, describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in the notice (the "**Change of Control Payment Date**"), which date shall be no earlier than 30 days and no later than 60 days from the date such notice is electronically delivered or mailed, other than as may be required by law, pursuant to the procedures described below. If the notice is sent prior to the occurrence of the Change of Control, it may be conditioned upon the consummation of the Change of Control and thereafter be extended from time to time until the occurrence of the Change of Control. Such notice, whether sent before or after the consummation of the Change of Control, shall state:

(1) that the Change of Control Offer is being made pursuant to this Section 4.09 and to the extent lawful that all Notes tendered and not withdrawn shall be accepted for payment;

(2) the purchase price (including the amount of accrued interest) and the Change of Control Payment Date;

(3) that any Note not tendered shall continue to accrue interest in accordance with the terms thereof;

(4) that, unless the Co-Issuers default in making payment therefor, any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on and after the Change of Control Payment Date;

(5) that Holders electing to have a Note purchased pursuant to a Change of Control Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(6) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than two Business Days prior to the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the Holder delivered for purchase, certificate numbers, if applicable, and a statement that such Holder is withdrawing its election to have such Note purchased; and

(7) that Holders whose Notes are purchased only in part shall be issued new Notes in a principal amount equal to the unpurchased portion of the Notes surrendered (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof).

On or before the Change of Control Payment Date, the Co-Issuers shall, to the extent lawful:

(1) accept for payment all Notes or portions of Notes in minimum amounts equal to \$2,000 or an integral multiple of \$1,000 in excess thereof, properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent U.S. Legal Tender equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Co-Issuers.

The Paying Agent shall promptly mail or pay by wire transfer to each Holder whose Notes have been properly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate pursuant to an Authentication Order and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note shall be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. So long as no payment Default or Event of Default has occurred and is continuing and to the extent not applied to make payments on the Notes, the Paying Agent shall return to the Co-Issuers any cash that remains unclaimed, together with interest, if any, thereon, held by them for the payment of the Redemption Price. However, if the Change of Control Payment Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on

such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Change of Control Offer.

The Co-Issuers shall inform the Holders of the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date. The Co-Issuers shall be required to make a Change of Control Offer regardless of whether the provisions of Section 5.01 also apply in connection with the applicable Change of Control.

The Co-Issuers shall not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Co-Issuers and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) notice of redemption has been given in respect of all of the Notes then outstanding pursuant to Section 5 or Section 6 of the Notes, unless and until there is a default in payment of the applicable Redemption Price.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Co-Issuers, or any third party making a Change of Control Offer in lieu of the Co-Issuers as described in this Section 4.09, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Co-Issuers or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase, pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

The Co-Issuers shall comply with the requirements of any securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.09, the Co-Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.09 by virtue of such compliance.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "**incur**") any Indebtedness (including Acquired Debt), and the Company shall not issue any shares of Disqualified Stock and the Company shall not permit any of its Restricted Subsidiaries to issue any shares of Disqualified Stock or preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Debt), issue shares of Disqualified Stock or issue shares of preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period; *provided further that* the amount of Indebtedness (including Acquired Debt), Disqualified Stock or preferred stock that may be incurred or issued pursuant to the foregoing by Restricted Subsidiaries that are not Guarantors shall not exceed the

greater of 4.0% of Total Assets and \$75.0 million at any time outstanding pursuant to this paragraph (a); *and provided further that* Navios Finance may incur Indebtedness in connection with serving as a co-obligor, co-issuer or guarantor of Indebtedness incurred by the Company or any Restricted Subsidiary that is otherwise permitted by this covenant.

(b) Section 4.10(a) shall not prohibit the incurrence of any of the following items of Indebtedness (collectively, “**Permitted Debt**”):

(1) the incurrence of Indebtedness and letters of credit under one or more Credit Facilities in an aggregate amount at any time outstanding under this clause (1) not to exceed \$200.0 million, *less* the amount of Non-Recourse Debt outstanding under clause (16) below;

(8) the incurrence of Indebtedness by the Company owed to a Restricted Subsidiary and Indebtedness by any Restricted Subsidiary owed to the Company or any other Restricted Subsidiary; *provided, however*, that upon any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or such Indebtedness being owed to any Person other than the Company or a Restricted Subsidiary, the Company or such Restricted Subsidiary, as applicable, shall be deemed to have incurred Indebtedness not permitted by this clause (8);

(9) the issuance by any of the Company's Restricted Subsidiaries to the Company or to any of its Restricted Subsidiaries of shares of Disqualified Stock or preferred stock; *provided, however*, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such Disqualified Stock or preferred stock being held by a Person other than the Company or a Restricted Subsidiary of the Company; and

(B) any sale or other transfer of any such Disqualified Stock or preferred stock to a Person that is neither the Company nor a Restricted Subsidiary of the Company;

shall be deemed, in each case, to constitute an issuance of such Disqualified Stock or preferred stock by such Restricted Subsidiary that is not permitted by this clause (9);

(10) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Hedging Obligations;

(11) the guarantee by the Company or any Guarantor of Indebtedness of the Company or a Restricted Subsidiary of the Company that was permitted to be incurred by another provision of this Section 4.10; *provided* that if the Indebtedness being guaranteed is contractually subordinated to the Notes or a Guarantee, then the guarantee shall be contractually subordinated to the same extent as the Indebtedness guaranteed;

(12) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, unemployment insurance, health, disability and other employee benefits or property, casualty or liability insurance, self-insurance obligations, bankers' acceptances, or performance, completion, bid, appeal and surety bonds, in each case, in the ordinary course of business;

(13) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five Business Days;

four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued, as the case may be, determined on a pro forma basis, would have been at least 1.75 to 1.0 or (B) the Fixed Charge Coverage Ratio for the Company's most recently four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued, as the case may be, would not be less than immediately prior to such transactions;

(18) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or preferred stock in an aggregate amount at any time outstanding, including all Permitted Refinancing Indebtedness incurred pursuant to this clause (18), not to exceed the greater of (A) \$125.0 million and (B) 6.0% of Total Assets; and

(19) Contribution Indebtedness.

(c) For purposes of determining compliance with this Section 4.10, in the event that an item of proposed Indebtedness, Disqualified Stock or preferred stock meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.10(b), or is entitled to be incurred pursuant to Section 4.10(a), the Company, in its sole discretion, may divide, classify and/or reclassify such item of Indebtedness, Disqualified Stock and preferred stock (or any portion thereof) on the date of its incurrence, or later redivide and/or reclassify, all or a portion of such item of Indebtedness, Disqualified Stock and preferred stock, in any manner that complies with this Section 4.10. Indebtedness under all Credit Facilities outstanding or committed to on the Issue Date (or any replacements of any such committed amounts) will be deemed to have been incurred on such date in reliance on the exception provided by Section 4.10(b)(2) (whether or not outstanding on such date), but thereafter may be reclassified in any manner that complies with this Section 4.10.

(d) The accrual of interest, the accrual of dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock, as the case may be, shall not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this Section 4.10; *provided*, in each such case, that the amount thereof is included in Fixed Charges of the Company as accrued.

(e) The amount of any Indebtedness outstanding as of any date shall be:

- (1) the accreted value of such Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness;
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (A) the Fair Market Value of such assets at the date of determination; and
 - (B) the amount of the Indebtedness of the other Person that is secured by such assets; and

(4) in respect of the Indebtedness incurred by a Securitization Subsidiary, the amount of Obligations outstanding under the legal documents entered into as part of a Qualified Securitization Transaction on any date of determination characterized as principal or that would be characterized as principal if such securitization were structured as a secured lending transaction rather than as a purchase.

(f) For purposes of determining compliance with this Section 4.10, (i) Acquired Debt shall be deemed to have been incurred by the Company or its Restricted Subsidiaries, as the case may be, at the time an acquired Person becomes such a Restricted Subsidiary of the Company (or is merged into the Company or such a Restricted Subsidiary) or at the time of the acquisition of assets, as the case may be, (ii) the maximum amount of Indebtedness, Disqualified Stock or preferred stock that the Company and its Restricted Subsidiaries may incur pursuant to this Section 4.10 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, Disqualified Stock or preferred stock due solely to the result of fluctuations in the exchange rates of currencies and (iii) the outstanding principal amount of any particular Indebtedness shall be counted only once and any obligations arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness permitted to be incurred under this covenant shall not be double counted.

(g) For purposes of determining compliance of any non-U.S. dollar-denominated Indebtedness with this Section 4.10, the amount outstanding under any U.S. dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall at all times be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness (in each case determined, if available, by the rate of exchange quoted by Reuters at 10:00 a.m. (New York time) on the date of determination for spot purchases of the non-U.S. dollar currency with U.S. dollars and otherwise in accordance with customary practice); *provided, however*, that if such Indebtedness is incurred to refinance other Indebtedness denominated in the same or different currency, such refinancing shall be calculated at the relevant currency exchange rate in effect on the date of the initial incurrence of Indebtedness in respect thereof (which may reflect multiple refinancings in which case the time of incurrence of the initial Indebtedness shall be applicable), so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced plus any costs or premiums incurred in connection with such refinancing.

(h) For purposes of the calculation of the Fixed Charge Coverage Ratio in connection with the incurrence of any Indebtedness pursuant to Section 4.10(a), the Company may elect to treat all or any portion of the commitment under any Indebtedness which is to be incurred, as being

incurred as of the applicable date of determination and any subsequent incurrence of Indebtedness under such commitment that was so treated shall not be deemed, for purposes of this calculation, to be an incurrence of additional Indebtedness; *provided* that if the Company has made such an election, in connection with the calculation of any ratio or basket for any purpose under this Indenture on or following such date until terminated, such calculation shall include the portion of the Indebtedness which has been deemed incurred, or secured by such Lien, as the case may be, as of the applicable date of determination.

SECTION 4.11. Limitations on Restricted Payments.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger, amalgamation or consolidation involving the Company or any of its Restricted Subsidiaries) or to the holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than (A) dividends or distributions payable in Qualified Equity Interests or (B) dividends or other payments or distributions payable to the Company or a Restricted Subsidiary of the Company);

(ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation) any Equity Interests of the Company or any direct or indirect parent of the Company;

(iii) make any voluntary or optional principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of a Co-Issuer or any Guarantor that is contractually subordinated to the Notes or any Guarantee (excluding any Indebtedness owed to and held by the Company or any of its Restricted Subsidiaries), other than (x) payments of principal at the Stated Maturity thereof and (y) payments, purchases, redemptions, defeasances or other acquisitions or retirements for value in anticipation of satisfying a scheduled maturity, sinking fund or amortization or other installment obligation or mandatory redemption, in each case, due within one year of the Stated Maturity thereof; or

(iv) make any Restricted Investment

(all such payments and other actions set forth in clauses (i) through (iv) above, other than any of the exceptions thereto, being collectively referred to as "**Restricted Payments**"), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence of such Restricted Payment;

(2) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.10(a); and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the Issue Date

(excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6), (7), (8), (9), (10), (14) and (15) of Section 4.11(b)), is not greater than the sum, without duplication, of:

(A) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from October 1, 2017 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(B) (i) 100% of the aggregate net cash proceeds and (ii) 100% of the Fair Market Value of the property and assets other than cash, in each case, received by the Company after the Issue Date as a contribution to its equity capital or from the issue or sale (other than to a Restricted Subsidiary of the Company) of Qualified Equity Interests, including upon the exercise of options or warrants, or from the issue or sale (other than to a Restricted Subsidiary of the Company) of Disqualified Stock or Indebtedness of the Company that have been converted into or exchanged for Qualified Equity Interests, together with the aggregate cash and Cash Equivalents received by the Company or any of its Restricted Subsidiaries at the time of such conversion or exchange; *provided, however*, that this clause (b) shall not include (y) the proceeds from any such contribution or issuance or sale to the extent used to incur Contribution Indebtedness or (z) Excluded Contributions; *plus*

(C) to the extent that any Restricted Investment that was made after the Issue Date is sold or otherwise liquidated or repaid for cash or Cash Equivalents, the return of capital in cash or Cash Equivalents with respect to such Restricted Investment (less the cost of disposition, if any); *plus*

(D) to the extent that any Unrestricted Subsidiary of the Company is redesignated as a Restricted Subsidiary after the Issue Date or is merged into the Company or a Restricted Subsidiary or transfers all or substantially all its assets to the Company or a Restricted Subsidiary or an entity in which the Company or a Restricted Subsidiary has made a Restricted Investment becomes a Restricted Subsidiary, the Fair Market Value of the Investment of the Company and its Restricted Subsidiaries in such Subsidiary (or the assets so transferred, if applicable) as of the date of such redesignation (other than to the extent of such Investment in such Unrestricted Subsidiary that was made as a Permitted Investment), merger, transfer or other action, as the case may be; *plus*

(E) any amount previously treated as a Restricted Payment on account of any guarantee entered into by the Company or a Restricted Subsidiary upon the unconditional release of such guarantee.

(b) The preceding provisions shall not prohibit:

(1) the payment of any dividend or other distribution within 60 days after the date of declaration of the dividend or other distribution, if at the date of declaration such payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of the net proceeds of the substantially concurrent sale or issuance (other than to a Restricted Subsidiary of the Company), including upon exercise of an option or warrant, of, Qualified Equity Interests or from

the substantially concurrent contribution of equity capital with respect to Qualified Equity Interests to the Company; *provided* that the amount of any such net proceeds that are utilized for any such Restricted Payment shall be excluded from Section 4.11(a)(3)(B);

(3) the payment, defeasance, redemption, repurchase or other acquisition or retirement for value of Indebtedness of the Company or any of its Restricted Subsidiaries that is contractually subordinated to the Notes or to any Guarantee with the net proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness or in exchange for Qualified Equity Interests;

(4) the payment of any dividend or other distribution (or, in the case of any partnership, limited liability company or similar entity, any similar distribution) by a Restricted Subsidiary of the Company to the holders of its Equity Interests on a *pro rata* basis taking into account the relative preferences, if any, of the various classes of Equity Interests in such Restricted Subsidiary;

(5) the repurchase, redemption or other acquisition or retirement for value of any Qualified Equity Interests of the Company or any of its Restricted Subsidiaries held by any current or former officer, director, consultant or employee of the Company or any of its Restricted Subsidiaries (or Heirs or other permitted transferees thereof); *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests may not exceed \$7.5 million in any calendar year; *provided, further*, that such amount may be increased by an amount not to exceed:

(A) the cash proceeds from the sale of Qualified Equity Interests of the Company to directors, officers, employees or consultants of the Company or any of its Restricted Subsidiaries that occurs after the Issue Date (*provided* that the amount of such cash proceeds utilized for any such repurchase, redemption, acquisition or other retirement shall not increase the amount available for Restricted Payments under Section 4.11(a)(3)(B)); *plus*

(B) the cash proceeds of key-man life insurance policies received by the Company or any Restricted Subsidiary after the Issue Date;

provided that to the extent that any portion of the \$7.5 million annual limit on such redemptions or repurchases is not utilized in any year, such unused portion may be carried forward and be utilized in one or more subsequent years;

(6) cancellation of Indebtedness owing to the Company from members of management of the Company in connection with a repurchase of Qualified Equity Interests of the Company pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement approved by the Board of Directors to the extent such Indebtedness was issued to such member of management as consideration for the purchase of the Qualified Equity Interests so repurchased;

(7) so long as no Default or Event of Default has occurred and is continuing or would result thereby, any dividend or distribution consisting of Equity Interests of an Unrestricted Subsidiary or the proceeds of the sale of Equity Interests of an Unrestricted Subsidiary;

(8) the repurchase of Equity Interests deemed to occur upon the exercise of options, warrants or other convertible securities to the extent such Equity Interests represent a portion of

the exercise price of those options, warrants or other convertible securities and cash payments in lieu of the issuance of fractional shares in connection with the exercise of options, warrants or other convertible securities;

(9) so long as no Default or Event of Default has occurred and is continuing or would result thereby, the declaration and payment of cash dividends on Designated Preferred Stock in accordance with the certificate of designations therefor; *provided* that at the time of issuance of such Designated Preferred Stock, the Company would, after giving pro forma effect thereto as if such issuance had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.10(a);

(10) so long as no Default or Event of Default has occurred and is continuing or would result thereby, the declaration and payment of cash dividends to holders of any class or series of Disqualified Stock of the Company issued in accordance with Section 4.10;

(11) payments made to purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of the Company or any of its Restricted Subsidiaries that is contractually subordinated to the Notes or to any Guarantee (i) following the occurrence of a Change of Control, at a purchase price not greater than 101% of the outstanding principal amount (or accreted value, in the case of any debt issued at a discount from its principal amount at maturity) thereof, plus accrued and unpaid interest, if any, after the Company and its Restricted Subsidiaries have satisfied their obligations with respect to a Change of Control Offer set forth under Section 4.09 or (ii) with the Excess Proceeds of one or more Asset Sales not involving Collateral, at a purchase price not greater than 100% of the principal amount (or accreted value, in the case of any debt issued at a discount from its principal amount at maturity) thereof, plus accrued and unpaid interest, if any, after the Company and its Restricted Subsidiaries have satisfied their obligations with respect to such Excess Proceeds pursuant to Section 4.13(I) to the extent that such subordinated Indebtedness is required to be repurchased or redeemed pursuant to the terms thereof as a result of such Asset Sale;

(12) payments pursuant to clauses (6) or (7) of Section 4.14(b);

(13) [reserved];

(14) Restricted Payments in an amount not to exceed the unused amount of Excluded Contributions previously received; and

(15) other Restricted Payments in an aggregate amount not to exceed \$25.0 million since the Issue Date.

The amount of all Restricted Payments (other than cash and Cash Equivalents) shall be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

(c) For purposes of determining compliance with this covenant, in the event that a Restricted Payment permitted pursuant to this Section 4.11 or a Permitted Investment meets the criteria of more than one of the categories of Restricted Payment described in clauses (1) through (15) above or one or more clauses of the definition of Permitted Investment, the Company shall be permitted to classify such Restricted Payment or Permitted Investments (or any portion thereof) on the date it is made, or later

reclassify, all or a portion of such Restricted Payment or Permitted Investment, in any manner that complies with this covenant, and such Restricted Payment or Permitted Investment shall be treated as having been made pursuant to only one of such clauses of this Section 4.11 or of the definition of "Permitted Investments."

SECTION 4.12. Limitations on Liens.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur, or assume any Lien that secures obligations under any Indebtedness or any related guarantee, on any asset of the Company or any Restricted Subsidiary, whether owned on the Issue Date or thereafter acquired, except Permitted Liens, unless contemporaneously therewith:

(1) in the case of any Lien securing an obligation that ranks *pari passu* with the Notes or a Guarantee, effective provision is made to secure the Notes or such Guarantee, as the case may be, at least equally and ratably with or prior to such obligation with a Lien on the same collateral; and

(2) in the case of any Lien securing an obligation that is subordinated in right of payment to the Notes or a Guarantee, effective provision is made to secure the Notes or such Guarantee, as the case may be, with a Lien on the same collateral that is prior to the Lien securing such subordinated obligation, in each case, for so long as such obligation is secured by such Lien (such Lien, the "**Primary Lien**").

Notwithstanding the foregoing, the Co-Issuers will not and will not permit any Guarantor to, create, incur or assume any Lien (other than in favor of the Collateral Trustee on behalf of the Trustee for the benefit of the Holders) upon any of the Collateral other than Permitted Liens (subject to the limitations set forth in the definition thereof) and those Liens permitted by the Security Documents and, further, the Company will not and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien on any Capital Stock, Intercompany Debt or other securities issued by any Future Mortgaged Vessel Guarantor other than in favor of the Collateral Trustee on behalf of the Trustee for the benefit of the Holders.

(b) Any Lien created for the benefit of the Holders pursuant to Section 4.12(a) shall automatically and unconditionally be released and discharged upon the release and discharge of the Primary Lien, without any further action on the part of any Person (other than notice of such release to the Collateral Trustee, but the failure to deliver such notice shall not affect such release).

SECTION 4.13. Limitations on Asset Sales.

(I) With respect to all Asset Sales not involving Collateral:

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale involving assets or Equity Interests other than Collateral unless:

(1) the Company or any of its Restricted Subsidiaries receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (for the avoidance of doubt, the Fair Market Value may be determined at a time a contract is entered into for an Asset Sale) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) For purposes of Section 4.13(I)(a), each of the following shall be deemed to be cash:

(1) any Indebtedness or other liabilities, as shown on the Company's most recent consolidated balance sheet or the notes thereto, of the Company or any of its Restricted Subsidiaries (other than liabilities that are expressly subordinated to the Notes or any Guarantee) that are assumed, repaid or retired by the transferee (or a third party on behalf of the transferee) of any such assets;

(2) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee or any other Person on account of such Asset Sale that are, within 180 days of the Asset Sale, converted, sold or exchanged by the Company or such Restricted Subsidiary into cash or Cash Equivalents, to the extent of the cash or Cash Equivalents received in that conversion, sale or exchange;

(3) the Fair Market Value of (i) any assets (other than securities and other than assets that are classified as current assets under GAAP) received by the Company or any Restricted Subsidiary to be used by it in a Permitted Business (including, without limitation, Vessels and Related Assets), (ii) Capital Stock in a Person that is a Restricted Subsidiary or in a Person engaged in a Permitted Business that shall become a Restricted Subsidiary immediately upon the acquisition of such Person by the Company or (iii) a combination of (i) and (ii);

(4) any Designated Non-cash Consideration received by the Company or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this Section 4.13(I)(b) that is at that time outstanding, not to exceed the greater of (x) \$100.0 million and (y) 5.0% of Total Assets of the Company at the time of the receipt of such Designated Non-cash Consideration, with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value; and

(5) any Marketable Securities received by the Company or any Restricted Subsidiary in such Asset Sale having a Fair Market Value not to exceed 25% of the aggregate consideration received by the Company in such Asset Sale.

(c) Within 365 days (subject to extensions as provided in clause (d) below) after the receipt of any Net Proceeds from an Asset Sale involving assets other than Collateral, the Company or any of its Restricted Subsidiaries shall apply such Net Proceeds to:

(1) repay or prepay any and all obligations under the Credit Facilities or any other Secured Indebtedness and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) acquire all or substantially all of the assets of, or any Capital Stock of, a Person engaged in a Permitted Business; *provided* that in the case of acquisition of Capital Stock of any Person, such Person is or becomes a Restricted Subsidiary of the Company;

(3) make a capital expenditure;

(4) acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business (including, without limitation, Vessels and Related Assets);

(5) repay unsecured senior Indebtedness of the Co-Issuers or any Restricted Subsidiary (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto); *provided* that if the Co-Issuers or any Guarantor shall so reduce senior Indebtedness other than Indebtedness under the Notes, the Co-Issuers or such Guarantor shall equally and ratably reduce obligations under the Notes (A) through open market purchases (to the extent such purchases are at or above 100% of the principal amount thereof), (B) by redeeming the Notes if the Notes are then redeemable as provided under Section 3.07 or (C) by making an Asset Sale Offer in accordance with the provisions described below and in this Indenture; and/or

(6) any combination of the transactions permitted by the foregoing clauses (1) through (5).

(d) A (A) binding contract to apply Net Proceeds in accordance with clauses (c)(2) through (4) above shall toll the 365-day period in respect of such Net Proceeds or (B) determination by the Company to potentially apply all or a portion of such Net Proceeds towards the exercise of an outstanding Vessel Purchase Option Contract shall toll the 365-day period in respect of such Net Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Net Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the “**Reinvestment Termination Date**”). If such acquisition or expenditure is not consummated on or before the Reinvestment Termination Date and the Company (or the applicable Restricted Subsidiary, as the case may be) shall not have applied such Net Proceeds pursuant to clauses (c)(1) through (6) above on or before the Reinvestment Termination Date, such Net Proceeds shall constitute Excess Proceeds. In addition to the foregoing, the Company shall have the right to elect to designate any acquisition of the type described in clauses (2) or (4) of this Section 4.13(c) and/or any capital expenditure of the type described in clause (3) of this Section 4.13(c), in each case, made within 180 days prior to the consummation of an Asset Sale as satisfying the obligations of the Company or a Restricted Subsidiary with respect to the application of the Net Proceeds from such Asset Sale to the extent such acquisition or capital expenditure would have so satisfied such obligations hereunder had it been consummated after the date of receipt of such Net Proceeds, *provided* that such right to designate shall not apply to the extent that such acquisition and/or capital expenditure was consummated with the proceeds of a prior Asset Sale.

Pending the final application of any Net Proceeds, the Company or any of its Restricted Subsidiaries may temporarily reduce outstanding Indebtedness or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(e) Any Net Proceeds from Asset Sales involving assets other than Collateral that are not applied or invested as provided in Section 4.13(I) shall constitute “**Excess Proceeds**.” When the aggregate amount of Excess Proceeds exceeds \$30.0 million, the Co-Issuers shall make an offer (an “**Asset Sale Offer**”) to all Holders and all holders of other *pari passu* Indebtedness containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be required to be purchased out of the Excess Proceeds (the “**Excess Proceeds Payment Amount**”). The offer price for the Notes in any Asset Sale Offer shall be equal to 100% of the principal amount of the Notes plus accrued and unpaid interest thereon, if any, to the date of purchase (the “**Asset Sale Offered Price**”), and shall be payable in cash, and the offer or redemption price for such *pari passu* Indebtedness shall be as set forth in the related documentation governing such Indebtedness. If any Excess Proceeds remain after consummation of an Asset Sale Offer, such Excess Proceeds may be used for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the Co-Issuers or the agent for such other *pari passu* Indebtedness shall select such other *pari passu* Indebtedness to be purchased on a *pro rata* basis (with adjustments so that no Notes or other *pari passu* Indebtedness are purchased, redeemed or repaid in unauthorized denominations). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. The Co-Issuers may elect to satisfy their obligations to make an Asset Sale Offer prior to the expiration of the relevant period or with respect to Excess Proceeds of \$30.0 million or less.

(f) Upon the commencement of an Asset Sale Offer, the Co-Issuers shall deliver electronically or send, or cause to be delivered electronically or sent, by first class mail, a notice to the Trustee and to each Holder at its registered address. The notice shall contain all instructions and materials necessary to enable such Holder to tender Notes pursuant to the Asset Sale Offer. Any Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 4.13(I) and that, to the extent lawful, all Notes tendered and not withdrawn shall be accepted for payment (unless prorated);
- (2) the Excess Proceeds Payment Amount, the Asset Sale Offered Price, and the date on which Notes tendered and accepted for payment shall be purchased, which date shall be at least 30 days and not later than 60 days from the date such notice is mailed or delivered electronically (the “**Asset Sale Payment Date**”);
- (3) that any Notes not tendered or accepted for payment shall continue to accrue interest in accordance with the terms thereof;
- (4) that, unless the Co-Issuers default in making such payment, any Notes accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest on and after the Asset Sale Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to any Asset Sale Offer shall be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed, or transfer by book-entry transfer, to the Co-Issuers, a depository, if appointed by the Co-Issuers, or the Paying

Agent at the address specified in the notice at least three Business Days before the Asset Sale Payment Date;

(6) that Holders shall be entitled to withdraw their election if the Co-Issuers, the Depository or the Paying Agent, as the case may be, receives, not later than two Business Days prior to the Asset Sale Payment Date, a notice setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Note purchased;

(7) that if the aggregate principal amount of Notes surrendered by Holders exceeds the Excess Proceeds Payment Amount, the Co-Issuers shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Co-Issuers so that only Notes in denominations of \$2,000 or integral multiples of \$1,000 in excess thereof, shall be purchased); and

(8) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry).

(g) On the Asset Sale Payment Date, the Co-Issuers shall, to the extent lawful: (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Asset Sale Offer, subject to pro ration if the aggregate Notes tendered exceed the Excess Proceeds Payment Amount allocable to the Notes; (2) deposit with the Paying Agent U.S. Legal Tender equal to the lesser of the Excess Proceeds Payment Amount allocable to the Notes and the amount sufficient to pay the Asset Sale Offered Price in respect of all Notes or portions thereof so tendered; and (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof being repurchased by the Co-Issuers. The Co-Issuers shall inform the Holders of the results of the Asset Sale Offer on or as soon as practicable after the Asset Sale Payment Date.

(h) The Paying Agent shall promptly mail or pay by wire transfer to each Holder whose Notes have been properly tendered the Asset Sale Offered Price for such Notes, and the Trustee shall promptly authenticate pursuant to an Authentication Order and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in minimum principal amount to any unrepurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. So long as no payment Default or Event of Default has occurred and is continuing, and to the extent not applied to make payments on the Notes, the Paying Agent shall return to the Co-Issuers any cash that remains unclaimed, together with interest, if any, thereon, held by them for the payment of the Asset Sale Offered Price.

However, if the Asset Sale Payment Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(i) The Co-Issuers shall comply with the requirements of any securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.13, the Co-Issuers shall comply with

the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.13(I) by virtue of such compliance.

(II) With respect to all Asset Sales involving Collateral:

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale involving Collateral unless:

(1) the Company or any of its Restricted Subsidiaries receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (for the avoidance of doubt, the Fair Market Value may be determined at a time a contract is entered into for an Asset Sale) of the assets or Equity Interests sold or otherwise disposed of;

(2) in the case of a Future Mortgaged Vessel, such Asset Sale is either of (i) the Company's or the relevant Restricted Subsidiary's entire interest in the applicable Future Mortgaged Vessel (the "**Sold Future Mortgaged Vessel**") together with the applicable Charters, freights and hires, insurance and related agreements (collectively, the "**Related Agreements**"); *provided* that the Company may elect to sell only the Sold Future Mortgaged Vessel and retain all or any portion of the Related Agreements, *provided* that if any such Related Agreements are transferred to a Subsidiary that is not a Future Mortgaged Vessel Guarantor, then the Company or such Future Mortgaged Vessel Guarantor shall receive either (x) Qualified Collateral having a Fair Market Value that is not less than the Fair Market Value of such Related Agreements or (y) cash in an amount equal to the Fair Market Value of such Related Agreement which it shall immediately deliver to the Collateral Trustee, which amounts shall constitute Trust Monies hereunder or (ii) all the Capital Stock of the Restricted Subsidiary that owns such Future Mortgaged Vessel and related assets;

(3) the consideration received in the Asset Sale by the Company or such Restricted Subsidiary consists entirely of either (x) cash or Cash Equivalents or (y) in the case of an Asset Sale involving Collateral consisting entirely of Collateral other than Pledged Share Collateral, Qualified Collateral having a Fair Market Value that is not less than the Fair Market Value of the Collateral that is the subject of such Asset Sale;

(4) no Default or Event of Default shall have occurred and be continuing; ~~and~~

(5) such Asset Sale is made in compliance with the provisions described under Section 11.04;

(6) in the case of the IPO Secondary Sale, such Asset Sale shall be made only pursuant to a Qualified IPO; and

(7) in the case of an Asset Sale of Navios Logistics Pledged Shares following the IPO Secondary Sale (a "**Future Secondary Sale**"), the Fair Market Value of the Navios Logistics Pledged Shares remaining immediately following such Asset Sale would be no less than 1.068 times the excess of (x) the aggregate principal amount of Notes outstanding immediately prior to such Asset Sale over (y) the sum of (i) the amount of Trust Monies in the Collateral Account representing the Net Proceeds of prior Asset Sales of Navios Logistics Pledged Shares and (ii) the Net Proceeds to be realized in such Future Secondary Sale.

(b) Within (x) in the case of an Asset Sale involving Collateral consisting entirely of Collateral other than Pledged Share Collateral, 365 days (subject to extension as provided in clause (c) below) and (y) in the case of an Asset Sale involving Pledged Share Collateral, 60 days, in each case, after the receipt of any Net Proceeds from such Asset Sale, the Company or the applicable Restricted Subsidiary shall apply such Net Proceeds ~~to~~:

(1) in the case of an Asset Sale involving Collateral consisting entirely of Collateral other than Pledged Share Collateral, so long as no Default or Event of Default shall have occurred and be continuing, to substitute one or more Qualified Vessels (and to make any Permitted Repairs with respect thereto) for such Collateral and make such Qualified Vessel(s) subject to the Lien of this Indenture and the applicable Security Documents in accordance with the provisions thereof described under Section 11.04 and Section 11.09(a);

(2) to (A) make a Collateral Sale Offer in accordance with the provisions of this Section 4.13(II) and the other provisions of this Indenture or (B) at the option of the Company, redeem Notes as provided ~~under~~ in Section 5 ~~below; and/or of the Notes;~~

(3) in the case of an Asset Sale involving Collateral consisting entirely of Collateral other than Pledged Share Collateral, for any combination of the transactions permitted by the foregoing clauses (1) and (2); and/or

(4) in the case of Net Proceeds of a Future Non-Navios Logistics Property Dividend, as provided in Section 11.18 hereof with respect to Specified Proceeds.

(c) A (A) binding contract to apply Net Proceeds in accordance with clause (b)(1) above will toll the 365-day period in respect of such Net Proceeds or (B) determination by the Company to potentially apply all or a portion of such Net Proceeds towards the exercise an outstanding Vessel Purchase Option Contract will toll the 365-day period in respect of such Net Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Net Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the “**Collateral Proceeds Reinvestment Termination Date**”). If such acquisition or expenditure is not consummated on or before the Collateral Proceeds Reinvestment Termination Date and the Company (or the applicable Future Mortgaged Vessel Guarantor, as the case may be) shall not have applied such Net Proceeds pursuant to clause (b)(1) above on or before the Collateral Proceeds Reinvestment Termination Date, such Net Proceeds shall constitute Excess Collateral Proceeds.

(d) Any Net Proceeds from Asset Sales involving Collateral that are not applied or invested as provided in Section 4.13(II)(b) will constitute “**Excess Collateral Proceeds**”. When the aggregate amount of Excess Collateral Proceeds exceeds \$30.0 million, the Co-Issuers will make an offer (a “**Collateral Sale Offer**”) to all Holders to purchase the maximum principal amount of Notes that may be required to be purchased out of the Excess Collateral Proceeds (the “**Excess Collateral Proceeds Payment Amount**”). The offer price for the Notes in any

Collateral Sale Offer will be (i) in the case of any Asset Sale involving Collateral consisting entirely of Collateral other than Pledged Share Collateral, equal to 100% of principal amount of the Notes plus accrued and unpaid interest thereon, if any, to the date of purchase (the “**Collateral Sale Offered Price**”), and will be payable in cash and (ii) in the case of any Asset Sale involving Pledged Share Collateral, equal to the then applicable redemption price of the notes as set forth in Section 5 below, plus accrued and unpaid interest thereon, if any, to the date of purchase, and will be payable in cash. If any Excess Collateral Proceeds remain after consummation of a Collateral Sale Offer, those Excess Collateral Proceeds shall be retained as Trust Monies. If the aggregate principal amount of Notes tendered into such Collateral Sale Offer exceeds the amount of Excess Collateral Proceeds (or, in the case of any Asset Sale involving Pledged Share Collateral, exceeds the principal amount of notes that can be purchased with such Excess Collateral Proceeds at the then applicable offer price described in clause (ii) of the second preceding sentence), the Trustee will select the Notes to be purchased on a *pro rata* basis. Upon completion of each Collateral Sale Offer, the amount of Excess Collateral Proceeds will be reset at zero. The Co-Issuers may elect to satisfy their obligations to make a Collateral Sale Offer prior to the expiration of the relevant period or with respect to Excess Collateral Proceeds of \$30.0 million or less.

(e) Whenever Net Proceeds from any Asset Sale involving Collateral are received by the Co-Issuers, such Net Proceeds shall be retained by the Collateral Trustee as Trust Monies constituting Collateral subject to disposition as provided in this Section 4.13(II) or as provided under Sections 11.04 and 12.02. At the written direction of the Co-Issuers, such Net Proceeds may be invested by the Collateral Trustee in Cash Equivalents in which the Collateral Trustee can maintain a perfected security interest.

(f) Upon the commencement of a Collateral Sale Offer, the Co-Issuers shall deliver electronically or send, or cause to be delivered electronically or sent, by first class mail, a notice to the Trustee and to each Holder at its registered address. The notice shall contain all instructions and materials necessary to enable such Holder to tender Notes pursuant to the Collateral Sale Offer. Any Collateral Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Collateral Sale Offer, shall state:

(1) that the Collateral Sale Offer is being made pursuant to this Section 4.13(II) and that, to the extent lawful, all Notes tendered and not withdrawn shall be accepted for payment (unless prorated);

(2) the Excess Collateral Proceeds Payment Amount, the Collateral Sale Offered Price, and the date on which Notes tendered and accepted for payment shall be purchased, which date shall be at least 30 days and not later than 60 days from the date such notice is mailed or delivered electronically (the “**Collateral Sale Payment Date**”);

(3) that any Notes not tendered or accepted for payment shall continue to accrue interest in accordance with the terms thereof;

(4) that, unless the Co-Issuers default in making such payment, any Notes accepted for payment pursuant to the Collateral Sale Offer shall cease to accrue interest on and after the Collateral Sale Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to any Collateral Sale Offer shall be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed, or transfer by

book-entry transfer, to the Co-Issuers, a depository, if appointed by the Co-Issuers, or the Paying Agent at the address specified in the notice at least three Business Days before the Collateral Sale Payment Date;

(6) that Holders shall be entitled to withdraw their election if the Co-Issuers, the Depository or the Paying Agent, as the case may be, receives, not later than two Business Days prior to the Collateral Sale Payment Date, a notice setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Note purchased;

(7) that if the aggregate principal amount of Notes surrendered by Holders exceeds the Excess Collateral Proceeds Payment Amount, the Co-Issuers shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Co-Issuers so that only Notes in denominations of \$2,000 or integral multiples of \$1,000 in excess thereof, shall be purchased); and

(8) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry).

(g) On the Collateral Sale Payment Date, the Co-Issuers shall, to the extent lawful: (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Collateral Sale Offer, subject to pro ration if the aggregate Notes tendered exceed the Excess Collateral Proceeds Payment Amount allocable to the Notes; (2) deposit with the Paying Agent U.S. Legal Tender equal to the lesser of the Excess Collateral Proceeds Payment Amount allocable to the Notes and the amount sufficient to pay the Collateral Sale Offered Price in respect of all Notes or portions thereof so tendered; and (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof being repurchased by the Co-Issuers. The Co-Issuers shall inform the Holders of the results of the Collateral Sale Offer on or as soon as practicable after the Collateral Sale Payment Date.

(h) The Paying Agent shall promptly mail or pay by wire transfer to each Holder whose Notes have been properly tendered the Collateral Sale Offered Price for such Notes, and the Trustee shall promptly authenticate pursuant to an Authentication Order and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unrepurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. So long as no payment Default or Event of Default has occurred and is continuing, and to the extent not applied to make payments on the Notes, the Paying Agent shall return to the Co-Issuers any cash that remains unclaimed, together with interest, if any, thereon, held by them for the payment of the Collateral Sale Offered Price.

However, if the Collateral Sale Payment Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Collateral Sale Offer.

(i) The Co-Issuers shall comply with the requirements of any securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with

each repurchase of Notes pursuant to a Collateral Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.13, the Co-Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under this Section 4.13(II) by virtue of such compliance.

SECTION 4.14. Limitations on Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an “**Affiliate Transaction**”) involving aggregate payments or consideration in excess of \$5.0 million, unless:

(1) the Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person with such determination to be made at the time such Affiliate Transaction is entered into or agreed to; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Company delivers to the Trustee either (I) a Board Resolution of the Company set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with this Section 4.14 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; or (II) with respect to any such Affiliate Transaction or series of related Affiliate Transactions as to which there are no disinterested members of the Board of Directors, an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an independent accounting, appraisal or investment banking firm of international standing qualified to perform the task for which such firm has been engaged (as determined by the Company in good faith).

(b) The following items shall not be deemed to be Affiliate Transactions and, therefore, shall not be subject to Section 4.14(a):

(1) director, officer, employee and consultant compensation, benefit, reimbursement and indemnification agreements, plans and arrangements (and payment awards in connection therewith) entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because either (x) the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person or (y) a director of such Person is also a director of the Company; *provided* such director abstains from voting as a director of the Company on any matter involving such other person;

(4) (x) any issuance of Qualified Equity Interests of the Company (other than Designated Preferred Stock) to an Affiliate and the granting or performance of registration rights in respect of any Qualified Equity Interests of the Company (other than Designated Preferred Stock), which rights have been approved by the Board of Directors of the Company or (y) any

contribution to the Qualified Equity Interest capital of the Company by an Affiliate (other than in respect of Designated Preferred Stock);

(5) Restricted Payments that do not violate Section 4.11 and Investments consisting of Permitted Investments;

(6) the performance of obligations of the Company or any Restricted Subsidiary under the terms of any agreement that is in effect as of or on the Issue Date and disclosed in the Offering Memorandum or any amendment, modification, supplement, extension or renewal, from time to time, thereto or any transaction contemplated thereby (including pursuant to any amendment, modification, supplement, extension or renewal, from time to time, thereto) in any replacement agreement thereto, so long as any such amendment, modification, supplement, extension or renewal, or replacement agreement, is not materially more disadvantageous to the Holders taken as a whole than the original agreement as in effect on the Issue Date;

(7) transactions effected as part of a Qualified Securitization Transaction.

(8) transactions in which the Company delivers to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view or that such Affiliate Transaction meets the requirements of Section 4.14(a)(1), in each case, issued by an independent accounting, appraisal or investment banking firm of international standing qualified to perform the task for which such firm has been engaged (as determined in good faith by the Company);

(9) payments, loans or advances to employees or consultants or guarantees in respect thereof (or cancellation of loans, advances or guarantees) for bona fide business purposes; and

(10) investments in securities of the Company or any of the Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred in connection therewith) so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 15.0% of the proposed issue amount of such class of securities.

SECTION 4.15. Dividend and Other Payment Restrictions Affecting Subsidiaries.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries that is not a Guarantor to, directly or indirectly, create or permit to become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary that is not a Guarantor to:

(1) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;

(2) make loans or advances to the Company or any of its Restricted Subsidiaries; or

(3) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

(b) However, the restrictions set forth in Section 4.15(a) shall not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements, including, without limitation, those governing Existing Indebtedness and Credit Facilities, as in effect or committed to on the Issue Date and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees;

(3) applicable law, rule, regulation or order or governmental or other license, permit or concession;

(4) any instrument governing Indebtedness or Equity Interests of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Equity Interests were incurred or issued in connection with such acquisition to provide funds to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(5) customary provisions restricting assignments, subletting or other similar transfers in contracts, licenses and other agreements (including, without limitation, leases and agreements relating to intellectual property) entered into in the ordinary course of business;

(6) purchase money obligations and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in Section 4.15(a)(3);

(7) any agreement for the sale or other disposition of a Restricted Subsidiary or an asset that restricts distributions by that Restricted Subsidiary or transfers of such asset pending the sale or other disposition;

(8) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(9) Liens and agreements related thereto that were permitted to be incurred under the provisions of Section 4.12 that limit the right of the debtor to dispose of the assets subject to such Liens;

(10) provisions limiting the disposition or distribution of assets or property (including Capital Stock of any Person in which the Company has an Investment) in joint venture agreements, stockholder agreements, partnership agreements, limited liability company operating agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements, which limitation is applicable in all material respects only to the assets or property that are the subject of such agreements;

(11) restrictions on cash or other deposits or net worth imposed under contracts entered into in the ordinary course of business;

(12) customary provisions restricting the disposition of real property interests set forth in any easements or other similar agreements or arrangements of the Company or any Restricted Subsidiary;

(13) provisions restricting the transfer of any Capital Stock of an Unrestricted Subsidiary;

(14) Indebtedness of a Co-Issuer or any Restricted Subsidiary incurred subsequent to the Issue Date pursuant to the provisions of Section 4.10 (i) in respect of the subordination provisions, if any, of such Indebtedness, (ii) if the encumbrances and restrictions contained in any such Indebtedness taken as a whole are not materially less favorable to the Holders than the encumbrances and restrictions contained in this Indenture or that may be contained in any Credit Facility in accordance with this covenant or (iii) if such encumbrance or restriction is customary in comparable financings (as determined in good faith by the Company) and either (x) the Company determines in good faith that such encumbrance or restriction shall not adversely affect in any material respect the Company's ability to make principal or interest payments on the Notes as and when due or (y) such encumbrance or restriction applies only in the event of and during the continuance of a default under such Indebtedness; and

(15) Non-Recourse Debt or other encumbrances, restrictions or contractual requirements of a Securitization Subsidiary in connection with a Qualified Securitization Transaction; *provided* that such restrictions apply only to such Securitization Subsidiary or the Securitization Assets that are subject to the Qualified Securitization Transaction.

SECTION 4.16. Subsidiary Guarantees.

(a) If the Company or any of its Restricted Subsidiaries acquires, creates, transfers assets to or otherwise invests in a Wholly Owned Restricted Subsidiary (or redesignates an Unrestricted Subsidiary as a Restricted Subsidiary and such Restricted Subsidiary is a Wholly Owned Restricted Subsidiary) and such Wholly Owned Restricted Subsidiary shall at any time have total assets with a book value in excess of \$5.0 million, then such Wholly Owned Restricted Subsidiary (unless such Subsidiary is a Securitization Subsidiary or is Navios Finance or any other Subsidiary that at such time is a co-issuer of the Notes) must become a Guarantor and shall, within 45 Business Days of the date of such acquisition, creation, transfer of assets, investment in or redesignation:

(1) execute and deliver to the Trustee a supplemental indenture in substantially the form of Exhibit D, pursuant to which such Wholly Owned Restricted Subsidiary shall unconditionally guarantee all of the Co-Issuers' obligations under the Notes and this Indenture on the terms set forth in this Indenture and, (x) if such Wholly Owned Restricted Subsidiary owns a Vessel required to become a Future Mortgaged Vessel, execute one or more Ship Mortgages and the other Security Documents in favor of the Collateral Trustee pursuant to which each such Vessel shall become a Future Mortgaged Vessel for all purposes under this Indenture in each case as provided for under Section 11.09 or (y) if such Wholly Owned Restricted Subsidiary owns any Pledged Share Collateral, execute and deliver to the trustee the Pledge Agreement, creating and establishing the terms of the security interests in the Pledged Share Collateral and Liens that secure the Notes; and

(2) deliver to the Trustee one or more Opinions of Counsel that such supplemental indenture and Security Documents, if any, have been duly authorized, executed and delivered by such Wholly Owned Restricted Subsidiary and constitutes a valid and legally binding and enforceable obligation of such Wholly Owned Restricted Subsidiary, subject to customary

exceptions, and if such Wholly Owned Restricted Subsidiary owns Collateral, addressing customary creation and perfection matters.

Thereafter, such Wholly Owned Restricted Subsidiary shall be a Guarantor for all purposes of this Indenture.

(b) The Note Guarantee of a Guarantor shall automatically and unconditionally (without any further action on the part of any Person other than notice of such release to the Trustee but the failure to deliver such notice shall not affect such release) be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger, consolidation or amalgamation) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company, if the sale or other disposition does not violate Section 4.13 or Section 4.14;

(2) in connection with any sale or other disposition of a majority of the Capital Stock of that Guarantor (other than any Guarantor holding Pledged Share Collateral) to a Person that is not (either before or after giving effect to such transaction) the Company or a Subsidiary of the Company, if (x) such Guarantor would no longer constitute a "Subsidiary" under this Indenture and (y) the sale or other disposition does not violate Section 4.13;

(3) if the Company designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.18;

(4) upon liquidation or dissolution of such Guarantor;

(5) in the case of a Guarantor that is not a Wholly Owned Restricted Subsidiary that has voluntarily issued a Guarantee of the Notes, upon notice to the Trustee by the Company of the designation of such Guarantor as non-Guarantor Restricted Subsidiary if (x) the Company would be permitted to make an Investment in such Restricted Subsidiary at the time of such release equal to the Fair Market Value of the Investment of the Company and its other Restricted Subsidiaries in such Guarantor as either a Permitted Investment or pursuant to Section 4.11 and (y) all transactions entered into by such Restricted Subsidiary while a Guarantor would be permitted under this Indenture at the time its Guarantee is released; and

(6) upon Legal Defeasance or Covenant Defeasance or satisfaction and discharge of the Notes as provided below under Section 8.01, Section 8.03 and Section 8.04.

SECTION 4.17. Reports to Holders.

(a) Whether or not the Company is then subject to Section 13(a) or 15(d) of the Exchange Act, the Company shall furnish to the Trustee and the Holders, so long as the Notes are outstanding:

(1) within 75 days after the end of each of the first three fiscal quarters in each fiscal year, quarterly reports on Form 6-K (or any successor form) containing unaudited financial statements (including a balance sheet and statement of income, changes in stockholders' equity and cash flow) and a management's discussion and analysis of financial condition and results of operations (or equivalent disclosure) for and as of the end of such fiscal quarter (with comparable

financial statements for the corresponding fiscal quarter of the immediately preceding fiscal year);

(2) within 120 days after the end of each fiscal year, an annual report on Form 20-F (or any successor form) containing the information required to be contained therein for such fiscal year; and

(3) at or prior to such times as would be required to be filed or furnished to the SEC if the Company was then a “foreign private issuer” subject to Section 13(a) or 15(d) of the Exchange Act, all such other reports and information that the Company would have been required pursuant thereto;

provided, however, that to the extent that the Company ceases to qualify as a “foreign private issuer” within the meaning of the Exchange Act, whether or not the Company is then subject to Section 13(a) or 15(d) of the Exchange Act, the Company shall furnish to the Trustee and the Holders, so long as any Notes are outstanding, within 60 days of the respective dates on which the Company would be required to file such documents with the SEC if it was required to file such documents under the Exchange Act, all reports and other information that would be required to be filed with (or furnished to) the SEC pursuant to Section 13(a) or 15(d) of the Exchange Act and, *provided, further*, that such reports will not be required to contain any officer’s certificates or the separate financial information for Guarantors that would be required under Rule 3-10 of Regulation S-X promulgated by the SEC, *provided, however*, that in lieu thereof the Company will provide the summary information concerning revenues, EBITDA, assets and liabilities in a manner consistent in all material respects with that set forth under “Summary—The Offering” in the Offering Memorandum for the period(s) covered by each such report.

(b) In addition, whether or not required by the rules and regulations of the SEC, the Company shall electronically file or furnish, as the case may be, a copy of all such information and reports referred to in clauses (1) through (3) of Section 4.17(a) with the SEC for public availability within the time periods specified therein (unless the SEC shall not accept such a filing) and make such information available to securities analysts and prospective investors upon request. In addition, Company agrees that, for so long as any Notes remain outstanding, it shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) Notwithstanding the foregoing provisions of this Section 4.17, the Company shall be deemed to have furnished in compliance with this Section 4.17 such reports referred to in Section 4.17(a) to the Trustee and the Holders if the Company has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available.

(d) Furthermore, notwithstanding anything herein to the contrary, the Company will not be deemed to have failed to comply with any of its obligations hereunder for purposes of Section 6.01(3) until 120 days after the date any report hereunder is due, and any failure to comply with this Section 4.17 shall automatically be cured when the Company provides all required reports to the Holders.

The Trustee shall have no responsibility for the filing, timeliness or content of reports.

Delivery of the reports, information and documents in accordance with this Section 4.17 shall satisfy the Company’s obligation to make such delivery, but, in the case of the Trustee, such delivery shall be for informational purposes only, and the Trustee’s receipt of such reports, information and documents shall not constitute constructive notice of any information contained therein or determinable

from information contained therein, including the Company's compliance with any of its covenants (as to which the trustee is entitled to conclusively rely on an Officer's Certificate).

SECTION 4.18. Limitations on Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Company may designate any Subsidiary (other than Navios Finance ~~or~~, any other Subsidiary that is at such time a co-issuer of the Notes or any Subsidiary that holds Pledged Share Collateral) to be an Unrestricted Subsidiary if that designation would not cause a Default or cause a Default to be continuing after such designation. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary shall be deemed to be an Investment made as of the time of the designation and shall reduce the amount available for Restricted Payments under Section 4.11 or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default or cause a Default to be continuing after such redesignation. Notwithstanding the foregoing, on any occasion following the Issue Date on which Navios Partners, Navios Maritime Acquisition, Navios Europe I or Navios Europe II shall become a Subsidiary of the Company, then, on such occasion and without any further act on the part of the Company, it shall be automatically designated an "Unrestricted Subsidiary" for all purposes under this Indenture (unless the Company otherwise provides notice to the Trustee) and, notwithstanding anything to the contrary in this Section 4.18, the Company shall not be deemed to have made an Investment in such Subsidiary at the time of such designation other than to the extent of any Investment made which resulted in it becoming a Subsidiary of the Company.

SECTION 4.19. Suspension of Covenants.

(a) If on any date after the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "**Covenant Suspension Event**"), then, beginning on that day, Section 4.10, Section 4.11, Section 4.13(I) Section 4.14, Section 4.15, Section 4.16 and Section 5.01(a)(3) (collectively, the "**Suspended Covenants**") shall no longer be applicable to the Notes.

(b) In the event that the Co-Issuers and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "**Reversion Date**") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Co-Issuers and the Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants with respect to future events.

(c) The period of time between the Covenant Suspension Event and the Reversion Date is referred to as the "**Suspension Period**." Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds shall be reset at zero. In the event of any such reinstatement, no action taken or omitted to be taken by the Co-Issuers and the Restricted Subsidiaries prior to such reinstatement that would otherwise be a breach of any Suspended Covenant will give rise to a Default or Event of Default under this Indenture with respect to the Notes; *provided* that (i) with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.11 had been in effect since the Issue Date and throughout the Suspension Period, and

(ii) all Indebtedness incurred, or Disqualified Stock or preferred stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (2) of Section 4.10(b). No Subsidiaries shall be designated as Unrestricted Subsidiaries during any Suspension Period. During the Suspension Period, any future obligations to grant further Guarantees of the Notes shall be suspended but such further obligation to grant Guarantees of the Notes shall be reinstated upon the Reversion Date.

(d) The Company will promptly deliver to the Trustee an Officer's Certificate identifying any Covenant Suspension Event including the date thereof and an Officer's Certificate identifying any Reversion Date. The Trustee shall not have any duty to monitor whether there is a Covenant Suspension Event or a Reversion Date and shall not have any duty to notify the noteholders of any Covenant Suspension Event or Reversion Date.

SECTION 4.20. Payment of Additional Amounts.

(a) All payments made by the Co-Issuers under or with respect to the Notes or by a Guarantor under or with respect to its Note Guarantee shall be made free and clear of and without withholding or deduction for or on account of any present or future Taxes imposed or levied by or on behalf of any Taxing Authority in any jurisdiction in which a Co-Issuer or any Guarantor is organized or is otherwise resident for tax purposes, or any jurisdiction from or through which payment is made (each, a "**Relevant Taxing Jurisdiction**"), unless such Co-Issuer or Guarantor is required to withhold or deduct Taxes by law or by the official interpretation or administration thereof.

(b) If a Co-Issuer or any Guarantor is required to withhold or deduct any amount for or on account of Taxes imposed by a Relevant Taxing Jurisdiction from any payment made under or with respect to the Notes or the Note Guarantee of such Guarantor, the Co-Issuers or the relevant Guarantor, as applicable, shall pay such additional amounts ("**Additional Amounts**") as may be necessary so that the net amount received by each Holder (including Additional Amounts) after such withholding or deduction shall equal the amount the Holder would have received if such Taxes had not been withheld or deducted; *provided, however*, that no Additional Amounts shall payable with respect to any Tax:

(1) that would not have been imposed, payable or due but for the existence of any present or former connection between the Holder (or the Beneficial Owner of, or person ultimately entitled to obtain an interest in, such Notes) and the Relevant Taxing Jurisdiction (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) other than the mere holding of the Notes or enforcement of rights under such Note or under a Guarantee or the receipt of payments in respect of such Note or a Guarantee;

(2) that would not have been imposed, payable or due but for the failure to satisfy any certification, identification or other reporting requirements whether imposed by statute, treaty, regulation or administrative practice; *provided, however*, that the Co-Issuers have delivered a request to the Holder to comply with such requirements at least 30 days prior to the date by which such compliance is required;

(3) that would not have been imposed, payable or due if the presentation of Notes (where presentation is required) for payment had occurred within 30 days after the date such payment was due and payable or was duly provided for, whichever is later;

(4) subject to Section 4.20(e), that is an estate, inheritance, gift, sales, excise, transfer or personal property tax, assessment or charge; or

(5) as a result of a combination of the foregoing clauses (1) through (4).

In addition, Additional Amounts shall not be payable if the Beneficial Owner of, or person ultimately entitled to obtain an interest in, such Notes had been the Holder and such Beneficial Owner would not be entitled to the payment of Additional Amounts by reason of clause (1), (2), (3), (4) or (5) above. In addition, Additional Amounts shall not be payable with respect to any Tax which is payable otherwise than by withholding from any payment under, or in respect of the Notes or any Guarantee.

(c) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, premium, if any, interest, if any, or of any other amount payable under or with respect to any Note, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(d) Upon request, the Co-Issuers shall provide the Trustee with documentation satisfactory to the Trustee evidencing the payment of Additional Amounts.

(e) The Co-Issuers and the Guarantors shall pay any present or future stamp, court or documentary taxes, or any similar taxes, charges or levies which arise in any Relevant Taxing Jurisdiction from the execution, delivery or registration of the Notes, this Indenture or any other document or instrument referred to therein, or the receipt of any payments with respect to or enforcement of, the Notes or any Guarantee.

(f) Notwithstanding anything to the contrary contained in this Indenture, the Co-Issuers and the Guarantors may, to the extent required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from any payments under this Indenture; *provided* that the foregoing shall not limit the obligation of the Co-Issuers and the Guarantors to pay Additional Amounts as set forth in this Section 4.20.

SECTION 4.21. Loss of a Mortgaged Vessel.

(a) If an Event of Loss occurs at any time with respect to a Future Mortgaged Vessel (the Future Mortgaged Vessel suffering such Event of Loss being the “**Lost Future Mortgaged Vessel**”), the Company or the relevant Restricted Subsidiary shall deposit all Event of Loss Proceeds with respect to such Event of Loss with the Collateral Trustee as Trust Monies constituting Collateral subject to disposition as provided in this Section 4.21 or as provided in Sections 11.04 and 12.02. Such amount is hereinafter referred to as the “**Loss Redemption Amount.**”

(b) Within 365 days (subject to extension as provided in clause (c) below) after the receipt of any Event of Loss Proceeds, the Company or the applicable Restricted Subsidiary shall apply such Event of Loss Proceeds to:

(1) substitute one or more Qualified Vessels (and to make any Permitted Repairs with respect thereto) for such Lost Future Mortgaged Vessel and make such Qualified Vessel(s) subject to the Lien of this Indenture and the applicable Security Documents in accordance with the provisions thereof described under Section 11.04 and Section 11.09(a);

(2) make an Event of Loss Offer in accordance with the provisions of this Section 4.21 and the other provisions of this Indenture; and/or

(3) any combination of the transactions permitted by the foregoing clauses (1) and (2).

(c) A (A) binding contract to apply Event of Loss Proceeds in accordance with clause (b)(1) above shall toll the 365-day period in respect of such Event of Loss Proceeds or (B) determination by the Company to potentially apply all or a portion of such Event of Loss Proceeds towards the exercise of an outstanding Vessel Purchase Option Contract shall toll the 365-day period in respect of such Event of Loss Proceeds, in each case, for a period not to exceed 365 days from the expiration of the aforementioned 365-day period, *provided* that such binding contract and such determination, in each case, shall be treated as a permitted application of Event of Loss Proceeds from the date of such binding contract until and only until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) (i) in the case of any Vessel Construction Contract or any Exercised Vessel Purchase Option Contract (including any outstanding Vessel Purchase Option Contract exercised during the 365 day period referenced in clause (B) above), the date of expiration or termination of such Vessel Construction Contract or Exercised Vessel Purchase Option Contract and (ii) otherwise, the 365th day following the expiration of the aforementioned 365-day period (clause (i) or clause (ii) as applicable, the **“Loss Proceeds Reinvestment Termination Date”**). If such acquisition or expenditure is not consummated on or before the Loss Proceeds Reinvestment Termination Date and the Company (or the applicable Future Mortgaged Vessel Guarantor, as the case may be) shall not have applied such Event of Loss Proceeds pursuant to clause (b)(1) above on or before the Loss Proceeds Reinvestment Termination Date, such Event of Loss Proceeds shall constitute Excess Loss Proceeds.

(d) Any Event of Loss Proceeds that are not applied or invested as provided in Section 4.21(b) shall constitute **“Excess Loss Proceeds.”** When the aggregate amount of Excess Loss Proceeds exceeds \$30.0 million, the Co-Issuers shall make an offer (an **“Event of Loss Offer”**) to all Holders to purchase the maximum principal amount of Notes that may be required to be purchased out of the Excess Loss Proceeds (the **“Excess Loss Proceeds Payment Amount”**). The offer price for the Notes in any Event of Loss Offer shall be equal to 100% of the aggregate principal amount of the Notes plus accrued and unpaid interest thereon, if any, to the date of purchase (the **“Event of Loss Offered Price”**), and shall be payable in cash. If any Excess Loss Proceeds remain after consummation of an Event of Loss Offer, those Excess Loss Proceeds shall be retained as Trust Monies. If the aggregate principal amount of Notes tendered into such Event of Loss Offer exceeds the amount of Excess Loss Proceeds, the Trustee shall select the Notes to be purchased on a *pro rata* basis. Upon completion of each Event of Loss Offer, the amount of Excess Loss Proceeds shall be reset at zero. The Co-Issuers may elect to satisfy their obligations to make an Event of Loss Offer prior to expiration of the relevant period or with respect to Excess Loss Proceeds of \$30.0 million or less.

(e) Whenever Event of Loss Proceeds from any Event of Loss are received by the Co-Issuers, such Event of Loss Proceeds shall be retained by the Collateral Trustee as Trust Monies constituting Collateral subject to disposition as provided in this Section 4.21 or as provided under Sections 11.04 and 12.02. At the direction of the Co-Issuers, such Event of Loss Proceeds may be invested by the Collateral Trustee in Cash Equivalents in which the Collateral Trustee can maintain a perfected security interest.

(f) Upon the commencement of an Event of Loss Offer, the Co-Issuers shall deliver electronically or send, or cause to be delivered electronically or sent, by first class mail, a notice to the Trustee and to each Holder at its registered address. The notice shall contain all instructions and materials necessary to enable such Holder to tender Notes pursuant to the Event of Loss Offer. Any Event of Loss Offer shall be made to all Holders. The notice, which shall govern the terms of the Event of Loss Offer, shall state:

(1) that the Event of Loss Offer is being made pursuant to this Section 4.21 and that, to the extent lawful, all Notes tendered and not withdrawn shall be accepted for payment (unless prorated);

(2) the Excess Loss Proceeds Payment Amount, the Event of Loss Offered Price, and the date on which Notes tendered and accepted for payment shall be purchased, which date shall be at least 30 days and not later than 60 days from the date such notices is mailed or delivered electronically (the “**Event of Loss Payment Date**”);

(3) that any Notes not tendered or accepted for payment shall continue to accrue interest in accordance with the terms thereof;

(4) that, unless the Co-Issuers default in making such payment, any Notes accepted for payment pursuant to the Event of Loss Offer shall cease to accrue interest on and after the Event of Loss Payment Date;

and the order or decree remains unstayed and in effect for 60 consecutive days.

SECTION 6.02. Acceleration.

In the case of an Event of Default specified in clause (9) or (10) of Section 6.01, with respect to a Co-Issuer, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee, by written notice to the Co-Issuers, or the Holders of at least 25% in principal amount of the then outstanding Notes, by written notice to the Trustee and the Co-Issuers, may declare all the Notes to be due and payable. Any such notice from the Trustee or Holders shall specify the applicable Event(s) of Default and state that such notice is a “**Notice of Acceleration.**” Upon such declaration of acceleration pursuant to a Notice of Acceleration, the aggregate principal of and accrued and unpaid interest, if any, on the outstanding Notes shall become due and payable without further action or notice.

In the event of any Event of Default specified in clause (5) of Section 6.01, such Event of Default and its consequences (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Company delivers an Officer’s Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

If a Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or interest, if any, on, the Notes or to enforce the performance of any provision of the Notes or this Indenture and the Trustee may direct the Collateral Trustee to enforce the performance of any provision of the Security Documents if any amount becomes due and payable pursuant to Section 6.02 (but not otherwise).

The Trustee and the Collateral Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. All rights of action and claims under the Security Documents may be prosecuted or enforced under the Security Documents by the Collateral Trustee (upon the direction of the Trustee, where appropriate). A delay or omission by the Trustee, the Collateral Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Each Holder, by accepting a Note, acknowledges that the exercise of remedies by the Collateral Trustee with respect to the Collateral is subject to the terms and conditions of the Security Documents.

SECTION 6.04. Waiver of Past Defaults.

Subject to Sections 2.09, 6.07 and 9.02, the Holders of a majority in principal amount of the outstanding Notes (which may include consents obtained in connection with a tender offer or exchange offer of Notes) by notice to the Trustee may rescind an acceleration or waive an existing Default or Event of Default and its consequences, except a continuing Default or Event of Default in the payment of principal of, or interest or premium on, any Note as specified in Section 6.01(1) or (2). In case of any such rescission or waiver, the Co-Issuers, the Trustee and the Holders shall be restored to their former positions and rights hereunder and under the Notes, respectively. Upon any such rescission or waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such rescission or waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority.

The Holders of not less than a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. Subject to Section 7.01, however, the Trustee may refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines in good faith may be unduly prejudicial to the rights of another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such directions are unduly prejudicial to such Holders), or that may involve the Trustee in personal liability; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

In the event the Trustee takes any action or follows any direction pursuant to this Indenture, the Trustee shall be entitled to indemnification against any loss or expense caused by taking such action or following such direction.

SECTION 6.06. Limitation on Suits.

No Holder shall have any right to institute any proceeding with respect to this Indenture or the Notes or for any remedy hereunder or thereunder, unless:

- (1) an Event of Default has occurred and is continuing and such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense in complying with such request;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 60-day period.

However, such limitations shall not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of or interest or premium (if any) on, such Note on or after the due date therefor.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over such other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, and interest, if any, on, a Note, on or after the respective due dates therefor, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder except to the extent that the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment or waiver of the Lien of this Indenture and the Security Documents upon the Collateral.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default in payment of principal, interest or premium specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Co-Issuers or any other obligor on the Notes for the whole amount of principal, premium and accrued interest (if any) and fees remaining unpaid, together with interest, if any, on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate *per annum* borne by the Notes and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee (acting in any capacity hereunder), its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Co-Issuers, their creditors or their property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such judicial proceedings is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceedings whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

The Trustee

shall be entitled to participate as a member of any official committee of creditors in the matters as it deems necessary or advisable.

SECTION 6.10. Priorities.

If the Trustee or the Collateral Trustee collects any money pursuant to this Article Six, any other provision of this Indenture, pursuant to any of the Security Documents or as Trust Monies hereunder, it shall pay out the money or property in the following order:

First: to the Trustee and the Collateral Trustee for amounts due under Section 7.07;

Second: to Holders for interest accrued on the Notes, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for interest;

Third: to Holders for principal amounts due and unpaid on the Notes and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and premium;

Fourth: without duplication, to the Holders, for any other obligations due to them hereunder or under the Notes, *pro rata* based on the amounts of such obligations; and

Fifth: to the Co-Issuers or, if applicable, the Guarantors, as their respective interests may appear.

The Trustee, upon prior written notice to the Co-Issuers, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Collateral Trustee for any action taken or omitted by it as Trustee or as Collateral Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 shall not apply to a suit by the Trustee or the Collateral Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by a Holder or Holders of more than 10% in principal amount of the outstanding Notes.

ARTICLE SEVEN

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee need perform only those duties as are specifically set forth herein or in the Trust Indenture Act and no duties, covenants, responsibilities or obligations shall be implied in this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee and the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officer's Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee or the Collateral Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee or the Collateral Trustee, the Trustee or the Collateral Trustee, as applicable, shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.01(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Co-Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) In the absence negligence or willful misconduct on the part of the Trustee or the Collateral Trustee, the Trustee and the Collateral Trustee, as applicable, shall not be responsible for the application of any money by any Paying Agent other than the Trustee or the Collateral Trustee.

(h) Subject to Section 9.02 hereof, the Trustee may (but shall not be obligated to), without the consent of the Holders, give any consent, waiver or approval required under any of the Security Documents or by the terms hereof with respect to the Collateral, but shall not without the consent of the Holders of a majority in aggregate principal amount of the Notes at the time outstanding (i) give any consent, waiver or approval or (ii) agree to any amendment or modification of any of the Security Documents, in each case which will have an adverse effect on the interests of any Holder. The Trustee

shall be entitled to request and conclusively rely on an Opinion of Counsel with respect to whether any consent, waiver, approval, amendment or modification will have an adverse effect on the interests of any Holder.

SECTION 7.02. Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may conclusively rely, and shall be protected in acting or refraining from acting, upon any Board Resolution, certificate (including any Officer's Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel, which shall conform to the provisions of Section 13.05 (*provided* that no Officer's Certificate or Opinion of Counsel shall be required in connection with the initial issuance of Notes on the Issue Date). The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers under this Indenture; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture whether on its own motion or at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any Board Resolution, certificate (including any Officer's Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Co-Issuers, to examine the books, records, and premises of the Co-Issuers, personally or by agent or attorney at the sole cost of the Co-Issuers.

(h) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(i) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(j) Except with respect to Section 4.01 and 4.06, the Trustee shall have no duty to inquire as to the performance of the Co-Issuers with respect to the covenants contained in Article Four. In addition, the Trustee shall not be deemed to have knowledge of a Default or Event of Default except (i) any Default or Event of Default occurring pursuant to Section 4.01, 6.01(1) or 6.01(2) or (ii) any Default or Event of Default of which the Trustee shall have received written notification.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee as Trustee, Registrar and Paying Agent, and to each agent, custodian and other Person employed to act hereunder.

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee and the Collateral Trustee may request that the Co-Issuers deliver a certificate in the form of Exhibit H setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(n) For certain payments made pursuant to this Indenture, the Trustee or Collateral Trustee may be required to make a “reportable payment” or “withholdable payment” and in such cases the Trustee or Collateral Trustee shall have the duty to act as a payor or withholding agent, respectively, that is responsible for any tax withholding and reporting required under the United States Internal Revenue Code of 1986, as amended (the “Code”). The Trustee or Collateral Trustee, as applicable, shall have the sole right to make the determination as to which payments are “reportable payments” or “withholdable payments.” All parties to this Indenture shall provide an executed IRS Form W-9 or appropriate IRS Form W-8 (or, in each case, any successor form) to the Trustee and Collateral Trustee on or prior to the date hereof, and shall promptly update any such form to the extent such form becomes obsolete or inaccurate in any respect. The Trustee and Collateral Trustee shall have the right to request from any party to this Indenture, or any other person or entity entitled to payment hereunder, any additional forms, documentation or other information as may be reasonably necessary for the Trustee and Collateral Trustee to satisfy their respective reporting and withholding obligations under the Code. To the extent any such forms required to be delivered under this Section 7.02(n) are not provided by the time the related payment is required to be made or are reasonably determined by the Trustee or Collateral Trustee, as applicable, to be incomplete and/or inaccurate in any material respect, the Trustee or Collateral Trustee shall be entitled to withhold on any such payments to the extent withholding is required under Chapters 3, 4, 24 or 61 of the Code, and shall have no obligation to gross up any such payment. The Trustee and Collateral Trustee shall not be responsible for any tax withholding and reporting required pursuant to the laws of any country other than the United States of America.

(o) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

SECTION 7.03. Individual Rights of Trustee and Collateral Trustee.

The Trustee and the Collateral Trustee, each in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers, their Subsidiaries or its respective Affiliates with the same rights it would have if it were not Trustee or Collateral Trustee. However, in the event that the Trustee or the Collateral Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights. However, the Trustee and the Collateral Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Disclaimer of Trustee and Collateral Trustee.

The Trustee and the Collateral Trustee shall not be responsible for and make no representation as to the validity or adequacy of this Indenture, the Notes, the Guarantees or the Security Documents or the Collateral covered thereby, and they shall not be accountable for the Co-Issuers' use of the proceeds from the Notes, and they shall not be responsible for any statement of the Co-Issuers in this Indenture, the Guarantees, the Security Documents or any document issued in connection with the sale of Notes or any statement in the Notes other than the Trustee's certificate of authentication. Each of the Trustee and the Collateral Trustee makes no representations with respect to the effectiveness or adequacy of this Indenture.

SECTION 7.05. Notice of Default.

If a Default or Event of Default occurs and is continuing and the Trustee receives actual notice of such Default or Event of Default, the Trustee shall deliver electronically or mail to each Holder notice of the uncured Default or Event of Default within 90 days after such Default or Event of Default occurs. Except in the case of a Default in payment of principal of, or interest, or premium on, any Note, including an accelerated payment and the failure to make a payment on the Change of Control Payment Date pursuant to a Change of Control Offer, the Asset Sale Payment Date pursuant to an Asset Sale Offer, the Collateral Sale Payment Date pursuant to a Collateral Sale Offer or on the Event of Loss Payment Date pursuant to an Event of Loss Offer, the Trustee may withhold the notice if and so long as the Trustee in good faith determines that withholding the notice is in the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

Within 60 days after each July 1, beginning with July 1, 2018, the Trustee shall, to the extent that any of the events described in Trust Indenture Act § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Holder a brief report dated as of such date that would be required by Trust Indenture Act § 313(a) as if the Trust Indenture Act applied to this Indenture if and to the extent required thereby. The Trustee also shall comply with Trust Indenture Act §§ 313(b) and 313(c) as if the Trust Indenture Act applied to this Indenture.

A copy of each report at the time of its mailing to Holders shall be mailed by the Trustee to the Co-Issuers.

SECTION 7.07. Compensation and Indemnity.

The Co-Issuers shall pay to the Trustee (acting in any capacity hereunder) from time to time such reasonable compensation as the Co-Issuers and the Trustee shall from time to time agree in writing for its services rendered by it hereunder and under the Security Documents. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Co-Issuers shall reimburse the Trustee promptly upon request for all reasonable disbursements, expenses and

advances (including reasonable fees and expenses of counsel) incurred or made by it (acting in any capacity hereunder) in addition to the compensation for its services, except any such disbursements, expenses and advances as may be attributable to the Trustee's negligence or willful misconduct as finally adjudicated by a court of competent jurisdiction. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

The Co-Issuers and the Guarantors shall, jointly and severally, indemnify the Trustee (acting in any capacity hereunder) or any predecessor Trustee and its officers, directors, employees and agents for, and hold them harmless against, any and all loss, damage, claims, liability or reasonable expenses, including taxes (other than taxes based upon, measured by or determined by the income of such Person), liability or expense incurred by them except for such actions to the extent caused by any negligence or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust or the Security Documents including the reasonable costs and expenses of defending themselves against or investigating any claim or liability in connection with the exercise or performance of any of the Trustee's rights, powers or duties hereunder and including reasonable attorneys' fees and expenses and court costs incurred in connection with any action, claim or suit brought to enforce the Trustee's right to compensation, reimbursement or indemnification. The Trustee shall notify the Co-Issuers promptly of any claim asserted against the Trustee or any of its agents for which it may seek indemnity. The Co-Issuers shall defend the claim and the Trustee shall cooperate in the defense. The Trustee and its agents subject to the claim may have separate counsel and the Co-Issuers shall pay the reasonable fees and expenses of such counsel; *provided, however*, that the Co-Issuers shall not be required to pay such fees and expenses if there is no conflict of interest between the Co-Issuers and the Trustee and its agents subject to the claim in connection with such defense as reasonably determined by the Trustee. The Co-Issuers need not pay for any settlement made without its written consent, which consent shall not be unreasonably withheld. The Co-Issuers need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through the Trustee's negligence or willful misconduct under this Indenture or the Security Documents as finally adjudicated by a court of competent jurisdiction.

To secure the Co-Issuers' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes against all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal and interest on particular Notes.

When the Trustee incurs expenses or renders services after a Default specified in Section 6.01(10) or (11) occurs, such expenses and the compensation for such services shall be paid to the extent allowed under any Bankruptcy Law.

Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Trustee.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign at any time upon 30 days' written notice to the Co-Issuers in writing. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee upon 30 days written notice to the Co-Issuers and the Trustee and may appoint a successor Trustee (which Trustee shall be reasonably acceptable to the Co-Issuers). The Co-Issuers may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;

- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting as Trustee hereunder.

If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Co-Issuers shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Co-Issuers.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Co-Issuers. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the Trustee pursuant to Section 7.07, all property held by it as Trustee hereunder and under the Security Documents to the successor Trustee, subject to the Lien provided in Section 7.07, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall deliver electronically or mail notice of its succession to each Holder. The retiring or removed Trustee shall have no responsibility or liability for the action or inaction of any successor Trustee.

Any resignation or removal of the Trustee pursuant to this Indenture shall be deemed to be a resignation or removal of the Trustee under the Security Documents and any appointment of a successor Trustee pursuant to this Indenture shall be deemed to be an appointment of such person as a successor to the Trustee under the Security Documents and such successor shall assume all of the obligations of the Trustee under the Security Documents.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Co-Issuers or the Holders of at least 10% in principal amount of the outstanding Notes may petition, at the expense of the Co-Issuers, any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Co-Issuers.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Co-Issuers' and Guarantors' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person, without any further act, shall, if such resulting, surviving or transferee Person is otherwise eligible hereunder, be the successor Trustee; *provided* that such Person shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act §§ 310(a)(1), 310(a)(2), 310(a)(3) and 310(a)(5) as if the Trust Indenture Act applied to this Indenture. Each of the Trustee and Collateral Trustee shall have a combined capital and surplus of at

least \$50.0 million as set forth in its most recent published annual report of condition. The Trustee shall comply with Trust Indenture Act § 310(b) as if the Trust Indenture Act applied to this Indenture; *provided, however*, that there shall be excluded from the operation of Trust Indenture Act § 310(b)(1) any indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Co-Issuers are outstanding, if the requirements for such exclusion set forth in Trust Indenture Act § 310(b)(1) are met. The provisions of Trust Indenture Act § 310 shall apply to the Co-Issuers and any other obligor of the Notes as if the Trust Indenture Act applied to this Indenture.

SECTION 7.11. Preferential Collection of Claims Against the Co-Issuers.

The Trustee, in its capacity as Trustee hereunder, shall comply with Trust Indenture Act § 311(a) as if the Trust Indenture Act applied to this Indenture, excluding any creditor relationship listed in Trust Indenture Act § 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act § 311(a) as if the Trust Indenture Act applied to this Indenture to the extent indicated. The Trustee hereby waives any right to set-off any claim that it may have against the Co-Issuers in any capacity (other than as Trustee and Paying Agent) against any of the assets of the Co-Issuers held by the Trustee.

ARTICLE EIGHT

SATISFACTION OR DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Termination of the Co-Issuers' Obligations.

The Co-Issuers may terminate their obligations under the Notes and this Indenture and the obligations of the Guarantors under the Note Guarantees and this Indenture and this Indenture shall be discharged and shall cease to be of further effect as to all Notes issued hereunder and then outstanding, except those obligations referred to in the penultimate paragraph of this Section 8.01, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Co-Issuers and thereafter repaid to the Co-Issuers or discharged from the trust, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year or have been called for redemption pursuant to Section 5, Section 6 or Section 7 of the Notes and the Co-Issuers have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash or Cash Equivalents in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as shall be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal and premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of the deposit (other than an Event of Default resulting from the borrowing of funds to be applied to

such deposit including the incurrence of Liens in connection with such borrowings) and the deposit shall not result in a breach or violation of, or constitute a default under this Indenture;

(3) any Co-Issuer or any Guarantor has paid or caused to be paid all sums payable by them under this Indenture; and

(4) any Co-Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the Redemption Date, as the case may be.

In addition, the Co-Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

In the case of clause (1)(b) of this Section 8.01, and subject to the next sentence and notwithstanding the foregoing paragraph, the Co-Issuers' obligations in Sections 2.03, 2.05, 2.06, 2.07, 2.08, 2.12, 4.01, 4.02, 4.03 (as to legal existence of the Co-Issuers only), 7.07, 8.06 and 8.08 shall survive until the Notes are no longer outstanding pursuant to the last paragraph of Section 2.08. After the Notes are no longer outstanding, the Co-Issuers' obligations in Sections 7.07, 8.06 and 8.08 shall survive.

After such delivery or irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Co-Issuers' obligations under the Notes and this Indenture except for those surviving obligations specified above.

SECTION 8.02. Option to Effect Legal Defeasance or Covenant Defeasance.

The Co-Issuers may, at the option of their Boards of Directors evidenced by a Board Resolution set forth in an Officer's Certificate, and at any time, elect to have either Section 8.03 or 8.04 applied to all outstanding Notes and all obligations of any Guarantor upon compliance with the conditions set forth in this Article Eight.

SECTION 8.03. Legal Defeasance.

Upon the Co-Issuers' exercise under Section 8.02 of the option applicable to this Section 8.03, the Co-Issuers and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.05, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). Such Legal Defeasance means that the Co-Issuers and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.06 and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under such Notes, the Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Co-Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.06;

(2) the Co-Issuers' obligations with respect to the Notes under Article Two and Section 4.02;

(3) the rights, powers, trusts, duties, exemptions from liability, immunities and indemnities of the Trustee and Collateral Trustee hereunder, and the Co-Issuers' and the Guarantors' obligations in connection therewith; and

(4) this Article Eight.

Subject to compliance with this Article Eight, the Co-Issuers may exercise their option under this Section 8.03 notwithstanding the prior exercise of their option under Section 8.04.

SECTION 8.04. Covenant Defeasance.

Upon the Co-Issuers' exercise under Section 8.02 of the option applicable to this Section 8.04, (i) the Co-Issuers and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.05, be released from each of their obligations under the covenants contained in Sections 4.03 (other than with respect to the legal existence of the Co-Issuers), 4.04, 4.09 through 4.19, 4.21 and 5.01 (except for the covenants contained in clauses (a)(1) and (a)(2) thereof) with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.05 are satisfied (hereinafter, "**Covenant Defeasance**"), (ii) the Co-Issuers and the Guarantors may cause the release of the Note Guarantees and of any Liens securing the Notes or the Guarantees, and (iii) the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Guarantees, the Co-Issuers and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply, and any release of the Note Guarantees or of Liens securing the Notes or the Note Guarantees, shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees shall be unaffected thereby. In addition, upon the Co-Issuers' exercise under Section 8.02 of the option applicable to this Section 8.04, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(3) through 6.01(10) shall not constitute Events of Default.

SECTION 8.05. Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Sections 8.03 or 8.04:

(1) the Co-Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as shall be sufficient, without consideration of any reinvestment of interest, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of or interest and premium, if any, on the outstanding Notes on the Stated Maturity or on the applicable Redemption Date, as the case may be, and the Co-Issuers must specify whether the Notes are being defeased to maturity or to a particular Redemption Date;

(2) in the case of an election under Section 8.03, the Co-Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Co-Issuers have received from, or there has been published by, the U.S. Internal Revenue Service a

ruling or (b) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.04, the Co-Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes shall not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and shall be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from, or otherwise arising in connection with, the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which either of the Co-Issuers or any of their Subsidiaries is a party or by which either of the Co-Issuers or any of their Subsidiaries is bound;

(6) the Co-Issuers must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Co-Issuers with the intent of preferring the Holders over the other creditors of the Co-Issuers or any of their Subsidiaries or with the intent of defeating, hindering, delaying or defrauding creditors of the Co-Issuers or any of their Subsidiaries or others; and

(7) the Co-Issuers must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the opinion of counsel required by clause (2) above with respect to an election under Section 8.03 need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation shall become due and payable within one year under arrangements reasonably satisfactory to the Trustee for the giving of a notice of redemption by the Trustee in the name and at the expense of the Co-Issuers.

If the funds deposited with the trustee to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes when due, then the obligations of the Co-Issuers and the Guarantors under this Indenture will be revived and no such defeasance will be deemed to have occurred.

SECTION 8.06. Deposited Money and Government Securities To Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.07, all cash, Cash Equivalents and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying Trustee, collectively for purposes of this Section 8.06, the "**Trustee**") pursuant to Article Eight in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee

may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Co-Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.05 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article Eight to the contrary, the Trustee shall deliver or pay to the Co-Issuers from time to time upon the request of the Co-Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 which, in the opinion of a firm of independent public accountants or any investment bank or appraisal firm, in each case nationally recognized in the United States expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.05(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.07. Repayment to the Co-Issuers.

Subject to applicable escheatment laws, any money deposited with the Trustee or any Paying Agent, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall promptly be paid to the Co-Issuers on their written request or shall be discharged from such trust; and the Holder of such Note shall thereafter be permitted to look only to the Co-Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Co-Issuers as trustee thereof, shall thereupon cease.

SECTION 8.08. Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with this Article Eight, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Co-Issuers' and the Guarantors' obligations under this Indenture, the Notes, the Guarantees and the Security Documents shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with this Article Eight, as the case may be; *provided, however*, that (a) if the Co-Issuers make any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Co-Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent and (b) so long as no payment Default or Event of Default has occurred and is continuing, unless otherwise required by any legal proceeding or any other order or judgment of any court or governmental authority, the Trustee or Paying Agent shall return all such money and U.S. obligations (in each case to the extent remaining in their possession) to the Co-Issuers promptly after receiving a written request therefore at any time, if such reinstatement of the Co-Issuers' obligations has occurred and continues to be in effect other than such money as has been applied to payment on the Notes.

The Co-Issuers shall be entitled to cure any event resulting in the reinstatement of its obligations hereunder.

AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 9.01. Without Consent of Holders.

The Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee, as applicable, may amend, waive, supplement or otherwise modify this Indenture, the Notes, the Note Guarantees, any Security Document or any other agreement or instrument entered into in connection with this Indenture without notice to or consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of a Co-Issuer's or a Guarantor's obligations to Holders and Guarantees in the case of a merger, amalgamation or consolidation or sale of all or substantially all of such Co-Issuer's or such Guarantor's assets, as applicable;
- (4) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder as set forth in an Officer's Certificate delivered to the Trustee;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (6) to allow any Guarantor to execute a supplemental indenture and a Guarantee with respect to the Notes or to release a Guarantee or a security interest under the Notes or a Guarantee in accordance with the terms of this Indenture;
- (7) [reserved];
- (8) to evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee or Collateral Trustee;
- (9) to comply with the rules of any applicable securities depository;

(14) to establish or maintain the Ship Mortgages as first priority ship mortgages on the Future Mortgaged Vessels, or to correct or amplify the description of any property at any time subject to the Lien of this Indenture or the Ship Mortgages, or to subject additional property to the Lien of this Indenture or the Ship Mortgages;

(16) to make such changes as are necessary to facilitate the release, substitution and pledging of Collateral that are not materially adverse to any Holder or the Trustee as set forth in an Officer's Certificate delivered to the Trustee.

Upon the request of the Co-Issuers accompanied by a Board Resolution of each of their respective Boards of Directors authorizing the execution of any such amended or supplemental Indenture, and upon receipt by the Trustee or the Collateral Trustee, as applicable, of any documents requested under Section 7.02(b), the Trustee or the Collateral Trustee, as applicable, shall join with the Co-Issuers and any Guarantors in the execution of any amended or supplemental Indenture authorized or permitted by the terms of this Indenture and make any further appropriate agreements and stipulations that may be therein contained, but the Trustee or the Collateral Trustee, as applicable, shall not be obligated to enter into such amended or supplemental Indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02. With Consent of Holders.

(a) Subject to Sections 9.01 and this 9.02, the Co-Issuers, the Guarantors, the Trustee and the Collateral Trustee, together, with the written or electronic consent of the Holder or Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), may amend or supplement this Indenture, the Notes, the Note Guarantees or any Security Document, and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, the Note Guarantees or the Security Documents may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

(b) Notwithstanding Section 9.02(a), without the consent of the Co-Issuers and each Holder affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than the number of days in advance of the redemption of Notes that notice of redemption has been given) (it being understood that this clause (2) does not apply to Sections 4.09, 4.13 and 4.21);

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes in accordance with the provisions of this Indenture and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest or premium, if any, on the Notes, or Additional Amounts, if any;

(7) waive a redemption payment with respect to any Note (it being understood that this clause (7) does not apply to a payment required by Section 4.09, 4.13 or 4.21);

(8) release any Guarantor from any of its obligations under its Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(9) expressly subordinate in right of payment the Notes or the Note Guarantees to any other Indebtedness of the Co-Issuers or any Guarantor; or

(10) make any change to this Section 9.02.

(c) Notwithstanding Section 9.02(a), without the consent of Holders of 66 2/3% of the outstanding Notes affected, an amendment, supplement or waiver may not:

(1) amend, change or modify in any material respect the obligation of the Co-Issuers to make and consummate a Collateral Sale Offer or an Event of Loss Offer, as the case may be, or modify the provisions or definitions with respect thereto; or

(2) release the Lien of the Collateral Trustee on behalf of the Trustee for the benefit of the Holders in any Collateral (other than by operation of the terms of this Indenture and the Security Documents).

(d) It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, supplement or waiver but it shall be sufficient if such consent approves the substance thereof.

(e) A consent to any amendment, supplement or waiver under this Indenture by any Holder given in connection with an exchange (in the case of an exchange offer) or a tender (in the case of a tender offer) of such Holder's Notes shall not be rendered invalid by such tender or exchange.

(f) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Co-Issuers shall deliver electronically or mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Co-Issuers to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

SECTION 9.03. [Reserved].

SECTION 9.04. Revocation and Effect of Consents.

Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to his Note or portion of his Note by notice to the Trustee or the Co-Issuers received before the date on which the Trustee receives an Officer's Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver.

The Co-Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver, which record date shall be prior to the first solicitation of such consent. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date. The Co-Issuers shall inform the Trustee in writing of the fixed record date if applicable.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (1) through (10) of Section 9.02(b), in which case, the amendment, supplement or waiver shall bind only each Holder who has consented to it and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note; *provided* that the Co-Issuers and the Trustee are able to identify the particular Note which has so consented; *provided, further*, that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of, and interest (if any) and premium on, a Note, on or after the respective due dates therefor, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

SECTION 9.05. Notation on or Exchange of Notes.

If an amendment, supplement or waiver changes the terms of a Note, the Co-Issuers may require the Holder to deliver it to the Trustee. The Co-Issuers shall provide the Trustee with an appropriate notation on the Note about the changed terms and cause the Trustee to return it to the Holder at the Co-Issuers' expense. Alternatively, if the Co-Issuers or the Trustee so determine, the Co-Issuers in exchange for the Note shall issue, and the Trustee shall authenticate, a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee and Collateral Trustee To Sign Amendments, Etc.

The Trustee or the Collateral Trustee, as the case may be, shall execute any amendment, supplement or waiver authorized pursuant to this Article Nine; *provided* that the Trustee or the Collateral Trustee, as the case may be, may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's or the Collateral Trustee's own rights, duties or immunities under this Indenture. The Trustee and the Collateral Trustee shall each be entitled to receive, and, subject to Section 7.01, shall be fully protected in conclusively relying upon, an Opinion of Counsel and an Officer's Certificate, each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and that such amendment or supplement is the legal, valid and binding obligation of the Co-Issuers, the Guarantors, or any surviving

Person as applicable, enforceable against them in accordance with their terms. Such Opinion of Counsel shall be at the expense of the Co-Issuers.

Upon the execution of any amended or supplemental indenture pursuant to and in accordance with this Article Nine, this Indenture shall be modified in accordance therewith, and such amended or supplemental Indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

ARTICLE TEN

NOTE GUARANTEE

SECTION 10.01. Unconditional Guarantee.

Subject to the provisions of this Article Ten, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes, the Security Documents or the obligations of the Co-Issuers to the Holders or the Trustee hereunder or thereunder: (a) (x) the due and punctual payment of the principal of, premium, if any, and interest, if any, on the Notes when and as the same shall become due and payable, whether at maturity, upon redemption or repurchase, by acceleration or otherwise, (y) the due and punctual payment of interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Notes and (z) the due and punctual payment and performance of all other obligations of the Co-Issuers, in each case, to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.07), all in accordance with the terms hereof and thereof (collectively, the “**Guarantee Obligations**”); and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the due and punctual payment and performance of the Guarantee Obligations in accordance with the terms of the extension or renewal, whether at maturity, upon redemption or repurchase, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Co-Issuers to the Holders under this Indenture, under the Notes or under any Security Document, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture, the Notes or the Security Documents shall constitute an Event of Default under the Note Guarantees, and shall entitle the Holders to accelerate the obligations of the Guarantors thereunder in the same manner and to the same extent as the obligations of the Co-Issuers.

Each of the Guarantors hereby agrees that (to the extent permitted by law) its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes, this Indenture or the Security Documents, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Co-Issuers, any action to enforce the same, whether or not a Note Guarantee is affixed to any particular Note, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor (other than payment). To the fullest extent permitted by law and subject to Section 6.06, each of the Guarantors hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Co-Issuers, any right to require a proceeding first against the Co-Issuers, protest, notice and all demands whatsoever and covenants that its Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, this Indenture, this Note Guarantee and the Security Documents. This Note Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to any Co-Issuer or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to such

Co-Issuer or such Guarantor, any amount paid by such Co-Issuer or such Guarantor to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (a) subject to this Article Ten, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article Six, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee.

SECTION 10.02. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal, foreign, provincial or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree (to the extent required by such laws) that the obligations of such Guarantor under its Note Guarantee and this Article Ten shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Ten, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance or breaching corporate interest rules under applicable law. Each Guarantor that makes a payment for distribution under its Note Guarantee is entitled to a contribution from each other Guarantor in a *pro rata* amount based on the adjusted net assets of each Guarantor.

Each Guarantor that is incorporated, organized or formed, as the case may be, in Belgium (a “**Belgian Guarantor**”), and by its acceptance hereof, each Holder hereby confirms that notwithstanding any other provision of this Indenture, or any related agreements or certificates, the maximum aggregate liability hereunder of any such Belgian Guarantor will be limited so that the aggregate of such Belgian Guarantor’s liability hereunder plus all other liabilities (including conditional guarantees) of such Belgian Guarantor will not exceed its financial capacity or otherwise result in insolvency of such Belgian Guarantor nor exceed any other limitation imposed by Belgian law.

SECTION 10.03. Execution and Delivery of Guarantee.

To further evidence its Guarantee set forth in Section 10.01, each Guarantor hereby agrees that a notation of such Guarantee, substantially in the form of Exhibit E hereto (each, a “**Notation of Guarantee**”), shall be endorsed on each Note authenticated and delivered by the Trustee. Such Notation of Guarantee shall be executed on behalf of each Guarantor by either manual or facsimile signature of one Officer or other person duly authorized by all necessary corporate action of such Guarantor who shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Notation of Guarantee shall not be affected by the fact that it is not affixed to any particular Note.

Each of the Guarantors hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a Notation of Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Notation of Guarantee no longer holds that office at the time the Trustee authenticates the Note on which such Notation of Guarantee is endorsed or at any time thereafter, such Guarantor's Notation of Guarantee of such Note shall nevertheless be valid.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Note Guarantee set forth in this Indenture on behalf of each Guarantor.

SECTION 10.04. Release of a Guarantor.

Notwithstanding Section 4.16(a), a Guarantor shall be automatically and unconditionally released from its obligations under its Note Guarantee and its obligations under this Indenture in accordance with Section 4.16(b) or as otherwise expressly permitted by this Indenture.

The Trustee shall execute an appropriate instrument prepared by the Co-Issuers evidencing the release of a Guarantor from its obligations under its Note Guarantee upon receipt of a request by the Co-Issuers or such Guarantor accompanied by an Officer's Certificate and, if requested by the Trustee, an Opinion of Counsel certifying as to the compliance with this Section 10.04; *provided, however*, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officer's Certificates of the Co-Issuers.

Except as set forth in Articles Four and Five and this Section 10.04, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into a Co-Issuer or another Guarantor or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to a Co-Issuer or another Guarantor.

SECTION 10.05. Waiver of Subrogation.

Until this Indenture is discharged and all of the Notes are discharged and paid in full, each Guarantor hereby irrevocably waives and agrees not to exercise any claim or other rights which it may now or hereafter acquire against the Co-Issuers that arise from the existence, payment, performance or enforcement of the Co-Issuers' obligations under the Notes or this Indenture and such Guarantor's obligations under this Note Guarantee and this Indenture, in any such instance including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Holders against the Co-Issuers, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Co-Issuers, directly or indirectly, in cash or other assets or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the Holders under the Notes, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the Holders and shall forthwith be paid to the Trustee for the benefit of itself or such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it shall receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.05 is knowingly made in contemplation of such benefits.

SECTION 10.06. Immediate Payment.

Each Guarantor agrees to make immediate payment to the Trustee on behalf of the Holders of all Guarantee Obligations owing or payable to the respective Holders upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

SECTION 10.07. No Set-Off.

Each payment to be made by a Guarantor hereunder in respect of the Guarantee Obligations shall be payable in the currency or currencies in which such Guarantee Obligations are denominated, and, to the fullest extent permitted by law, shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 10.08. Guarantee Obligations Absolute.

The obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Note Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

SECTION 10.09. Note Guarantee Obligations Continuing.

The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all such obligations have been paid and satisfied in full. Each Guarantor agrees with the Trustee that it shall, upon request by the Trustee, deliver to the Trustee suitable acknowledgments of this continued liability hereunder and under any other instrument or instruments relating to this Indenture in such form as counsel to the Trustee may reasonably advise.

SECTION 10.10. Note Guarantee Obligations Not Reduced.

The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or payable under or by virtue of or otherwise in connection with the Notes or this Indenture.

SECTION 10.11. Note Guarantee Obligations Reinstated.

The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Co-Issuers or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Co-Issuers or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Co-Issuers or any other Guarantor is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Co-Issuers or such Guarantor, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

SECTION 10.12. Note Guarantee Obligations Not Affected.

To the fullest extent permitted by law, the obligations of each Guarantor hereunder shall, subject to Section 10.04, not be affected, impaired or diminished in any way by any act, omission, matter

or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

(a) any limitation of status or power, disability, incapacity or other circumstance relating to the Co-Issuers or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Co-Issuers or any other Person;

(b) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the Co-Issuers or any other Person under this Indenture, the Notes or any other document or instrument;

(c) any failure of the Co-Issuers or any other Guarantor, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture, the Notes or any Note Guarantee, or to give notice thereof to a Guarantor;

(d) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Co-Issuers or any other Person or their respective assets or the release or discharge of any such right or remedy;

(e) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Co-Issuers or any other Person;

(f) any change in the time, manner or place of payment of, or in any other term of, any of the Notes, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Notes or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Notes;

(g) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Co-Issuers or a Guarantor;

(h) any merger or amalgamation of the Co-Issuers or a Guarantor with any Person or Persons;

(i) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Guarantee Obligations or the obligations of a Guarantor under its Note Guarantee; and

(j) any other circumstance, including release of a Guarantor pursuant to Section 10.04 (other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Co-Issuers under this Indenture or the Notes or of a Guarantor in respect of its Note Guarantee hereunder.

SECTION 10.13. Waiver.

Without in any way limiting the provisions of Section 10.01, each Guarantor hereby waives notice of acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Co-Issuers, protest, notice of dishonor or non-payment of any of the Guarantee Obligations, or other notice or formalities to the Co-Issuers or any Guarantor of any kind whatsoever.

SECTION 10.14. No Obligation To Take Action Against the Co-Issuers.

None of the Trustee, the Collateral Trustee or any other Person shall have any obligation to enforce or exhaust any rights or remedies against the Co-Issuers or any other Person or any property of the Co-Issuers or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Note Guarantees or under this Indenture.

SECTION 10.15. Dealing with the Co-Issuers and Others.

The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor hereunder and without the consent of or notice to any Guarantor, may

- (a) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Co-Issuers or any other Person;
- (b) take or abstain from taking security or collateral from the Co-Issuers or from perfecting security or collateral of the Co-Issuers;
- (c) release, discharge, compromise, realize, enforce or otherwise deal with or do any act or thing in respect of (with or without consideration) any and all collateral, mortgages or other security given by the Co-Issuers or any third party with respect to the obligations or matters contemplated by this Indenture or the Notes;
- (d) accept compromises or arrangements from the Co-Issuers;
- (e) apply all monies at any time received from the Co-Issuers or from any security upon such part of the Guarantee Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and
- (f) otherwise deal with, or waive or modify their right to deal with, the Co-Issuers and all other Persons and any security as the Holders or the Trustee may see fit.

SECTION 10.16. Default and Enforcement.

If any Guarantor fails to pay in accordance with Section 10.06 hereof, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Note Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

SECTION 10.17. Acknowledgment.

Each Guarantor hereby acknowledges communication of the terms of this Indenture, the Notes and the Note Guarantees, consents to and approves of the same.

SECTION 10.18. Costs and Expenses.

Each Guarantor shall pay on demand by the Trustee any and all reasonable costs, fees and expenses (including, without limitation, reasonable legal fees on a solicitor and client basis) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Note Guarantee.

SECTION 10.19. No Merger or Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Notes, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Notes preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Note Guarantee and under this Indenture, the Notes and any other document or instrument between a Guarantor and/or the Co-Issuers and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

SECTION 10.20. Survival of Note Guarantee Obligations.

Without prejudice to the survival of any of the other obligations of each Guarantor hereunder, the obligations of each Guarantor under Section 10.01 shall survive the payment in full of the Guarantee Obligations and shall be enforceable against such Guarantor, to the fullest extent permitted by law, without regard to and without giving effect to any defense, right of offset or counterclaim available to or which may be asserted by any Co-Issuer or any Guarantor.

SECTION 10.21. Note Guarantee in Addition to Other Guarantee Obligations.

The obligations of each Guarantor under its Note Guarantee and this Indenture are in addition to and not in substitution for any other obligations to the Trustee or to any of the Holders in relation to this Indenture or the Notes and any guarantees or security at any time held by or for the benefit of any of them.

SECTION 10.22. Severability.

Any provision of this Article Ten which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit and purpose of this Indenture and this Article Ten.

SECTION 10.23. Successors and Assigns.

Subject to the provisions herein relating to the release of Note Guarantees, each Note Guarantee shall be binding upon and inure to the benefit of each Guarantor and the Trustee and the other

ARTICLE ELEVEN

(b) Each Holder, by accepting a Note, consents and agrees to all of the terms, conditions and provisions of the Security Documents (including without limitation, provisions providing for release of Collateral) and this Indenture, as the same may be amended from time to time pursuant to the provisions of the Security Documents and this Indenture and directs the Collateral Trustee to sign these documents.

SECTION 11.02. Recording, Etc.

The Trustee and the Holders acknowledge that the Collateral Trustee will be acting in respect to the Security Documents and the security granted thereunder on the terms outlined therein (which terms in respect of the rights and protections of the Collateral Trustee in the event of an inconsistency with the terms of this Indenture, will prevail). Notwithstanding anything to the contrary in any Security Document, in the event of any conflict between any provision set forth in any Security Document and any provision of this Indenture that affects any rights, privileges, protections and indemnities in favor of the Collateral Trustee, such provision set forth in this Indenture shall prevail.

It is recognized that among other things, in case of litigation under this Indenture or the Security Documents, and in particular in case of the enforcement thereof on default, or in the case the Collateral Trustee deems that by reason of any present or future law of any jurisdiction it may not

(c) In the event that the Collateral Trustee appoints a Supplemental Collateral Trustee with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Indenture or any of the other Security Documents (other than the rights arising in respect of the Parallel Debt under Section 11.13) to be exercised by or vested in or conveyed to such Collateral Trustee with respect to such Collateral shall be exercisable by and vest in such Supplemental Collateral Trustee to the extent, and only to the extent, necessary to enable such Supplemental Collateral Trustee to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Security Documents and necessary to the exercise or performance thereof by such Supplemental Collateral Trustee (other than covenants and obligations relating to the Parallel Debt) shall run to and be enforceable by either such Collateral Trustee or such Supplemental Collateral Trustee, and (ii) the provisions of this Indenture (and, in particular, this Article Eleven) that refer to the Collateral Trustee shall inure to the benefit of such Supplemental Collateral Trustee and all references therein to the Collateral Trustee shall be deemed to be references to a Collateral Trustee and/or such Supplemental Collateral Trustee, as the context may require.

(d) Should any instrument in writing from the Co-Issuers or any other obligor be required by any Supplemental Collateral Trustee so appointed by the Collateral Trustee for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Co-Issuers and relevant Guarantor shall execute, acknowledge and deliver any and all such instruments promptly upon request by the Collateral Trustee. In case any Supplemental Collateral Trustee, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and

duties of such Supplemental Collateral Trustee, to the extent permitted by law, shall vest in and be exercised by the Collateral Trustee until the appointment of a new Supplemental Collateral Trustee.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Collateral Trustee and, where it is hereby expressly required, to the Co-Issuers. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “act” of Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 11.15.

(f) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer’s individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer’s authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Collateral Trustee deems sufficient.

(g) Subject to Section 9.02 hereof, the Collateral Trustee may (but shall not be obligated to), without the consent of the Holders, give any consent, waiver or approval required under any of the Security Documents or by the terms hereof with respect to the Collateral, but shall not without the consent of the Holders of a majority in aggregate principal amount of the Notes at the time outstanding (i) give any consent, waiver or approval or (ii) agree to any amendment or modification of any of the Security Documents, in each case which will have an adverse effect on the interests of any Holder. The Collateral Trustee shall be entitled to request and conclusively rely on an Opinion of Counsel with respect to whether any consent, waiver, approval, amendment or modification will have an adverse effect on the interests of any Holder.

SECTION 11.16. Compensation and Indemnity of Collateral Trustee; Immunities of Collateral Trustee.

(a) The Co-Issuers shall pay to the Collateral Trustee from time to time such reasonable compensation as the Co-Issuers and the Collateral Trustee shall from time to time agree in writing for its services rendered by it hereunder and under the Security Documents. The Collateral Trustee’s compensation shall not be limited by any law on compensation of a trustee of an express trust. The Co-Issuers shall reimburse the Collateral Trustee promptly upon request for all reasonable disbursements, expenses and advances (including reasonable fees and expenses of counsel) incurred or made by it in addition to the compensation for its services, except any such disbursements, expenses and advances as may be attributable to the Collateral Trustee’s gross negligence or willful misconduct as finally adjudicated by a court of competent jurisdiction. Such expenses shall include the reasonable fees and expenses of the Collateral Trustee’s agents and counsel.

(b) The Co-Issuers and the Guarantors shall, jointly and severally, indemnify the Collateral Trustee or any predecessor Collateral Trustee and its officers, directors, employees and agents for, and hold them harmless against, any and all loss, damage, claims, liability or reasonable expenses, including taxes (other than taxes based upon, measured by or determined by the income of such Person),

liability or expense incurred by them except for such actions to the extent caused by any negligence or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust or the Security Documents including the reasonable costs and expenses of defending themselves against or investigating any claim or liability in connection with the exercise or performance of any of the Collateral Trustee's rights, powers or duties hereunder and including reasonable attorneys' fees and expenses and court costs incurred in connection with any action, claim or suit brought to enforce the Collateral Trustee's right to compensation, reimbursement or indemnification. The Collateral Trustee shall notify the Co-Issuers promptly of any claim asserted against the Collateral Trustee or any of its agents for which it may seek indemnity. The Co-Issuers shall defend the claim and the Collateral Trustee shall cooperate in the defense. The Collateral Trustee and its agents subject to the claim may have separate counsel and the Co-Issuers shall pay the reasonable fees and expenses of such counsel; *provided, however*, that the Co-Issuers shall not be required to pay such fees and expenses if there is no conflict of interest between the Co-Issuers and the Collateral Trustee and its agents subject to the claim in connection with such defense as reasonably determined by the Collateral Trustee. The Co-Issuers need not pay for any settlement made without its written consent, which consent shall not be unreasonably withheld. The Co-Issuers need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Collateral Trustee through the Collateral Trustee's gross negligence or willful misconduct under this Indenture or the Security Documents, as finally adjudicated by a court of competent jurisdiction.

(c) To secure the Co-Issuers' payment obligations in this Section 11.16, the Collateral Trustee shall have a Lien prior to the Notes against all money or property held or collected by the Collateral Trustee, in its capacity as Collateral Trustee, except money or property held in trust to pay principal and interest on particular Notes.

(d) When either the Collateral Trustee incurs expenses or renders services after a Default specified in Section 6.01(10) or (11) occurs, such expenses and the compensation for such services shall be paid to the extent allowed under any Bankruptcy Law.

(e) Notwithstanding any provision to the contrary elsewhere in this Indenture or any Security Documents, the Collateral Trustee will not have any duties, responsibilities or obligations other than those expressly assumed by it in this Indenture and the Security Documents to which it is a party. The Collateral Trustee will not be required to take any action that is contrary to applicable law or any provision of this Indenture or the Security Documents to which it is a party or will adversely affect the rights, privileges, benefits and immunities of or be contrary to the interests of the Collateral Trustee. The Collateral Trustee shall not have any fiduciary relationship with the Holders or Trustee and no implied covenants, obligations or responsibilities shall be read into this Indenture or the Security Documents against the Collateral Trustee.

(f) The Collateral Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, accountants, appraisers, consultants or other experts or advisors selected by it with due care as it may require and will not be responsible for any misconduct or negligence on the part of any of them.

(g) The Collateral Trustee has accepted and is bound by the Security Documents executed by the Collateral Trustee as of the Issue Date and, as directed in writing by an act of Holders or as otherwise provided for in this Indenture, the Collateral Trustee shall execute additional Security Documents delivered to it after the Issue Date; *provided, however*, that such additional Security Documents do not adversely affect the rights, privileges, benefits and immunities of the Collateral Trustee.

(h) (i) The Collateral Trustee may at any time solicit written confirmatory instructions from the Holders, an Officer's Certificate or an order of a court of competent jurisdiction, as to any action that it may be requested or required to take, or that it may propose to take, in the performance of any of its obligations under this Indenture or the Security Documents.

(ii) No written direction given to the Collateral Trustee by the Holders that in the reasonable judgment of the Collateral Trustee imposes, purports to impose or might reasonably be expected to impose upon the Collateral Trustee any obligation or liability not set forth in or arising under this Indenture and the Security Documents will be binding upon the Collateral Trustee unless the Collateral Trustee elects, at its sole option, to accept such direction.

(i) The Collateral Trustee will not be responsible or liable for any action taken or omitted to be taken by it hereunder or under any Security Document, except for its own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction.

(j) The Collateral Trustee will be entitled to require that all agreements, certificates, opinions, instruments and other documents at any time submitted to it, including those expressly provided for in this Indenture, be delivered to it in a form and with substantive provisions reasonably satisfactory to it.

(k) The Collateral Trustee may seek and rely upon, and shall be fully protected in relying upon, any judicial order or judgment, upon any advice, opinion or statement of legal counsel, independent consultants and other experts selected by it in good faith and upon any certification, instruction, notice or other writing delivered to it by any Co-Issuer or any Guarantor in compliance with the provisions of this Indenture or delivered to it by any Holder without being required to determine the authenticity thereof or the correctness of any fact stated therein or the propriety or validity of service thereof. The Collateral Trustee may act in reliance upon any instrument comporting with the provisions of this Indenture or any signature reasonably believed by it to be genuine and may assume that any Person purporting to give notice or receipt or advice or make any statement or execute any document in connection with the provisions hereof or the other Security Documents has been duly authorized to do so. To the extent an Officer's Certificate or Opinion of Counsel is required or permitted under this Indenture to be delivered to the Collateral Trustee in respect of any matter, the Collateral Trustee may rely conclusively on an Officer's Certificate or Opinion of Counsel as to such matter and such Officer's Certificate or opinion of counsel shall be full protection to the Collateral Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture and the other Security Documents.

(l) As to any matter not expressly provided for by this Indenture or the other Security Documents, the Collateral Trustee will act or refrain from acting as directed in writing by the Holders and will be fully protected if it does so, and any action taken, suffered or omitted pursuant hereto or thereto shall be binding on the Holders. In the absence of written direction of the Holders described in the immediately preceding paragraph the Collateral Trustee shall have no duty to act, consent or request any action from any Co-Issuer or any Guarantor or any other Person in connection with this Indenture (including all exhibits attached hereto).

(m) The Collateral Trustee will not be required to take any action at the direction of any Holders, to advance or expend any funds or otherwise incur any financial liability in the performance of its duties or the exercise of its powers or rights hereunder unless it has been provided with pre-funding, security or indemnity reasonably satisfactory to it against any and all cost, loss, liability or expense which may be incurred by it by reason of taking or continuing to take such action.

(n) In the event there is any good faith disagreement between the other parties to this Indenture or any of the Security Documents resulting in adverse claims being made in connection with Collateral held by the Collateral Trustee and the terms of this Indenture or any of the Security Documents do not unambiguously mandate the action the Collateral Trustee is to take or not to take in connection therewith under the circumstances then existing, or the Collateral Trustee is in doubt as to what action it is required to take or not to take hereunder or under the Security Documents, it will be entitled to refrain from taking any action (and will incur no liability for doing so) until directed otherwise (subject to Section 11.16(l)) in writing by a request signed jointly by the parties hereto entitled to give such direction or by order of a court of competent jurisdiction.

(o) (i) Beyond the exercise of reasonable care in the custody of Collateral in its possession, the Collateral Trustee will have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Collateral Trustee will not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any Liens on the Collateral. The Collateral Trustee will be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property, and the Collateral Trustee will not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Trustee in good faith. Pursuant to applicable law, each Co-Issuer and Secured Guarantor authorizes the Collateral Trustee to file or record financing statements and other filing or recording documents or instruments without the signature of such Co-Issuer or Secured Guarantor in such form and in such offices as may be necessary or as the Collateral Trustee may determine appropriate to perfect the security interests of the Collateral Trustee under this Indenture.

(ii) The Collateral Trustee will not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Collateral Trustee, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of any Co-Issuer or any Guarantor to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Collateral Trustee hereby disclaims any representation or warranty to the current and future Holders concerning the perfection of the Liens granted hereunder or in the value of any of the Collateral.

(iii) Neither the Collateral Trustee nor any of its experts, officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it under or in connection with this Indenture or the Security Documents (except for its gross negligence or willful misconduct), or (b) responsible in any manner for any recitals, statements, representations or warranties (other than its own recitals, statements, representations or warranties) made in this Indenture or any of the Security Documents or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Trustee under or in connection with, this Indenture or any of the Security Documents or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture or any of the Security Documents or for any failure of the Co-Issuers or any other Person to perform their obligations hereunder and thereunder. The Collateral Trustee shall not be under any obligation to any Person to ascertain or to inquire as to (a) the observance or performance of any of the agreements contained in, or conditions of, this Indenture or any of their Security Documents or to inspect the properties, books or records of any Co-Issuer, (b) whether or not

any representation or warranty made by any Person in connection with this Indenture or any of the Security Documents is true, (c) the performance by any Person of its obligations under this Indenture or Security Documents or (d) the breach of or default by any Person of its obligations under this Indenture or any of the Security Documents.

(iv) The Collateral Trustee shall not be bound to (a) account to any Person for any sum or the profit element of any sum received for its own account; (b) disclose to any other Person any information relating to the Person if such disclosure would, or might, constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person or (c) be required to take any action that it believes, based on advice of counsel, is in conflict with any applicable law, this Indenture or any Security Documents or any order of any court or administrative agency.

(v) Notwithstanding anything in this Indenture or any Security Documents to the contrary, (a) in no event shall the Collateral Trustee or any officer, director, employee, representative or agent of the Collateral Trustee be liable under or in connection with this Indenture or any of the Security Documents for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits or loss of opportunity, whether or not foreseeable, even if the Collateral Trustee has been advised of the possibility thereof and regardless of the form of action in which such damages are sought; and (b) the Collateral Trustee shall be afforded all of the rights, powers, immunities and indemnities set forth in this Indenture or any of Security Documents to which it is a signatory as if such rights, powers, immunities and indemnities were specifically set out in each such documents. In no event shall the Collateral Trustee be obligated to invest any amounts received by it hereunder.

(vi) The Collateral Trustee shall not be deemed to have actual, constructive, direct or indirect knowledge or notice of the occurrence of any Default unless and until the Collateral Trustee has received a written notice or a certificate from the Co-Issuers stating that a Default has occurred. The Collateral Trustee shall have no obligation whatsoever either prior to or after receiving such notice or certificate to inquire whether a Default has in fact occurred and shall be entitled to rely conclusively, and shall be fully protected in so relying, on any notice or certificate so furnished to it. No provision of this Indenture or any of the Security Documents shall require the Collateral Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Indenture or any Security Documents or the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability including an advance of moneys necessary to perform work or to take the action requested is not reasonably assured to it, the Collateral Trustee may decline to act unless it receives reasonable indemnity satisfactory to it, including an advance of moneys necessary to take the action requested. The Collateral Trustee shall be under no obligation or duty to take any action under this Indenture or any of the Security Documents or otherwise if taking such action (i) would subject the Collateral Trustee to a tax in any jurisdiction where it is not then subject to a tax or (ii) would require the Collateral Trustee to qualify to do business in any jurisdiction where it is not then so qualified.

(vii) If, with respect to a proposed action to be taken by it, the Collateral Trustee shall determine in good faith that the provisions of this Indenture or any Security Documents relating to the functions or responsibilities or discretionary powers of the Collateral Trustee are or may be ambiguous or inconsistent, the Collateral Trustee shall notify the Trustee, identifying the proposed action, and may decline either to perform such function or responsibility or to take the action requested unless it has received the written confirmation of the Trustee that the action proposed to be taken by the Collateral Trustee is consistent with the terms of this Indenture or of the Security Documents or is otherwise appropriate. The Collateral Trustee shall be fully protected in acting or refraining from acting upon the confirmation of the Trustee, in this respect, and such confirmation shall be binding upon the Holders.

(viii) Upon receipt of indemnity requested by the Collateral Trustee and assuming the requested action does not conflict with other clauses of this Section 11.16(o), the Collateral Trustee shall act upon the specific instructions of the Trustee, except for any instructions that in the good faith judgment of the Collateral Trustee may be contrary to this Indenture or of the Security Documents or applicable law.

(p) Notwithstanding anything contained herein to the contrary, the right of the Trustee or the Collateral Trustees to perform any discretionary act enumerated herein or in any Security Documents to which it is a party (including the right to consent to or approve of any action or document which requires their consent or approval and the right to waive any provision of, or consent to any change or amendment to, any of the operative documents) shall not be construed as giving rise to any expressed or implied duty owed by the Trustee or Collateral Trustee.

(q) In the event that the Collateral Trustee or Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Collateral Trustee's or Trustee's sole discretion may cause the Collateral Trustee or Trustee to be considered an "owner or operator" under any environmental laws or otherwise cause the Collateral Trustee or Trustee to incur, or be exposed to, any environmental liability or any liability under any other federal, state, foreign or local law, the Collateral Trustee and Trustee reserve the right, instead of taking such action, either to resign as Collateral Trustee or Trustee, as the case may be, or to arrange for the transfer of the title or control of the asset to a court appointed receiver. The Collateral Trustee will not be liable to any Person for any environmental liability or any environmental claims or contribution actions under any federal, state, foreign or local law, rule or regulation by reason of the Collateral Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any hazardous materials into the environment and shall be indemnified and held harmless by the Co-Issuers against any such claims, liabilities or actions.

(r) The Collateral Trustee shall not nor shall any receiver appointed by or any agent of the Collateral Trustee, by reason of taking possession of any Collateral or any part thereof or any other reason or on any basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from a realization of the Collateral or any part thereof or from any act, default or omission in relation to the Collateral or any part thereof or from any exercise or non-exercise by it of any power, authority or discretion conferred upon it in relation to the Collateral or any part thereof unless such loss or damage shall be caused directly by its own willful misconduct or gross negligence. The Collateral Trustee shall not have any responsibility or liability arising from the fact that the Collateral may be held in safe custody by a custodian. The Collateral Trustee assumes no responsibility for the validity, sufficiency or enforceability (which the Collateral Trustee has not investigated) of the Collateral purported to be created by any supplemental indenture or other document. In addition, the Collateral Trustee has no duty to monitor the performance by the Co-Issuers and the Guarantors of their obligations to the Collateral Trustee nor is it obliged (unless indemnified to its satisfaction) to take any other action which may involve the Collateral Trustee in any personal liability or expense.

(s) Notwithstanding any other provision in this Indenture, the foregoing provisions of this Section 11.16 shall survive the satisfaction and discharge of this Indenture or the appointment of a successor Collateral Trustee.

SECTION 11.17. Replacement of Collateral Trustee.

Subject to the appointment and acceptance of a successor Collateral Trustee as provided in this Section 11.17, the Collateral Trustee may resign at any time upon 30 days' written notice to the

Co-Issuers and the Trustee in writing. The Holders of a majority in principal amount of the outstanding Notes may, subject to the appointment and acceptance of a successor Collateral Trustee as provided in this Section 11.17, remove the Collateral Trustee upon 30 days written notice to the Co-Issuers, the Trustee and the Collateral Trustee and may appoint a successor Collateral Trustee (which Collateral Trustee shall be reasonably acceptable to the Co-Issuers). The Co-Issuers may remove the Collateral Trustee if:

- (1) the Collateral Trustee fails to comply with Section 7.10;
- (2) the Collateral Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Collateral Trustee under any Bankruptcy Law;
- (3) a receiver or other public officer takes charge of the Collateral Trustee or its property; or
- (4) the Collateral Trustee becomes incapable of acting as Collateral Trustee hereunder.

If the Collateral Trustee resigns or is removed or if a vacancy exists in the office of the Collateral Trustee for any reason, the Co-Issuers shall notify each Holder of such event and shall promptly appoint a successor Collateral Trustee. Within one year after the successor Collateral Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Collateral Trustee to replace the successor Collateral Trustee appointed by the Co-Issuers.

A successor Collateral Trustee shall deliver a written acceptance of its appointment to the retiring Collateral Trustee and to the Co-Issuers. Immediately after that, the retiring Collateral Trustee shall transfer, after payment of all sums then owing to the Collateral Trustee pursuant to Section 11.16, all property held by it as Collateral Trustee hereunder and under the Security Documents to the successor Collateral Trustee, subject to the Lien provided in Section 11.16, the resignation or removal of the retiring Collateral Trustee shall become effective, and the successor Collateral Trustee shall have all the rights, powers and duties of the Collateral Trustee under this Indenture. A successor Collateral Trustee shall deliver electronically or mail notice of its succession to the Trustee and each Holder. The retiring or removed Collateral Trustee shall have no responsibility or liability for the action or inaction of any successor Collateral Trustee.

Any resignation or removal of the Collateral Trustee pursuant to this Indenture shall be deemed to be a resignation or removal of the Collateral Trustee under the Security Documents and any appointment of a successor Collateral Trustee pursuant to this Indenture shall be deemed to be an appointment of such person as a successor to the Collateral Trustee under the Security Documents and such successor shall assume all of the obligations of the Collateral Trustee under the Security Documents.

If a successor Collateral Trustee does not take office within 60 days after the retiring Collateral Trustee resigns or is removed, the retiring Collateral Trustee, the Co-Issuers or the Holders of at least 10% in principal amount of the outstanding Notes may petition, at the expense of the Co-Issuers, any court of competent jurisdiction for the appointment of a successor Collateral Trustee at the expense of the Co-Issuers.

If the Collateral Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Collateral Trustee and the appointment of a successor Collateral Trustee.

Notwithstanding replacement of the Collateral Trustee pursuant to this Section 11.17, the Co-Issuers' and Guarantors' obligations under Section 11.16 shall continue for the benefit of the retiring Collateral Trustee.

In addition to the foregoing and notwithstanding any provision to the contrary, any resignation, removal or replacement of the Collateral Trustee pursuant to this Section 11.17 shall not be effective until (a) a successor to the Collateral Trustee has agreed to act under the terms of this Indenture and (b) all of the Security Interests in the Collateral has been transferred to such successor. Any replacement or successor Collateral Trustee shall be a bank meeting the requirements of Section 7.10 applicable to a Collateral Trustee with an office in New York, New York, or an Affiliate of any such bank. Upon acceptance of its appointment as Collateral Trustee hereunder by a replacement or successor, such replacement or successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Trustee hereunder, and the retiring Collateral Trustee shall be discharged from its duties and obligations hereunder.

SECTION 11.18. Certain Covenants Regarding Pledged Share Collateral.

(a) All Pledged Share Collateral (other than cash and Cash Equivalents) shall not be directly owned by the Company, but instead shall at all times be directly owned by a Pledged Share Collateral Guarantor-~~It~~ and pledged to the Collateral Agent for the benefit of the Holders. Except as otherwise provided in Section 11.18(b) with respect to Specified Proceeds, all Pledged Share Collateral that consists of cash or Cash Equivalents (including, for the avoidance of doubt, "proceeds" thereof) shall be deposited with the Collateral Trustee as Trust Monies for the benefit of the Holders. Subject to Section 11.18(b) below, in the event any Pledged Share Collateral is acquired by the Company, ~~it~~ from time to time, the Company shall, within five (5) Business Days of such acquisition, (i) in the case of ~~Pledged Share Collateral~~ cash or Cash Equivalents, deposit such cash with the Collateral Trustee as Trust Monies for the benefit of the Holders or (ii) otherwise, cause such Pledged Share Collateral to be transferred to a Pledged Share Collateral Guarantor, and pledged to the Collateral Trustee for the benefit of the Holders. Notwithstanding any other provision of the Indenture to the contrary, for so long as a Pledged Share Collateral Guarantor owns any Pledged Share Collateral, such Pledged Share Collateral Guarantor (x) may not be designated as an Unrestricted Subsidiary and (y) the Note Guarantee of such Guarantor shall not be automatically released other than pursuant to Section 4.16(b)(1), (4) or (6).

(b) So long as no Default or Event of Default shall have occurred and be continuing, Specified Proceeds shall not constitute Trust Monies and the Co-Issuers and the Restricted Subsidiaries may receive, retain and utilize Specified Proceeds for any purpose not prohibited by this Indenture (and, for the avoidance of doubt, Specified Proceeds shall not constitute Collateral at such time as they are no longer owned or retained by the Co-Issuers or a Restricted Subsidiary); provided, that upon the occurrence and during the continuation of a Default or Event of Default, Specified Proceeds shall constitute Trust Monies subject to Article 12 hereof. Any Future Navios Logistics Cash Dividend and the Net Proceeds of any Future Navios Logistics Property Dividend shall be deposited in the Collateral Account and shall at all times constitute Trust Monies subject to Article 12 hereof.

(c) Any Future Property Dividend shall be pledged to the Collateral Trustee for the benefit of the Notes and shall constitute Pledged Share Collateral. Any Future Property Dividend in the form of Equity Interests in a Pledged Company shall be pledged pursuant to the Pledged Agreements and, in the case of Equity Interests in Navios Logistics, shall constitute Navios Logistics Pledged Shares. Notwithstanding anything to the contrary in this Indenture, a Future Property Dividend shall not be sold, leased, conveyed or otherwise disposed of, except pursuant to an Asset Sale in compliance with Section 4.13 hereof as applicable to Pledged Share Collateral; provided, that, so long as no Default or Event of

Default shall have occurred and be continuing, a Future Non-Navios Logistics Property Dividend may be sold, leased, conveyed or otherwise disposed of in any manner not otherwise prohibited by this Indenture.

(d) Following the Qualified IPO, the Company shall use reasonable best efforts to cause the Navios Logistics Pledged Shares to be held in book-entry form in a brokerage account in the name of Navios Corporation or another Pledged Share Collateral Guarantor pledged to the Collateral Trustee for the benefit of the Trustee, the Collateral Trustee and the holders of the Notes over which there shall be a securities account control agreement in favor of the Collateral Trustee. Unless and until sold, leased, conveyed or otherwise disposed of in accordance with the last sentence of this Section 11.18(d), the common shares of the Company constituting the July 2020 Dividend shall be held in book-entry form in the name of Navios Corporation or another Pledged Share Collateral Guarantor and may not, in any event, be cancelled. Notwithstanding anything to the contrary in this Indenture, (x) Navios Logistics Pledged Shares may not be sold, leased, conveyed or otherwise disposed of, except pursuant to an Asset Sale in compliance with Section 4.13 hereof as applicable to Pledged Share Collateral constituting Navios Logistics Pledged Shares and (y) the July 2020 Dividend shall not be sold, leased, conveyed or otherwise disposed of, except pursuant to an Asset Sale in compliance with Section 4.13 hereof as applicable to Pledged Share Collateral.

(e) The Co-Issuers and their Restricted Subsidiaries shall only effectuate the Navios Holdings Loan Cancellation immediately prior to (and contingent upon the closing of) or following a Qualified IPO. Other than in connection with the Navios Holdings Loan Cancellation, in the event of any dividends or other distributions declared or made by Navios Logistics on or after the Supplemental Indenture Date in respect of its common shares, the Co-Issuers agree that Navios Corporation (or any other Pledged Share Collateral Guarantor holding common shares of Navios Logistics) shall not waive its right to receive any dividends or distributions in respect of any Navios Logistics Pledged Shares in the same form as any dividends or distributions made to any other holders of common shares of Navios Logistics.

SECTION 11.19. Deemed Amount Repayment.

In the event that (i) the Ship Notes Payoff/Extension has not occurred and (ii) any Distribution by a Pledged Company results in a Deemed Amount received (or deemed to be received), the Co-Issuers shall, within 60 days after the date of such Distribution, make a Permitted Repayment of Notes using cash other than Trust Monies.

ARTICLE TWELVE

SECTION 12.01. “Trust Monies” Defined.

(d) an Opinion of Counsel stating that the documents and the cash or Cash Equivalents, if any, which have been or are therewith delivered to and deposited with the Collateral Trustee conform to the requirements of this Indenture and that all conditions precedent herein provided for relating to such application of Trust Monies have been complied with;

provided, however, that if the Ship Notes Payoff/Extension has not occurred, (i) the Co-Issuers shall apply all Trust Monies in the Collateral Account that constitute (x) Net Proceeds received as a result of an

A Board Resolution expressed to be irrevocable directing the application of Trust Monies under this Section 12.02 to the payment of the principal of Notes shall for all purposes of this Indenture be deemed the equivalent of the deposit of money with the Collateral Trustee in trust for such purpose. Such Trust Monies and any cash deposited with the Collateral Trustee pursuant to clause (b) of this Section 12.02 for the payment of accrued interest shall not, after compliance with the foregoing provisions of this Section, be deemed to be part of the Collateral or Trust Monies.

With respect to any Trust Monies to be released by the Collateral Trustee to the Company in connection with any substitution of Collateral permitted by this Indenture, the requisite amount of Trust Monies (in each instance, the “**Released Monies**”) shall be released from escrow by the Collateral Trustee not more than five Business Days before the expected delivery date of the applicable substitute Qualified Vessel (whether such Qualified Vessel has been or will be acquired through the direct purchase of such Qualified Vessel or the equity interests of any person owning such Qualified Vessel and which may include a Qualified Vessel owned by a Subsidiary (including a Subsidiary Guarantor) that is not a Future Mortgaged Vessel Guarantor) to a bank account designated by the Company and will then be remitted to the seller (or as the seller may direct) of such Vessel in the form of a conditional payment to the seller’s bank (or as the seller may direct) in accordance with the terms of the acquisition contract and in a manner consistent with customary vessel acquisition practice. During such five Business Day period before the expected delivery date, such Released Monies shall be released from the Security Interest and Lien granted pursuant to this Indenture and the Security Documents. In the event that the applicable Future Mortgaged Vessel Guarantor shall not have delivered and/or filed the Security Documents (including without limitation the Ship Mortgage) required by this Indenture and the Security Documents to perfect the Security Interest in such Vessel and such Related Assets as required by this Indenture on or prior to the 15th calendar day following the day on which such Released Monies were released as described above, then, on or before such 15th calendar day, the Company shall return to the Collateral Trustee an amount equal to the full amount of such Released Monies that were released in connection with such proposed Qualified Vessel delivery to be re-deposited into the Collateral Account. Any amount returned to the Collateral Trustee pursuant to the immediately preceding sentence shall immediately be subject to the Security Interest and Lien granted pursuant to this Indenture and the Security Documents.

SECTION 12.03. Powers Exercisable Notwithstanding Default or Event of Default.

In case a Default or an Event of Default shall have occurred and shall be continuing, the Trustee or the Collateral Trustee, as the case may be, while in possession of the Collateral (including the cash, Cash Equivalents, securities and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder or under the Security Documents), may do any of the

things enumerated in Section 12.02 at the request of the Co-Issuers and/or the applicable Future Mortgaged Vessel Guarantor, if the Holders of a majority in aggregate principal amount of the Notes outstanding, by appropriate action of such Holders, shall consent to such action, in which event any certificate filed under any of such Sections shall omit the statement to the effect that no Default or Event of Default has occurred and is continuing.

SECTION 12.04. Powers Exercisable by Trustee or Receiver.

In case the Collateral (other than any cash, Cash Equivalents, securities and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder or under the Security Documents) shall be in the possession of a receiver or trustee lawfully appointed, the powers hereinbefore in this Article Twelve conferred upon the Co-Issuers and the Secured Guarantors with respect to the withdrawal or application of Trust Monies may be exercised by such receiver or trustee, in which case a certificate signed by such receiver or trustee shall be deemed the equivalent of any Officer's Certificate required by this Article Twelve. If the Collateral Trustee shall be in possession of any of the Collateral hereunder or under any of the Security Documents, such powers may be exercised by the Collateral Trustee, as directed by the Trustee, in its discretion.

SECTION 12.05. Disposition of Notes Retired.

All Notes received by the Trustee and for whose purchase Trust Monies are applied under this Article Twelve, if not otherwise cancelled, shall be promptly delivered to the Trustee for cancellation and destruction unless the Trustee shall be otherwise directed by the Co-Issuers. Upon destruction of any Notes, the Trustee shall issue a certificate of destruction to the Co-Issuers upon its request.

SECTION 12.06. Investment of Trust Monies.

(a) The Co-Issuers hereby irrevocably grant a security interest in and pledge, assign and set over to the Collateral Trustee on behalf of the Trustee for the benefit of the Holders all of the Co-Issuers' right, title and interest in the Trust Monies, and all property now or hereafter placed or deposited in, or delivered to the Collateral Trustee for placement or deposit in, the Collateral Account held by (or otherwise maintained in the name of) the Collateral Trustee pursuant to this Section 12.06, and, subject to Section 12.01, all distributions relating thereto and proceeds thereof, in order to secure all obligations and indebtedness of the Co-Issuers under the Notes and any other obligation, now or hereafter arising, of every kind and nature, owed by the Co-Issuers under this Indenture to the Holders or to the Collateral Trustee on behalf of the Trustee for the benefit of the Holders. The Co-Issuers shall take all actions and shall direct the Collateral Trustee to take all actions necessary on its part to ensure the continuance of a security interest in the Trust Monies in favor of the Collateral Trustee on behalf of the Trustee for the benefit of the Holders in order to secure all such obligations and indebtedness. The Co-Issuers shall not grant a security interest, encumbrance, lien or other claim, direct or indirect, in the Co-Issuers' right, title or interest in the Collateral Account or any other Collateral which is Trust Monies.

(b) The Collateral Trustee shall (A) maintain sole dominion and control over funds in the Collateral Account and all other Collateral which is Trust Monies for the benefit of the Collateral Trustee on behalf of the Trustee for the benefit of the Holders, (B) take all steps necessary to cause the Collateral Trustee to enjoy a continuous perfected security interest under applicable statutory or case law or regulations in such Trust Monies and (C) maintain such Trust Monies free and clear of all liens, security interests, safekeeping or other charges, demands and claims against the Collateral Trustee of any nature now or hereafter existing in favor of anyone other than the Collateral Trustee.

(c) All Trust Monies deposited or held in the Collateral Account at any time shall be invested by the Collateral Trustee in Cash Equivalents in accordance with the Co-Issuers' written instructions in the form of an Officer's Certificate to the Collateral Trustee. Any such written instruction shall specify the particular investment to be made and shall state that such investment is authorized to be made hereby.

The Trustee and the Collateral Trustee shall have no responsibility for any investment losses resulting from the investment, reinvestment or liquidation of the Trust Monies to the extent such investment, reinvestment or liquidation is made in compliance with the terms of this Section 12.06. The Co-Issuers acknowledge that the Collateral Trustee is not providing investment supervision, recommendations, or advice. Any interest or other income received on such investment and reinvestment of the Trust Monies shall become part of the Trust Monies and any losses incurred on such investment and reinvestment of the Trust Monies shall be debited against the Trust Monies. If a selection is not made and a written direction not given to the Collateral Trustee, the Trust Monies deposited in cash shall remain uninvested with no liability for interest thereon. Notwithstanding the foregoing, the Collateral Trustee shall have the power to sell or liquidate the foregoing investments whenever the Collateral Trustee shall be required to release all or any portion of the Trust Monies pursuant to this Article Twelve. In no event shall the Collateral Trustee be deemed an investment manager or adviser in respect of any selection of investments hereunder. It is understood and agreed that the Collateral Trustee or its affiliates are permitted to receive additional compensation that could be deemed to be in the Collateral Trustee's economic self-interest for (A) serving as investment adviser, administrator, shareholder servicing agent or custodian with respect to certain of the investments, (B) using affiliates to effect transactions in certain investments and (C) effecting transactions in investments.

The Co-Issuers agree that confirmations of investments are not required to be issued by the Collateral Trustee for any month for which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Co-Issuers may obtain confirmations at no additional cost upon their written request.

The Co-Issuers shall be obligated to and shall pay or reimburse the Collateral Trustee upon request for any transfer taxes or other taxes relating to the Trust Monies incurred in connection herewith. The Co-Issuers agree that, for tax reporting purposes, all interest and other income from investment of the Trust Monies shall, as of the end of each calendar year and to the extent required by the Internal Revenue Service, be reported as having been earned by the Company, whether or not such income was disbursed during such calendar year.

The Co-Issuers shall indemnify, defend and hold the Collateral Trustee harmless from and against any tax, late payment, interest, penalty or other cost or expense that may be assessed against the Collateral Trustee on or with respect to the Trust Monies and the investment thereof unless such tax, late payment, interest, penalty or other cost or expense was directly caused by the gross negligence or willful misconduct of the Collateral Trustee. The indemnification provided by this Section 12.06 is in addition to the indemnification provided in Section 11.16 hereof and shall survive the resignation or removal of the Collateral Trustee and the satisfaction and discharge of this Indenture.

No past, future or present director, Officer, employee, incorporator, member, manager, agent or shareholder of a Co-Issuer or any Guarantor, as such, shall have any liability for any obligations of the Co-Issuers or any Guarantors under the Notes, this Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability to the fullest extent permitted by law. Such waiver and release are part of the consideration for issuance of the Notes and the Note Guarantees.

SECTION 13.11. Successors.

All agreements of the Co-Issuers and the Guarantors in this Indenture, the Notes and the Note Guarantees shall bind their respective successors. All agreements of the Trustee and the Collateral Trustee in this Indenture shall bind its successor.

(d) Each of the Co-Issuers and each Guarantor agree that a final judgment in any such suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing herein shall in any way be deemed to limit the ability of the Trustee or any Holder to serve any such legal process, summons, notices and documents in any other manner permitted by applicable law or to obtain jurisdiction over the Co-Issuers or the Guarantors or bring actions, suits or proceedings against them in such other jurisdictions, and in such manner, as may be permitted by applicable law.

(e) The provisions of this Section 13.15 shall survive any termination of this Indenture, in whole or in part.

(f) Each of the Co-Issuers and each of the Guarantors hereby irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Indenture brought in the United States federal courts located in the County of New York or the courts of the State of New York located in the County of New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. (a) U.S. dollars are the sole currency of account and payment for all sums payable by the Co-Issuers and the Guarantors under or in connection with the Notes, the Note Guarantees or this Indenture, including damages related thereto. Any amount received or recovered in a currency other than U.S. dollars by a Holder (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Co-Issuers or otherwise) in respect of any sum expressed to be due to it from the Co-Issuers shall only constitute a discharge to the Co-Issuers to the extent of the U.S. dollar amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under the Notes, the Co-Issuers shall indemnify it against any loss sustained by it as a result as set forth in Section 13.16(b). In any event, the Co-Issuers and the Guarantors shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Section 13.16, it shall be sufficient for the Holder to certify in a satisfactory manner (indicating sources of information used) that it would have suffered a loss had an actual purchase of U.S. dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. dollars on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above). The indemnities set forth in this Section 13.16 constitute separate and independent obligations from other obligations of the Co-Issuers and the Guarantors, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Notes.

(b) The Co-Issuers and the Guarantors, jointly and severally, covenant and agree that the following provisions shall apply to conversion of currency in the case of the Notes, the Note Guarantees and this Indenture:

(1) (A) If for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the “**Judgment Currency**”) an amount due in any other currency (the “**Base Currency**”), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine).

(B) If there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Co-Issuers and the Guarantors shall pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt shall produce the amount in the Base Currency originally due.

(2) In the event of the winding-up of any Co-Issuer or any Guarantor at any time while any amount or damages owing under the Notes, the Note Guarantees and this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Co-Issuers and the Guarantors shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the U.S. Dollar Equivalent of the amount due or contingently due under the Notes, the

Note Guarantees and this Indenture (other than under this subsection (b)(2)) is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up. For the purpose of this subsection (b)(2), the final date for the filing of proofs of claim in the winding-up of any Co-Issuer or any Guarantor shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of such Co-Issuer or such Guarantor may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(c) The obligations contained in subsections (a), (b)(1)(B) and (b)(2) of this Section 13.16 shall constitute separate and independent obligations from the other obligations of the Co-Issuers and the Guarantors under this Indenture, shall give rise to separate and independent causes of action against the Co-Issuers and the Guarantors, shall apply irrespective of any waiver or extension granted by any Holder or the Trustee or either of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of any Co-Issuer or any Guarantor for a liquidated sum in respect of amounts due hereunder (other than under subsection (b)(2) above) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by any Co-Issuer or any Guarantor or the liquidator or otherwise or any of them. In the case of subsection (b)(2) above, the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(d) The term “**rate of exchange**” shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (New York time) for spot purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in subsections (b)(1) and (b)(2) above and includes any premiums and costs of exchange payable.

SECTION 13.17. Patriot Act.

Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

11.25% Senior Secured Notes due 2022

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

SECTION 1. Interest. Navios Maritime Holdings Inc., a Marshall Islands corporation, and Navios Maritime Finance II (US) Inc., a Delaware Corporation, as co-issuers, (the “**Co-Issuers**”), jointly and severally promise to pay interest on the principal amount of this Note at 11.25% per annum from November 21, 2017 until maturity. The Co-Issuers shall pay interest semi-annually in arrears on February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “**Interest Payment Date**”), commencing February 15, 2018. Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance. The Co-Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand to the extent lawful at the interest rate applicable to the Notes; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (in each case without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2. Method of Payment. The Co-Issuers shall pay interest, if any, on the Notes to the Persons who are registered Holders at the close of business on February 1 or August 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes shall be issued in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Co-Issuers shall pay principal, premium, if any, and interest on the Notes in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts (“**U.S. Legal Tender**”). Principal, premium, if any, and interest, if any, on the Notes shall be payable at the office or agency of the Co-Issuers maintained in the United States for such purpose except that, at the option of the Co-Issuers, the payment of interest, if any, may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that for Holders owning at least \$100,000 aggregate principal amount of Notes that have given wire transfer instructions to the Co-Issuers at least ten (10) Business Days prior to the applicable payment date, the Co-Issuers shall make all payments of principal, interest and premium, if any, by wire transfer of immediately available funds to the accounts specified by the Holders thereof. Until otherwise designated by the Co-Issuers, the Co-Issuers’ office or agency in the United States shall be the office of the Trustee maintained for such purpose.

SECTION 3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Co-Issuers may change any Paying Agent or Registrar without prior notice to any Holder. Except as provided in the Indenture, the Co-Issuers or any of their Subsidiaries may act in any such capacity.

SECTION 4. Indenture. The Co-Issuers issued the Notes under an Indenture dated as of November 21, 2017 (the “**Indenture**”) by and among the Co-Issuers, the Guarantors (as defined therein), Wells Fargo Bank, National Association, as Trustee and Collateral Trustee. The Notes are subject to all terms contained in the Indenture, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

SECTION 5. Optional Redemption. On or after the Issue Date, the Co-Issuers may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to (but excluding) the applicable Redemption Date, if redeemed during the applicable period indicated below, subject to the rights of Holders on the relevant Record Date to receive interest on the relevant Interest Payment Date:

| <u>Commencing</u> | <u>Percentage</u> |
|--|-------------------|
| Issue Date to November 15, 2018 | 108.438% |
| November 16, 2018 to November 15, 2019 | 104.219% |
| November 16, 2019 and thereafter | 100.000% |

SECTION 6. [Reserved].

SECTION 7. Redemption for Changes in Withholding Tax. The Co-Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest and Additional Amounts, if any, thereon to the Redemption Date, if the Co-Issuers have become or would become obligated to pay, on the next date on which any amount would be payable with respect to such Notes, any Additional Amounts as a result of any change in law (including any regulations promulgated thereunder) or in the official interpretation or administration of law, if such change is announced and becomes effective on or after the Issue Date and the Co-Issuers determine in good faith that such obligation cannot be avoided (including, without limitation, by changing the jurisdiction from which or through which payment is made) by the use of reasonable measures (not requiring material cost) available to the Co-Issuers and the Guarantors.

Notice of any such redemption must be given to the Holders within 60 days of the earlier of the announcement and the effectiveness of any such amendment or change referred to in the preceding paragraph. At the time such notice of redemption is given, such obligation to pay such Additional Amounts must remain in effect. Immediately prior to electronically sending or the mailing of any notice of redemption described above, the Co-Issuers shall deliver to the Trustee (i) an Officer's Certificate stating that the Co-Issuers are entitled to elect to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Co-Issuers so to elect to redeem have occurred and (ii) if requested by the Trustee, an Opinion of Counsel qualified under the laws of the relevant jurisdiction to the effect that the Co-Issuers or the applicable Guarantor or such successor Person, as the case may be, has or will become obligated to pay such Additional Amounts as a result of such amendment or change.

SECTION 8. Selection and Notice of Redemption. Notes in denominations larger than \$2,000 may be redeemed in part; *provided* that Notes shall be redeemed only in integral multiples of \$1,000 unless all Notes held by a Holder are to be redeemed. Notice of redemption shall be delivered electronically or mailed by first class mail at least 30 days but not more than 60 days before the Redemption Date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. In connection with any redemption of Notes, any such redemption may, at the Company's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all of such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions

shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed. If any such condition precedent has not been satisfied, the Company shall provide written notice to the Trustee prior to the close of business two business days prior to the Redemption Date (or such shorter period as may be acceptable to the Trustee). Upon receipt of such notice, the notice of redemption shall be rescinded or delayed, and the redemption of the Notes shall be rescinded or delayed as provided in such notice. Upon receipt, the Trustee shall provide such notice to each Holder in the same manner in which the notice of redemption was given. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption subject to the satisfaction of any conditions precedent. On and after the Redemption Date, interest, if any, shall cease to accrue on Notes or portions thereof called for redemption, unless the Co-Issuers default in the payment of the Redemption Price or any conditions precedent are not satisfied.

SECTION 9. Mandatory Redemption. The Co-Issuers shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes (it being understood that the foregoing shall not limit Section 10 below).

SECTION 10. Repurchase at Option of Holder.

(a) Upon the occurrence of a Change of Control, and subject to certain conditions set forth in the Indenture, the Co-Issuers shall be required to offer to purchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of the outstanding Notes at a purchase price equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, thereon to the date of repurchase, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) The Co-Issuers are, subject to certain conditions and exceptions, obligated to make an offer to purchase Notes at 100% of their principal amount, plus accrued and unpaid interest, if any, thereon to the date of repurchase, with certain Excess Proceeds, Excess Collateral Proceeds and Excess Loss Proceeds, in each case in accordance with the Indenture.

SECTION 11. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Co-Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Co-Issuers and the Registrar are not required to transfer or exchange any Note selected for redemption, except the unredeemed portion of any Note being redeemed in part. Also, the Co-Issuers and the Registrar are not required to transfer or exchange any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

SECTION 12. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

SECTION 13. Amendment, Supplement and Waiver. The Indenture, the Security Documents and the Notes may be amended, supplemented or waived as set forth in, and subject to the terms and conditions of, the Indenture.

SECTION 14. Defaults and Remedies. The Events of Default relating to the Notes are set forth in Section 6.01 of the Indenture. If an Event of Default occurs and is continuing, the Trustee or

the Holders of at least 25% in principal amount of the then outstanding Notes generally may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency as set forth in the Indenture, all outstanding Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Holders of a majority in aggregate principal amount of the Notes then outstanding, by notice to the Trustee, may on behalf of the Holders of all of the Notes rescind an acceleration or waive any existing Default and its consequences under the Indenture except a continuing Default in the payment of interest on, or the principal of, or the premium on, the Notes, subject to certain conditions being met. The Co-Issuers shall deliver to the trustee a written statement specifying any Default or Event of Default within 30 days of becoming aware thereof.

SECTION 15. Additional Amounts. All payments made by the Co-Issuers under or with respect to this Note or by a Guarantor under or with respect to its Note Guarantee shall be made free and clear of and without withholding or deduction for or on account of any present or future Taxes, to the extent provided in Section 4.20 of the Indenture.

SECTION 16. Security Documents. In order to secure the due and punctual payment of the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Co-Issuers and the Guarantors under the Indenture, the Notes and the Guarantees when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes, the Guarantees and the Indenture, each of the Pledged Share Collateral Guarantors have granted and each Future Mortgaged Vessel Guarantor will grant security interests in and Liens on the Collateral owned by it to the Collateral Trustee on behalf of the Trustee for the benefit of the Holders pursuant to the Indenture and the Security Documents. The Notes will be secured by Liens and security interests in the Collateral that are subject only to Permitted Liens.

Each Holder, by accepting a Note, consents and agrees to all of the terms and provisions of the Security Documents, as the same may be amended from time to time pursuant to the respective provisions thereof and of the Indenture.

The Collateral Trustee, the Trustee and each Holder acknowledge that a release of any of the Collateral or Lien in accordance with the terms and provisions of any of the Security Documents and the terms and provisions of the Indenture will not be deemed for any purpose to be an impairment of the security under the Indenture.

SECTION 17. No Recourse Against Others. No past, future or present director, Officer, employee, incorporator, member, manager, agent or shareholder of the Co-Issuers or any Guarantors, as such, shall have any liability for any obligations of the Co-Issuers or any Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. The Holder by accepting this Note and the Note Guarantees waives and releases all such liability. Such waiver and release are part of the consideration for issuance of this Note and the Note Guarantees.

SECTION 18. Note Guarantees. This Note shall be entitled to the benefits of certain Note Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

SECTION 19. Trustee Dealings with the Co-Issuers. Subject to certain terms set forth in the Indenture, the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers, the Guarantors their Subsidiaries or their respective Affiliates as if it were not the Trustee.

SECTION 20. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

SECTION 21. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

SECTION 22. CUSIP and ISIN Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Co-Issuers have caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP or ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

SECTION 23. GOVERNING LAW. **THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO CONFLICTS OF LAW PRINCIPLES TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.**

The Co-Issuers shall furnish to any Holder upon written request and without charge a copy of the Indenture.

(a) declare immediately due and payable all of the Notes (in which case all of the same shall be immediately due and payable together with accrued interest until the date of the actual payment, such interest to be computed at the interest specified in the Indenture), and bring suit at law, in equity or in admiralty, as it may be advised, to recover judgment for the Notes and collect the same out of any and all property of the applicable Co-Issuer or the Shipowner, whether covered by this Mortgage or otherwise;

(b) exercise all of the rights and remedies in foreclosure and otherwise given to mortgagees by the provisions of applicable law;

(c) take and enter into possession of the Vessel, at any time, wherever the same may be, without court decision or other legal process and without being responsible for loss or damage and the Mortgagee may, without being responsible for loss or damage, except in case of willful misconduct, recklessness or gross negligence of the Mortgagee, hold, lay up, lease, charter, operate or otherwise use the Vessel for such time and upon such terms as it may deem to be for its best advantage, and demand, collect and retain all hire, freights, earnings, issues, revenues, income, profits, return of premiums, salvage awards or recoveries, recoveries in general average, and all other sums due or to become due in respect of the Vessel or in respect of any insurance thereon from any person whomsoever, accounting only for the net profits, if any, arising from such use of the Vessel and charging upon all receipts from use of the Vessel or from the sale thereof by court proceedings or by private sale hereunder all costs, expenses, charges, damages or losses by reason of such use, and if at any time the Mortgagee shall avail itself of the right herein given to it to take the Vessel: **(i)** the Mortgagee shall have the right to dock the Vessel for a reasonable time at any dock, pier or other premises of the Shipowner without charge, or to dock the Vessel at any other place at the cost and expense of the Shipowner, and **(ii)** the Mortgagee shall have the right to require the Shipowner to deliver, and the Shipowner shall on demand, at its own cost and expense, deliver to the Mortgagee the Vessel as demanded; and **(iii)** the Shipowner hereby irrevocably instructs the master of the Vessel so long as this Mortgage is outstanding to deliver the Vessel to the Mortgagee as demanded;

(d) sell the Vessel or any share therein with or without the benefit of any charterparty or other engagement by public auction or private contract without legal process at any place in the world and upon such terms as the Mortgagee in its absolute discretion may determine with power to postpone any such sale and without being answerable for any loss occasioned by such sale or resulting from the postponement thereof and at any such public auction the Mortgagee may, at its option, become the purchaser of the Vessel on behalf of the holders of the Notes, and shall have the right to set off the purchase price against the Indebtedness. In case of non-judicial sale of the Vessel, the Mortgagee shall give a twenty (20) calendar days prior notice of the date of such sale to the Shipowner and all other registered mortgagees. Any sale of the Vessel or any share therein made by the Mortgagee in pursuance of this Mortgage, whether under the power of sale granted in this provision or the power of attorney granted in sub-paragraph (a) of clause 4.03 below, or any judicial proceedings shall operate to divest all title, right and interest of any nature whatsoever of the Shipowner therein and thereto and shall bar the Shipowner, its successors and assigns, and all persons claiming by, through or under them. Upon any such sale, the purchaser shall not be bound to see or inquire whether the Mortgagee's power of sale has arisen in the manner herein provided and the sale shall be within the power of the Mortgagee and the receipt of the Mortgagee for the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of sale or be in any way answerable or otherwise liable therefore.

4.3. The Shipowner hereby irrevocably (because such appointment is also to the interest of the Mortgagee) appoints the Mortgagee its attorney-in-fact with full power in the name of the Shipowner:

(a) to sell and transfer the Vessel or any share therein, to make a good conveyance of the title to the Vessel so sold and to execute and deliver to any such purchaser a legal bill of sale of the Vessel and any and all other documents, instruments and writings necessary or advisable for such sale and transfer;

(b) to demand, collect, receive, compromise and sue for, so far as may be permitted by law, all freights, hire earnings, issues, revenues, income and profits of the Vessel and all amounts due from underwriters under any insurance thereon as payment of losses or as return of premiums or otherwise, salvage awards and recoveries in general average or otherwise, and all other sums due or to become due at the time of the happening of any Event of Default in respect of the Vessel, or in respect of any insurance thereon from any person whomsoever, and to make, give and execute in the name of the Shipowner acquaintances, receipts, releases or other discharges for the same, whether under seal or otherwise, and to endorse and accept in the name of the Shipowner all checks, notes, drafts, warrants, agreements and other instruments in writing with respect to the foregoing; and

(c) to appear in the name of the Shipowner its successors and assigns, in any court of any country or nation of the world where a suit is pending against the Vessel because of or on account of any alleged lien against the Vessel, or any share therein, from which the Vessel has not been released and to take such proceedings as to it may seem proper towards the defense of such suit and the purchase or discharge of such lien : and all reasonable expenditures made or incurred by it for the purpose of such defense or purchase or discharge shall be a debt due from the Shipowner, its successors and assigns, to the Mortgagee secured by this Mortgage in like manner and extent as if the amount and description thereof were written herein;

Provided however that the Mortgagee shall not exercise the power contained in this clause 4.03, unless and until the Indebtedness shall have become immediately due and payable pursuant to clause 4.01 above. The exercise of such power by the Mortgagee shall not put any person dealing with it, including, without limitation, any master or charterer or purchaser of the Vessel and/or ships registrar of government authority, upon any inquiry as to whether the Indebtedness shall have become immediately due and payable as aforesaid, nor shall any such person be in anyway affected by notice to the contrary and the exercise by the Mortgagee of this power shall be conclusive evidence of its right to exercise the same.

4.4. Upon the occurrence and during the continuance of an Event of Default and after the Indebtedness represented by the Notes, has become immediately due and payable, the Mortgagee may from time to time appoint in writing any person to be a receiver of the Vessel and may from time to time in writing remove any receiver so appointed and appoint another in his place. A receiver so appointed shall be the receiver of the Shipowner and the Shipowner shall be solely responsible for his acts and defaults and remuneration. Such receiver shall have the power to exercise all or any of the powers conferred on the Mortgagee by law and by this Mortgage. The Shipowner hereby irrevocably appoints any receiver, appointed as aforesaid, its attorney for and in its name and on its behalf and as its act and deed to execute, seal and deliver and otherwise perfect any assurance, agreement, instrument or act which may be required or may be deemed proper for any of the purposes hereof. The net proceeds of sale and all other monies received by the receiver shall be applied by it, subject to the claims of all secured creditors (if any) ranking in priority to this security, as provided in the Indenture.

4.5. The powers conferred upon the Mortgagee by this Mortgage are and shall be in addition to and not to the prejudice of all statutory and other powers (whether of sale, appointment of a receiver or otherwise) conferred upon mortgagees and may be exercised by it without restriction and at such times (with or without notice) and in such manner as the Mortgagee in its sole discretion may think fit

4.6. The exercise by the Mortgagee or any receiver, referred to in clause 4.04 above, of any power, power of attorney, right or remedy granted to any of them hereunder shall not put any person dealing with

them (including without limitation any master or purchaser or charterer of the Vessel and/or any ships registrar or government authority) upon any inquiry as to whether notice has been given or any Event of Default has occurred or as to the propriety of any sale or charter of the Vessel or as to the application of the proceeds thereof, nor shall any such person be in anywise affected by notice to the contrary and the exercise by the Mortgagee or any such receiver of any power, power of attorney, right or remedy hereunder shall be conclusive evidence of its right to exercise the same.

4.7. No delay or omission by the Mortgagee in the exercise of any right or power or in the pursuance of any remedy accruing upon any and all Events of Default shall impair any such right, power or remedy or be construed to be a waiver of any such Event of Default or to be an acquiescence therein; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercises thereof or the exercise of any such right, power or remedy hereunder; nor shall the acceptance by the Mortgagee of any security or any payment of or on account of the Indebtedness after any Event of Default or of any payment on account of any past Event of Default be construed to be a waiver of any right to take advantage of any future Event of Default or of any past Event of Default not completely cured thereby. No modification or waiver of any provision hereof nor consent to any departure herefrom by any party hereto shall in any event be effective unless the same shall be in writing and then such waiver or consent shall be effective only on the specific instances and for the purpose for which given.

4.8. In case the Mortgagee shall have proceeded to enforce any right, power or remedy under this Mortgage by foreclosure, entry or otherwise and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Mortgagee, then and in every such case the Shipowner and the Mortgagee shall be restored to their former positions and rights hereunder with respect to the Vessel and all rights, remedies and powers of the Mortgagee shall continue as if no such proceedings had been taken.

4.9. The Shipowner hereby empowers the Mortgagee to apply any credit balance from time to time standing upon any account of the Shipowner with the Mortgagee in or towards satisfaction of the Indebtedness represented by the Indenture, the Notes, the Guarantee and the Security Documents and in the name of the Mortgagee or of the Shipowner or any of them to do all such acts and execute all such documents as may be required to effect such application.

4.10. The Shipowner hereby further covenants with the Mortgagee that the Shipowner will from time to time at the request in writing of the Mortgagee do all such things and execute all such documents as the Mortgagee may consider reasonably necessary or desirable for giving full effect to the Mortgage or for securing the rights of the Mortgagee hereunder.

4.11. The proceeds of any sale, requisition or taking of the Vessel and the net earnings from any management, charter or other use of the same by the Mortgagee under any of the powers herein specified and any and all other monies received by the Mortgagee pursuant to and under the terms of this Mortgage or in any proceedings hereunder, the application of which has not elsewhere herein been specifically provided for, shall be applied by the Mortgagee as provided in the Indenture.

In the event that the proceeds are insufficient to pay the amount payable to anyone other than the Shipowner, as provided in the Indenture, the Mortgagee shall be entitled to collect the balance from the Shipowner or any other person liable therefore.

4.12. Until one or more of the Events of Defaults shall happen and the Mortgagee shall have served notice on the Shipowner that the Notes are immediately due and payable, the Shipowner:

(a) shall be suffered and permitted to retain actual possession and use of the Vessel; and

(b) shall have the right, from time to time, in its discretion and without obtaining a release thereof by the Mortgagee, to dispose of, free from the lien hereof any boilers, engines, machinery, masts, spars, sails, rigging, boats, anchors, cables, chains, tackle, apparel, furniture, fittings or equipment or any other appurtenances of the Vessel that are no longer useful, necessary, profitable or advantageous in the operation of the Vessel, first or simultaneously replacing the same by new boilers, engines, machinery, mast spars, sails, rigging, boats, anchors, cables, chains, tackle, apparel, furniture fittings, equipment or other appurtenances of at least substantially equal value to the Shipowner, which shall forthwith become subject to the lien of this Mortgage.

4.13. If at any time after an Event of Default and prior to the actual sale of the Vessel by the Mortgagee as preferred mortgagee hereunder or prior to any foreclosure proceedings, the Shipowner offers completely to cure all Events of Default and to pay all reasonable expenses, advances and damages to the Mortgagee consequent on such Events of Default with interest, at the interest rate as provided in this Mortgage, the Mortgagee shall subject to the terms of the Indenture, accept such offer and payment and restore the Shipowner to its former position, but such action shall not affect any subsequent Event of Default or impair any rights of the Mortgagee consequent thereon.

4.14. In addition to any other provisions hereof for the enforcement of the rights of the Mortgagee under this Mortgage, the Mortgagee may, at its opinion, upon the occurrence of an Event of Default and after serving notice on the Shipowner that the Notes are immediately due and payable bring:

(a) an action, suit or other proceeding **in rem** against the Vessel to foreclose the Mortgage and sell the Vessel in any court of any country in which the Vessel may be found, and/or

(b) an action, suit or other proceeding **in personam** against the Shipowner and/or any person obligated to the Mortgagee in connection with the Indebtedness to recover payment thereof and interest, charges and expenses and/or to foreclose this Mortgage and sell the Vessel in any court in any country in which the Vessel or the Shipowner or any person liable may be found; and for the purpose of conferring jurisdiction on any such court in any country the Shipowner hereby irrevocably submits itself and the Vessel to the jurisdiction of any court in any country wherein the Vessel may be located at any time of an Event of Default hereunder, and to all proceedings in the courts of said country or place, instituted by the Mortgagee and the Shipowner irrevocably appoints the master and the charterer for the time being of the Vessel and the Shipowner of the Vessel for the time being at any port as the Shipowner and representatives of the Shipowner, upon any one of whom service of process may be made in any legal action, suit or proceeding in any such court. Notice of the commencement of any such suit, action or proceeding shall be promptly given by the Mortgagee to the Shipowner.

4.15. All the covenants, promises, stipulations and agreements of the Shipowner contained in this Mortgage shall bind the Shipowner and its successors and permitted assigns, and all the covenants, promises, stipulations and agreements of the Mortgagee contained in this Mortgage shall inure to the benefit of the Mortgagee and its successors and assigns, whether so expressed or not.

4.16. Any provision of this Mortgage which is prohibited or unenforceable by reason of any present or future law in any jurisdiction or court shall, as to such jurisdiction or court, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction or court shall not invalidate or render unenforceable such provision in any other jurisdiction or court. The Shipowner further agrees that, in the event that this Mortgage or any provisions herein shall (i) be deemed invalidated in whole or in part by reason of any present or future law or any decision of any authoritative court, or (ii) be deemed by the Mortgagee for any reason insufficient to secure the Indebtedness, then from time to time the Shipowner will promptly (and in case of (ii) above, upon demand by the Mortgagee) execute on its own behalf such other and further

assurance and documents as are reasonably necessary for the repayment of the Indebtedness or the creation of the security hereby agreed to be given.

3. **Covenants.** The Assignor hereby covenants to the Assignee that:

Upon request of the Assignor, the Assignee shall furnish the Assignor with

The Assignee, its successors and assigns, are hereby constituted lawful attorneys of the Assignor, irrevocably, with full power (in the name of the Assignor or otherwise) (such power of attorney becoming operative only upon the occurrence and continuance of an Event of Default and the issuance of notice thereof to the Assignor), to ask, require, demand, receive, compound and give acquittance for any and all moneys, claims, property and rights hereby assigned, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Assignee may deem to be necessary or advisable in the premises. Any action or proceeding brought by the Assignee pursuant to any of the provisions hereof or of any Charter, other charter or contract of affreightment or otherwise, and any claim made by the Assignee hereunder or under any Charter, other charter or contract of affreightment, may be compromised, withdrawn or otherwise dealt with by the Assignee without any notice to, or approval of, the Assignor. The Assignor hereby (a) irrevocably authorizes the Assignee, at the Assignor's expense, (i) to file, at any time and from time to time, this Assignment and/or such financing and continuation statements or papers of similar purpose or effect relating to this Assignment for the purpose of perfecting the Assignee's security interests granted under this Assignment in any relevant jurisdiction, without the Assignor's signature, to the extent permitted by law in any relevant jurisdiction, as the Assignee at its option may deem reasonably appropriate and (ii) to file, upon request by the Co-Issuers or the Assignee, all lien releases, including, without limitation, financing statement amendments or papers of similar purpose, without the Assignor's signature, to the extent permitted by law in any relevant jurisdiction, that are necessary to release security interests conferred hereby which are to be released in connection with the termination of this Assignment pursuant to Section 11 hereof and (b) appoints the Assignee as the Assignor's attorney-in-fact to execute any such statements in the Assignor's name and to perform all other acts which the Assignee may deem appropriate to perfect, continue and release the security interests conferred hereby in any relevant jurisdiction.

6. Irrevocable Assignment. The powers and authority granted to the Assignee herein have been given for a valuable consideration and are hereby declared to be irrevocable and may not be amended or waived except by an instrument in writing signed by the party against whom enforcement is sought.

7. Governing Law. This Assignment shall be construed in accordance with and governed by the laws of the State of New York, United States of America without regard to principles of conflicts of laws. The Assignor hereby irrevocably submits itself to the non-exclusive jurisdiction of any New York State or Federal court sitting in New York City and any appellate court from any thereof, for the purposes of (and solely for the purposes of) any suit, action or other proceeding arising out of, or relating to, this Assignment or any of the transactions contemplated hereby, hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard in such New York State or Federal court and hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason whatsoever, that such suit, action or proceeding is brought in an inconvenient forum, or that the venue of such suit, action or proceeding is improper, or that this Assignment or the subject matter hereof may not be enforced in or by such courts.

The Assignor hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any such action, suit or proceeding brought against it by the Assignee with respect to its obligations, liabilities or any other matter arising out of or in connection with this Assignment, by serving a copy thereof upon any employee of the Assignor or the Co-Issuers or their respective subsidiaries (in such capacity, the "**Assignor Process Agent**") at any business location that the Assignor or the Co-Issuers or their respective subsidiaries may maintain from time to time in the United

States including, without limitation, at the offices of Navios Corporation located at 825 Third Avenue, 34th Floor, New York, NY 10022.

If at any time the Assignor does not maintain a *bona fide* business location in the State of New York, then the Assignor shall promptly (and in any event within 10 days) irrevocably designate, appoint and empower CT Corporation System, with offices currently at 111 Eighth Avenue, New York, New York 10011 (or such other third party corporate service provider of national standing as may be reasonably acceptable to the Assignee), as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf service of any and all legal process, summons, notices and documents that may be served in any action, suit or proceeding brought against it by the Assignee in any such United States or state court located in the County of New York with respect to its obligations, liabilities or any other matter arising out of or in connection with this Assignment and that may be made on such designee, appointee and agent in accordance with legal procedures prescribed for such courts (the “**Third Party Process Agent**”; each of the Assignor Process Agent or the Third Party Process Agent, a “**Process Agent**”) and pay all fees and expenses required by the Third Party Process Agent in connection therewith. If for any reason such Third Party Process Agent hereunder shall cease to be available to act as such, the Assignor agrees to designate a new Third Party Process Agent in the County of New York on the terms and for the purposes of this Section 7 satisfactory to the Assignee.

The Assignor further hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any such action, suit or proceeding against them by (i) serving a copy thereof upon any of the relevant Process Agents specified in the two preceding paragraphs above, or (ii) by mailing copies thereof by registered or certified air mail, postage prepaid, to the Assignee, at its address specified in or designated pursuant to this Assignment or the Indenture. The Assignor agrees that the failure of any Process Agent, to give any notice of such service to it shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

Nothing herein shall in any way be deemed to limit the ability of the Assignee to serve any such legal process, summons, notices and documents in any other manner permitted by applicable law or to obtain jurisdiction over the Assignor or bring actions, suits or proceedings against the Assignor in such other jurisdictions, and in such manner, as may be permitted by applicable law.

The Assignor hereby irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Assignment brought in the United States federal courts located in the County of New York or the courts of the State of New York located in the County of New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

The Assignor, and its obligations under the Assignment, are subject to civil and commercial law and to suit and none of the Assignor or any of its properties, assets or revenues have any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from the giving of any relief in any such legal action, suit or proceeding, from setoff or counterclaim, from the jurisdiction of any of any Greek, Maltese, Marshall Islands, Belgian, Panamanian, Liberian, New York State or U.S. federal court, as the case may be, from service of process, attachment upon or prior to judgment, or attachment in aid of execution of judgment, or from execution or enforcement of a judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of a judgment, in any such court, with respect to its obligations or liabilities or any other matter under or arising out of or in connection with this Assignment; and, to the extent that the Assignor or any of its

properties, assets or revenues may have or may hereafter become entitled to any such right of immunity in any such court in which proceedings may at any time be commenced, the Assignor waived or will waive such right to the extent permitted by law and has consented to such relief and enforcement as provided in the Indenture and the other Security Documents.

8. Notices. All notices or other communications required or permitted to be made or given hereunder shall be made as provided in Section 13.02 of the Indenture.

9. Headings. The division of this Assignment into sections and the insertion of headings are for convenience of reference only and shall not affect the interpretation or construction of this Assignment.

(e) **Amendment of Section 6.01(3)**. The Indenture is hereby amended by inserting “, Section 4.24” immediately after “(or, in the case of any obligation under Section 4.13(II))” in Section 6.01(3) of the Indenture.

(f) **Addition of Section 11.04(d)**. The Indenture is hereby amended by adding a new paragraph 11.04(d) immediately after paragraph 11.04(c):

“(d) Notwithstanding any provision of this Section 11.04 to the contrary, in connection with an Asset Sale of Navios Logistics Pledged Shares pursuant to a Qualified IPO or a Future Secondary Sale structured as a sale of Brazilian Depositary Receipts (“**BDRs**”) on the B3—Brasil Bolsa Balcão S.A stock exchange (a “**BDR Offering**”), the Co-Issuers may obtain a release of an aggregate Fair Market Value of Navios Logistics Pledged Shares (the “**Navios Logistics Stabilization Shares**”) not to exceed 15% of aggregate Fair Market Value of BDRs being offered or sold in such BDR Offering, pursuant to a stabilization or similar agreement entered into between the Company and one or more of the bookrunners acting in connection with the BDR Offering (a “**Stabilization Agreement**”), by requesting the Collateral Trustee in writing to cause such release. Upon no longer than 45 days following the release of such Navios Logistics Pledged Shares pursuant to this clause 11.04(d), the Co-Issuers shall return to the Collateral Trustee either (i) the Navios Logistics Stabilization Shares to be held as Pledged Share Collateral or (ii) an amount of cash or Cash Equivalents equal to the Fair Market Value of the Navios Logistics Stabilization Shares (with such Fair Market Value to be determined at the time of the Qualified IPO or a Future Secondary Sale) to be held as Trust Monies. For the avoidance of doubt, a return of cash or Cash Equivalents pursuant to the foregoing clause (ii) of this Section 11.04(d) shall be treated as an Asset Sale of Navios Logistics Pledged Shares and shall be subject to the requirements applicable to an Asset Sale of Navios Logistics Pledged Shares set forth in Section 4.13(II).”

(g) **Amendment of Section 12.02**. The Indenture is hereby amended by (i) inserting “(including, for the avoidance of doubt, the Qualified IPO Secondary Sale Proceeds)” immediately after “(iv) otherwise” in the first paragraph of Section 12.02 of the Indenture, (ii) inserting “, the tender offer required pursuant to Section 4.24” immediately after “a Change of Control Offer under Section 4.09,” in the first paragraph of Section 12.02 of the Indenture and (iii) inserting “ (other than Qualified IPO Secondary Sale Proceeds)” after “provided, however, that if the Ship Notes Payoff/Extension has not occurred, (i) the Co-Issuers shall apply all Trust Monies” in the second paragraph of Section 12.02 of the Indenture.

(h) **Amendment of Notes.** Any of the terms or provisions present in the Notes that relate to any of the provisions of the Existing Indenture as amended by this Supplemental Indenture shall also be amended, *mutatis mutandis*, so as to be consistent with the amendments made by this Supplemental Indenture.

3. EFFECT AND OPERATION OF SUPPLEMENTAL INDENTURE. This Supplemental Indenture shall become effective and binding immediately upon its execution by the Co-Issuers, the Guarantors and the Trustee, and thereupon this Supplemental Indenture shall form a part of the Indenture for all purposes, and every Note and Note Guarantee heretofore or hereafter authenticated and delivered under the Indenture shall be bound hereby, *provided however*, notwithstanding anything in the Existing Indenture or this Supplemental Indenture to the contrary, the amendments set forth in this Supplemental Indenture shall become operative only upon, and shall have no force and effect prior to the occurrence of, a Qualified IPO (the “**Operative Time**”) closing on or prior to September 5, 2021 (the “**Outside Date**”); *provided, however*, that if Navios Logistics has provided notice to the Company that it has determined not to proceed with a Qualified IPO prior to the Outside Date, the Outside Date shall mean the date of such notice. The Co-Issuers shall give the Trustee and the Collateral Trustee prompt written notice of either (x) such amendments becoming operative or (y) the failure of the Operative Time to occur prior to the Outside Date. For the avoidance of doubt, in the event that the Operative Time shall fail to occur prior to the Outside Date (including as a result of Navios Logistics’ determination not to proceed with a Qualified IPO closing on or prior to September 5, 2021), from and after the Outside Date, the amendments set forth in this Supplemental Indenture shall have no force or effect.

4. INDENTURE AND SUPPLEMENTAL INDENTURE CONSTRUED TOGETHER. This Supplemental Indenture is an indenture supplemental to, and in implementation of, the Existing Indenture, and the Existing Indenture and this Supplemental Indenture shall henceforth be read and construed together.

5. NO PERSONAL LIABILITY OF DIRECTORS, OFFICERS, EMPLOYEES AND STOCKHOLDERS. No past, present or future director, officer, employee, incorporator or stockholder of the Co-Issuers or any Guarantor, as such, shall have any liability for any obligations of the Co-Issuers or such Guarantor under the Notes, the Note Guarantees, the Existing Indenture, as amended by this Supplemental Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

6. NEW YORK LAW TO GOVERN. THIS SUPPLEMENTAL INDENTURE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO CONFLICTS OF LAW PRINCIPLES TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

7. SEVERABILITY. In case any provision in this Supplemental Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

8. COUNTERPARTS. The parties may sign any number of copies of this Supplemental Indenture, including via PDF. Each signed copy shall be an original, but all of them together represent the same agreement.

9. **EFFECT OF HEADINGS.** The Section headings herein are for convenience only and shall not affect the construction hereof.

10. **THE TRUSTEE AND THE COLLATERAL TRUSTEE.** The Trustee and the Collateral Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Co-Issuers. The rights, protections and indemnities provided to the Trustee and the Collateral Trustee under the Indenture shall apply to any action (or inaction) of the Trustee and Collateral Trustee in connection herewith, including in connection with the execution and delivery of this Supplemental Indenture.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed, all as of the date first above written.
